The Blue Pool:

The Blue Pool Gary McGhee,2002-04-01 The use of lithium niobate in signal filtering in TV sets and video cassette recorders is well established and it is finding increased application in optoelectronic modulation devices in DWDM systems Much LiNbO₃ research has taken place since the original EMIS text on this subject was published in 1989 This volume brings the reader up to date for the year 2002 with data on the properties and applications as well as presenting information in an improved format

The Blue Pool Rosalyn Rikel Ramage,2016-06-02 What a surprise twelve year old Emma Mae and her ten year old brother Edward find when they stop at the very deep and dangerous Blue Pool near their home in rural West Kentucky in 1914 They encounter a beautiful rainbow colored fish that floats in the air and talks But what is even more surprising is the way in which that fish will later transport them and their younger brother William through underwater passages all the way to the ocean and up the coastline to the beautiful Campobello Island where there is a family in great need How can they identify the family and what their problems are If they find them can they supply them with the help they need And is there truly a buried treasure If so can they find it before the pirates get it And will they be able to return safely home to their family

The Blue Pool Tom Nestor,2002 With a fundamental rural earthiness reminiscent of John B Keane's *The Field* *The Blue Pool* set in the rural heartland of mid twentieth century Ireland tackles the complex issues of family and home As Hugh Dawley looks down from the stony fields

Art Deco Architecture Mike Hope, 2019-07-22 Art Deco burst upon the world for a brief but unforgettable existence during the 1920s and 1930s. It embraced new media such as the cinema and radio as well as new forms of transport and the associated buildings and above all brought a sense of luxury, fun and escapism to the world during some of the hardest times. Art Deco Architecture: The Inter War Period examines the sources and origins of the style from before the First World War. It offers an in-depth exploration of the origins, inspirations and political backdrop behind this popular style. Lavishly illustrated with images taken especially for the book, topics covered include a worldwide examination of the spread and usage of Art Deco, short biographical essays on architects and architectural practices, an in-depth examination of French architects and their output from this period, an introduction to stunning and little-known buildings from around the world and finally the importance of World Fairs and Expositions in the spread of Art Deco.
