The Blasket Islandman Gerald Hayes, 2018-05-04 Tom's Criomhthain 1856-1937 is one of the giants of Irish language literature His best known books *Allagar na hInise* and *An tOile nach* are acknowledged classics But he was a highly unlikely author He lived his entire life on the isolated and now abandoned Great Blasket in a house he built with his own hands using stones he found on the island Likewise he crafted a valuable literary heritage out of island life With indefatigable persistence he steadily built on his modest formal education learning to read and write in Irish during middle age while simultaneously expanding his knowledge of literature and history Scholarly visitors were impressed with Tom's observations of his tiny community They encouraged him to commit his stories and memories to paper He wrote three first person accounts of his experiences bequeathing to us a captivating saga of a folk culture doomed by difficult circumstances His works are among the first examples of Ireland's transition from oral to written folk storytelling The *Blasket Islandman* tells for the first time the full story of Tom's life with its many triumphs and travails This absorbing account also describes the forces that influenced his work and details his impressive legacy Tom was determined that his community be remembered In the process he achieved a level of immortality for himself More than eighty years after his passing he remains the famed Blasket Islandman and to paraphrase the man himself the like of him will never be again *Report on the Flora of the Blasket Islands, County Kerry* Richard Manliffe Barrington, 1881

The Last Blasket King Gerald Hayes, Eliza Kane, 2015-04-20 The last King of the Great Blasket Island was Pdraig Cathin known as Peats Mhic who served for quarter of a century until his death in 1929 The King helped the islanders navigate through life and through national as well as international events such as the 1916 Rising and the Great War This book tells how he came to be King of the Great Blasket Island and how his personality and integrity shaped the role This is the first account of the King's extraordinary life written in collaboration with his descendants in the USA and Ireland It tells the story of this unique man his many contributions to the island and his extended legacy Also available *From the Great Blasket to America* by Michael Carney and *The Loneliest Boy in the World* by Gearoid Cheaist Cathin

Coastal Environments in the West of Ireland John B. Roney, Mark Beekey, 2022-11-16 This multi authored study explores how the natural sciences and the humanities together can understand the connections between the natural environment the built environment and the cultural heritage of communities along the west coast of Ireland Knowledge of the sea and marine life and what they mean to humanity is dependent on both scientific study and local knowledge which in turn can lead to a greater commitment to sustainability Until the 1950s there was little government support for scientific research nor an interest in helping fisheries beyond near shore catch Irish fisheries remained small underfunded and had difficulty accessing international markets However as this book shows Ireland s cultural heritage demonstrates a deep appreciation for the coastal environment and a sense of place This is preserved in the Irish language in poetry story and music and in the ways the Irish lived with an often wild coastal topography
