The Blue Bear:

The Blue Bear Lynn Schooler, 2003-05-06 With a body twisted by adolescent scoliosis and memories of the brutal death of a woman he loved Lynn Schooler kept the world at arm's length drifting through the wilds of Alaska as a commercial fisherman outdoorsman and wilderness guide In 1990 Schooler met Japanese photographer Michio Hoshino and began a profound friendship cemented by a shared love of adventure and a passionate quest to find the elusive glacier bear an exceedingly rare creature seldom seen and shrouded in legend But only after Hoshino's tragic death from a bear attack does Schooler succeed in photographing the animal completing a remarkable journey that ultimately brings new meaning to his life The Blue Bear is an unforgettable book Set amid the wild archipelagoes deep glittering fjords and dense primordial forests of Alaska's Glacier Coast it is rich with the lyric sensibility and stunning prose of such nature classics as Barry Lopez's Arctic Dreams and Peter Matthiessen's The Snow Leopard

The Blue Bear Walter Logan, 2007-12-01 Come along on a journey with Blue Bear who feels sad lonesome and angry after Sally replaces him with a new bear Bear Two Although tattered and worn Blue Bear discovers that he is valuable and finds that he and Bear Two can become the best of friends The arrival of a new child can create not only a burden for the parents but also hardship for the older child The child feels unwanted as attention drifts to the new arrival This book gives the parents a way to discuss the new arrival in terms of where each child belongs within the family Care is taken to show that an older brother or sister can be of great help to the family

Blue Bear Zurcasor Asem, 2022-08-15 As we travel through the fictional world of Blue Bear and the adorable bear population we might reminisce of our own journey through life remember feeling the many splendors of love the learning from challenges and mistakes the healing from pain the God-given strength to face loss and sorrow the forgetting and forgiving of those who deeply hurt us Or Blue Bear might even lead us to decide to modify the map for the rest of our journey The miracle of life treasured from the moment we receive our souls breathe our first breath cry at being welcomed to the world with a cruel spank until the time when our search to discover and learn ends the same way we chose to live As puppies and kittens and cubs do we see the miracle of life in the animal world as in our world when it emerges out of a womb crawls takes baby steps swinging from side to side giggling at the first run without a fall to then become a unique member of mankind or of the animal kingdom And although we would have hurt if we fell it didn't stop us from trying to stand up and walk again realizing that falls and errors are learning moments What happens in Blue Bear's world let us see that we have a tomorrow to live for if we accept that we are exactly in the path we chose to travel accompanied or alone that we are never lonely if we believe the words of the One who promised to never leave us or forsake us to be with us to the end of time Blue Bear believes it its author believes it Welcome to Honey Sweet City bear population of six hundred
