The Blaskets Muiris Mac Conghail, 1987 Great Blasket Island is a townland in the parish of Dunquin county Kerry *The Blaskets* Muiris Conghail, 1987 *The Blaskets* Muiris Mac Conghail, 2006-01-01 *The Blasket Islandman* Gerald Hayes, 2018-05-04 Tom s Criomhthain 1856 1937 is one of the giants of Irish language literature His best known books *Allagar na hInise* and *An tOile nach* are acknowledged classics But he was a highly unlikely author He lived his entire life on the isolated and now abandoned Great Blasket in a house he built with his own hands using stones he found on the island Likewise he crafted a valuable literary heritage out of island life With indefatigable persistence he steadily built on his modest formal education learning to read and write in Irish during middle age while simultaneously expanding his knowledge of literature and history Scholarly visitors were impressed with Tom s s observations of his tiny community They encouraged him to commit his stories and memories to paper He wrote three first person accounts of his experiences bequeathing to us a captivating saga of a folk culture doomed by difficult circumstances His works are among the first examples of Ireland s transition from oral to written folk storytelling *The Blasket Islandman* tells for the first time the full story of Tom s s life with its many triumphs and travails This absorbing account also describes the forces that influenced his work and details his impressive legacy Tom s was determined that his community be remembered In the process he achieved a level of immortality for himself More than eighty years after his passing he remains the famed Blasket Islandman and to paraphrase the man himself the like of him will never be again *Islands of the Mind* Richard Pine, 2020-02-05 730 million people almost 10% of the world s population inhabit islands One quarter of the states represented at the United Nations are islands Islands constitute almost twenty percent of the total land area of Greece and exhibit more significant aspects of biodiversity than other global contexts They are both occasions of triumph and occurrences of catastrophe Islands are both open and enclosed communities points of arrival and departure Islands exert a fascination for the visitor and generate in the islander both positive and negative mindsets The romantic fallacies about self sufficiency and insularity of islands are constantly challenged This collection of essays by scholars from some of the world s most compelling islands Jersey Ireland Tasmania Corfu Ereikousa Prince Edward Island Malta explores the psychology of islands islanders and their visitors the literatures they stimulate and the scientific ethical and biogeographical issues they present in an increasingly globalised world Corfu the home of Lawrence and Gerald Durrell in the 1930s and host to literary and scientific enquiry is the place where this collection was conceived and occupies a central place in its discussions **On an Irish Island** Robert Kanigel, 2013-02-26 *On an Irish Island* tells the remarkable story of a remote outpost nearly untouched by time in the first half of the twentieth century and of the adventurous men and women who visited and were inspired by it In a love letter to a vanished way of life Robert Kanigel brings to life this wildly beautiful island notable for the vivid communal life of its residents and the unadulterated Irish they spoke well into the twentieth century With the Irish language rapidly disappearing Great Blasket

became a magnet for scholars linguists and writers during the Gaelic renaissance As we follow these visitors among them John Millington Synge author of *The Playboy of the Western World* we are captivated both by the tiny group of islanders who kept an entire country's past alive and by their complex relationships with those who brought the island's story to the larger world

The Vanishing World of The Islandman Máiréad Nic Craith, 2019-11-06 Exploring An t Oile nach anglicised as The Islandman an indigenous Irish language memoir written by Tom's Criomhthain Tom's O Crohan Mírad Nic Craith charts the development of Criomhthain as an author the writing illustration and publication of the memoir in Irish and the reaction to its portrayal of an authentic Gaelic lifestyle in Ireland As she probes the appeal of an island fisherman's century old life story to readers in several languages considering the memoir's global reception in human literary and artistic terms Nic Craith uncovers the indelible marks of Criomhthain's writing closer to home the Blasket Island Interpretive Centre which seeks to institutionalize the experience evoked by the memoir and a widespread writerly habit amongst the diasporic population of the Island Through the overlapping frames of literary analysis archival work interviews and ethnographic examination nostalgia emerges and re emerges as a central theme expressed in different ways by the young Irish state by Irish American descendants of Blasket Islanders in the US today by anthropologists and beyond

From the Great Blasket to America Michael Carney, Gerald Hayes, 2013-04-05 Mike Carney was born on the Great Blasket Island in 1920 in that unique isolated Irish speaking community Mike left in 1937 to seek a better future in Dublin and eventually settled in Springfield Massachusetts with other former islanders The death on the island of his younger brother set off a chain of events that led to its evacuation in which Mike played a pivotal role This is the story of his life and his efforts to promote Irish culture in America to preserve the memory of The Great Blasket to respect roots left behind and to set down roots in a new land Written as Mike approached the age of 93 this memoir is probably the last of a long line of books written by Blasket Islanders Similar to *An Irish Navvy* the *Diary of an Exile* and *The Hard Road to Klondike*

[The Last Blasket King](#) Gerald Hayes, Eliza Kane, 2015-04-20 The last King of the Great Blasket Island was Pdraig Cathín known as Peats Mhic who served for quarter of a century until his death in 1929 The King helped the islanders navigate through life and through national as well as international events such as the 1916 Rising and the Great War This book tells how he came to be King of the Great Blasket Island and how his personality and integrity shaped the role This is the first account of the King's extraordinary life written in collaboration with his descendants in the USA and Ireland It tells the story of this unique man his many contributions to the island and his extended legacy Also available *From the Great Blasket to America* by Michael Carney and *The Loneliest Boy in the World* by Gearóid Cheaist Cathín

Celtic Literatures in the Twentieth Century Сборник статей, 2015-09-09 The Centre for Irish and Celtic Studies at the University of Ulster hosted at Coleraine

between the 24th and 26th August 2000 a very successful and informative conference on Celtic Literatures in the Twentieth Century The lectures and the discussions were of a high standard and it was the intention of the organisers to edit and publish the proceedings as soon as possible thereafter Unfortunately due to difficulties in assembling some of the papers this was not possible and consequently publication has been delayed much longer than was originally anticipated Despite this delay we feel that those papers which we have received merit publication at this time not only because of their intrinsic merits but also because they represent the views of the authors on their respective topics at the turn of the twenty first century and will hopefully be of value to those interested in the state of the modern Celtic literatures **Coastal**

Environments in the West of Ireland John B.
