

The Blueshirts

Mike Cronin

The Blueshirts:

The Blueshirts Maurice Manning, 1970 Historical account of the rise and fall of the blueshirt Catholic political party in Ireland from 1932 to 1934 covers political problems of the period political leadership membership aims activities connections with fascism etc Bibliography pp 251 to 254 **The Blueshirts and Irish Politics** Mike Cronin, 1997 Explores the Fascist movement in Ireland in the 1930 s and its effect on Irish politics and the government of De Valera *The Blueshirts and Irish Politics* Mike Cronin, 1997 Explores the Fascist movement in Ireland in the 1930 s and its effect on Irish politics and the government of De Valera **The Secret Army** J. Bowyer Bell, 2017-07-12 The Secret Army is the definitive work on the Irish Republican Army It is an absorbing account of a movement that has had a profound effect on the shaping of the modern Irish state The secret army in the service of the invisible Republic has had a powerful effect on Irish events over the past twenty five years These hidden corridors of power interest Bell and inspired him to spend more time with the IRA than many volunteers spend in it This book is the culmination of twenty five years of work and tens of thousands of hours of interviews Bell s unique access to the leadership of the republican movement and his contacts with all involved British politicians Irish politicians policemen arms smugglers and others committed or opposed to the IRA explain why The Secret Army is the book on the subject This edition represents a complete revision and includes vast quantities of new information Bell s book gives us vital insight into our times as well as Irish history This edition of The Secret Army contains six new chapters that bring the history of this clandestine organization up to date They are The First Decade The Nature of the Long War 1979 1980 Unconventional Conflict The Hunger Strikes January 1980 October 3 1981 The Protracted Struggle September 1981 January 1984 War Politics and the Split January 1984 December 1986 The Troubles as Institution 1987 1990 and The Armed Struggle Transformed 1991 1996 The End Game In his new introduction Bell reflects on his decades of research the experiences he has had and the people he has met during his extensive visits to Ireland [The Irish Experience Since 1800: A Concise History](#) Thomas E. Hachey, Lawrence J. McCaffrey, 2015-01-28 This rich and readable history of modern Ireland covers the political social economic intellectual and cultural dimensions of the country s development from the origins of the Irish Question to the present day In this edition a new introductory chapter covers the period prior to Union and a new concluding chapter takes Ireland into the twenty first century All material has as been substantially revised and updated to reflect more recent scholarship as well as developments during the eventful years since the previous edition The text is richly supplemented with maps photographs and an extensive bibliography There is no comparable brief multidimensional history of modern Ireland *Opposing Fascism* Tim Kirk, Anthony McElligott, 1999-03-04 This innovative volume draws together a series of perspectives on the everyday experience of Europeans in the age of fascism The contributions go beyond the conventional stereotypes of organized resistance to examine the tensions and ambiguities within the communities both national and local that opposed fascism The authors show that under the pressures of civil conflict occupation and even

everyday life motives were rarely as pure and political alignments seldom as straightforward as our reassuring collective memories of fascism and war have led us to believe The combination of original research and engagement with relevant debates makes this collection invaluable both for researchers in the social and political history of World War II and for students of modern European history

Burn Them Out! Pádraig Óg Ó Ruairc, 2025-04-10 In November 2023 the Dublin riots shocked Ireland and the wider world Sparked by an immigrant's knife attack on three children inflammatory online rumours spread in minutes Parts of the city were wrecked cars and buses torched In 2024 a proposed site for refugees in North Dublin was blockaded for months and subjected to repeated arson attacks and many other sites were burnt out Until very recently Ireland had prided itself on escaping the wave of far right xenophobic populism rampant throughout Europe That complacency has been rudely challenged In *Burn Them Out* Pádraig Ó Ruairc explores the long history that led to this moment He uncovers the pervasive anti-Semitism of the Irish political elite in the 1920s and 30s the energetic efforts of Oswald Mosley and other British fascists to extend their movement to the North of Ireland the IRA's alliance with Nazi Germany in the 1940s and the many ultra-Catholic anti-communist Irish movements that flirted with fascism The openly fascist Irish movement known as the Blueshirts an integral part of the early Fine Gael party is looked at with fresh eyes and its supporters' statements about Jews now make for hair-raising reading Many of its proponents went on to become pillars of the Irish political and cultural establishment Ruairc also investigates carefully the recent history of the far right in Ireland its equivocal relationship with arson and other violence and its chequered electoral history This is an essential book about an aspect of Irish history all too often swept under the carpet

Clerical Fascism in Interwar Europe Matthew Feldman, Marius Turda, Tudor Georgescu, 2013-10-31 This edited volume arose from an international workshop convened in 2006 by Feldman and Turda with Tudor Georgescu supported by Routledge and the universities of Oxford Brookes Northampton and CEU Budapest As the field of fascist studies continues to integrate more fully into pan-European studies of the twentieth century and given the increasing importance of secular political religion as a taxonomic tool for understanding such revolutionary movements this collection of essays considers the intersection between institutional Christian faiths theology and congregations on the one hand and fascist ideology on the other In light of recent debates concerning the intersecting secularisation of religion and usually Christian-based the sacralisation of politics *Clerical Fascism in Interwar Europe* approaches such conundrums from an alternative perspective How in Europe between the wars did Christian clergy laity and institutions respond to the rise of national fascist movements In doing so this volume provides case studies from the vast majority of European countries with analyses that are both original in intent and comprehensive in scope In dealing with the relationship of various interwar fascist movements and their respective national religious institutions this edited collection promises to significantly contribute to relevant academic historiographies and as such will appeal to a wide readership This book was previously published as a special issue of *Totalitarian Movements and Political Religions*

Policing Shanghai, 1927-1937 Frederic Wakeman Jr., 1995-02-17 Prewar Shanghai casinos brothels Green Gang racketeers narcotics syndicates gun runners underground Communist assassins Comintern secret agents Frederic Wakeman's masterful study of the most colorful and corrupt city in the world at the time provides a panoramic view of the confrontation and collaboration between the Nationalist secret police and the Shanghai underworld In detailing the life and politics of China's largest urban center during the Guomindang era Wakeman covers an array of topics the puritanical social controls implemented by the police the regional differences that surfaced among Shanghai's Chinese the influence of imperialism and Western trained officials Parts of this book read like a spy novel with secret police torture assassination and power struggles among the French International Settlement and Japanese consular police within Shanghai Chiang Kai shek wanted to prove that the Chinese could rule Shanghai and the country by themselves rather than be exploited and dominated by foreign powers His efforts to reclaim the crime ridden city failed partly because of the outbreak of war with Japan in 1937 but also because the Nationalist police force was itself corrupted by the city Wakeman's exhaustively researched study is a major contribution to the study of the Nationalist regime and to modern Chinese urban history It also shows that twentieth century China has not been characterized by discontinuity because autocratic government whether Nationalist or Communist has prevailed

Party Politics in a New Democracy Mel Farrell, 2017-11-16 This book offers a timely and fresh historical perspective on the politics of independent Ireland Interwar Ireland's politics have been caricatured as an anomaly with the distinction between Fianna Fáil and Fine Gael bewildering political commentators and scholars alike It is common for Ireland's politics to be presented as an anomaly that compare unfavourably to the neat left right cleavages evident in Britain and much of Europe By offering an historical re appraisal of the Irish Free State's politics anchored in the wider context of inter war Europe Mel Farrell argues that the Irish party system is not unique in having two dominant parties capable of adapting to changing circumstances and suggests that this has been a key strength of Irish democracy Moreover the book challenges the tired cliché of Civil War Politics by demonstrating that events subsequent to Civil War led the Fine Gael Fianna Fáil cleavage dominant in the twentieth century

Eoin O'Duffy Fearghal McGarry, 2005-09-22 Eoin O Duffy was one of the most controversial figures of modern Irish history A guerrilla leader and protégé of Michael Collins he rose rapidly through the ranks of the republican movement By 1922 he was chief of staff of the IRA a member of the Irish Republican Brotherhood's Supreme Council and a Sinn Féin deputy in Dáil Éireann As chief of police O Duffy was the strongest defender of the Irish Free State only to become after his emergence as leader of the Blueshirt movement in 1933 the greatest threat to its survival Increasingly drawn to international fascism he founded Ireland's first fascist party and led an Irish Brigade to fight under General Franco in the Spanish Civil War He died in wartime Dublin a Nazi collaborator and a broken man This study the first ever biography of Eoin O Duffy draws on unpublished archival and personal papers to trace his journey from revolutionary republicanism to fascism It examines the importance of cultural forces including the legacy of the Irish Ireland movement

Catholicism anti communism and O Duffy s ideas on sports morality and masculinity to explain his descent into extremism McGarry peels away the public persona to reveal a complex picture of the motives which drove this extraordinary career A crusading moralist and advocate of teetotalism obsessed with the need to counter public immorality who was at the same time a closet homosexual and alcoholic O Duffy s remarkable life was characterised by self aggrandisement fantasy and contradiction This fascinating biography explores themes as diverse as cultural nationalism violence sectarianism militarism and masculinity to shed new light on Irish republicanism and the politics of interwar European fascist movements It is essential reading for anyone seeking to understand the complexities of culture politics and society in interwar Ireland

Official Voices: Poets and the Irish State Karl O'Hanlon, 2025-03-21 Official Voices Poets and the Irish State examines the poet politicians and bureaucrats who shaped the twenty six county Irish state from its pre history in the revolutionary period through its foundation in 1922 and complicated modernisation in the 1960s to the outbreak of the Troubles Poet officials juggled writing the state and navigating the force field between poetry and politics with poetic form registering the aftershocks of this collusive antagonism Combining political history cultural history and literary criticism the book grapples with major issues in the state s history revolution state violence insurgency against the state patriarchy partition modernisation as well as socialist and feminist alternatives to conservative nationalism Poets examined in the book include W B Yeats Ezra Pound Desmond Fitzgerald Denis Devlin Joseph Campbell Valentin Iremonger Eithne Strong M ire Mhac an tSaoi and Thomas Kinsella It draws on new archival work in state archives and literary collections and situates the Irish state and Irish poetry within a transnational frame Taking up the relationship of poetry to politics and poet officials to state governance it tackles a perennial question what did poetry make happen and not happen in the twenty six counties This book is about acknowledged legislators poetry s formal vigilance and how poets apprehended consciously and unconsciously the recalcitrant workings of power

Defending Ireland Eunan O'Halpin, 1999-07-22 This fascinating and original book is the first to analyse the evolution of internal security policy and external defence policy in Ireland from independence to the present day Professor O Halpin examines the very limited concept of external defence understood by the first generation of Irish leaders going on to chart the state s repeated struggles with the IRA and with other perceived internal and external threats to stability He explores the state s defence and security relations with Britain and the United States and drawing extensively on newly released records he deals authoritatively with problems of subversion espionage counterintelligence and codebreaking during the Second World War In conclusion the book analyses significant post Second World War developments including anti communist co operation with Western powers the emergence of UN service as a key element of Irish foreign and defence policy the state s response to the Northern Ireland crisis since 1969 and Ireland s difficulties in addressing the collective security dilemmas facing the European Union in the post Cold War era It is essential reading for anyone wishing to understand the development of independent Ireland since 1922

Militant Anti-Fascism M.

Testa,2015-04-27 Fascism is not a thing of the past and in this era of crisis and austerity it is growing even stronger The fight against it must be aggressive and unrelenting Using a mixture of orthodox history and eyewitness accounts M Testa makes the case for a resolutely militant anti fascism taking us from proto fascists in nineteenth century Austria to modern day street fights in London Provocative unapologetic and based on extensive research M Testa undercover anti fascist blogger has analyzed the changing fortunes of the British far right since 2009 He has written for the anarchist magazine Freedom and is a member of the Anti Fascist Network

Intellectuals and the Ideological Hijacking of Fine Gael, 1932-1938 Eugene Broderick,2010-01-08 This book covers a unique yet virtually ignored episode in Irish history the efforts by intellectuals to influence and shape in a radical way the policies and direction of a major political party Between 1932 and 1934 Michael Tierney and James Hogan both university academics exploited the opportunity offered by the formation of the Blueshirts and Fine Gael to promote their views for an alternative social economic and political order This order was inspired by Catholic social teachings in particular those enunciated by Pope Pius XI in his encyclical Quadragesimo Anno issued in 1931 In it the pontiff had advocated a social system which sought to reconcile the conflicting interests of capital and labour by essentially giving representation to the various economic interests in society by organising them according to their vocational groupings With ideas rooted in contemporary Catholic social and political philosophy especially Catholic corporatism or vocationalism Tierney and Hogan intended that Fine Gael become the vehicle for the promotion of their ideas In effect they virtually hijacked the objectives of the party Under their influence and that of others including Eoin O Duffy and Ernest Blythe Fine Gael adopted corporate principles and began the process of formulating policies to give practical expression to them Among those the party produced was a detailed labour policy The advocates of corporatism though always a tiny minority within the party enjoyed a disproportionate influence They contributed however to divisions within Fine Gael during a turbulent period in Irish politics Moreover the party s opponents in Fianna Fail and the labour movement successfully characterised it as advocating fascism Their ultimate failure has obscured the significance of the achievement of Hogan Tierney and their allies They transformed Fine Gael into a political party with a radical and distinct ideological programme and succeeded in giving Irish politics for a brief period in the 1930s a new dimension and vibrancy

General Eoin O'Duffy Jack Traynor,2024-01-08 Most of the prominent figures from Ireland s revolutionary generation have been endlessly profiled and commemorated but the controversial General Eoin O Duffy remains a pariah Despite reaching the heights of leadership in the republican movement during the Irish revolutionary period and subsequently becoming a key state builder in early independent Ireland as head of the national police force O Duffy s legacy retains a whiff of sulphur It has been tarnished by his controversial political career in the 1930s including his leadership of the fascistic Blueshirts and his pro Franco involvement in the Spanish Civil War Using a blend of well charted and previously overlooked or unavailable material this book examines the tumultuous periods of Ireland s struggle for independence and the early Irish Free State It foregrounds O

Duffy's place within pro treaty Irish nationalism A militarist and supporter of Michael Collins he became a safe pair of hands relied upon to rescue the pro treaty regime during crises The book offers new interpretations on his involvement with international fascism and provides a much needed nuance on the prevalence of crypto fascist outlooks in the 1930s It seeks to blow away the cobwebs of mythology and recalibrate our understanding of this most controversial Irishman [Irish Freedom](#) Richard English,2008-09-04 Richard English's brilliant new book now available in paperback is a compelling narrative history of Irish nationalism in which events are not merely recounted but analysed Full of rich detail drawn from years of original research and also from the extensive specialist literature on the subject it offers explanations of why Irish nationalists have believed and acted as they have why their ideas and strategies have changed over time and what effect Irish nationalism has had in shaping modern Ireland It takes us from the Ulster Plantation to Home Rule from the Famine of 1847 to the Hunger Strikes of the 1970s from Parnell to Pearse from Wolfe Tone to Gerry Adams from the bitter struggle of the Civil War to the uneasy peace of the early twenty first century Is it imaginable that Ireland might as some have suggested be about to enter a post nationalist period Or will Irish nationalism remain a defining force on the island in future years a courageous and successful attempt to synthesise the entire story between two covers for the neophyte and for the exhausted specialist alike Tom Garvin Irish Times [Seán MacBride](#) Caoimhe Nic Dháibhéid,2011 One of Ireland's most abidingly controversial political figures Seán MacBride 1904-88 was a youthful participant in the Irish Revolution and an active member of the Irish Republican Army rising through the ranks to occupy a leadership position for fifteen years Seán MacBride is the first book to focus exclusively on MacBride's republican activities on which his controversial reputation in Irish and British political circles rests With extensive use of recently released archival material including Department of Justice records and Bureau of Military History witness statements this book combines a biographical focus with wider assessments of the important themes including the persistence of republican opposition to the state after the Civil War and Ireland's ambiguous experience of World War II **Welcome to Hell** Colin Martin,2015-01-08 Written from his cell and smuggled out page by page Colin Martin's autobiography chronicles an innocent man's struggle to survive inside one of the world's most dangerous prisons After being swindled out of a fortune Colin was let down by the hopelessly corrupt Thai police Forced to rely upon his own resources he tracked down the man who conned him and drawn into a fight he accidentally killed that man's bodyguard Colin was arrested denied a fair trial convicted of murder and thrown into prison where he remained for 8 years Honest and often disturbing but told with a surprising humour Welcome to Hell is the remarkable story of how Colin was denied justice again and again **The Same Age as the State** Máire Cruise O'Brien,2012-11-15 Máire Cruise O'Brien explores the republican and revolutionary connections of her family as she was growing up the fallout of the Civil War and life in the Irish speaking districts of Ireland almost a century ago Máire spent two years studying in post war Paris where she met Beckett and Sylvia Beech among others She became the first ever Irish woman diplomat a role which took her to Spain in the time of

Franco the General Assembly of the U N the Council of Europe in Strasbourg After her marriage to Conor Cruise O'Brien she accompanied him to various countries including wartime Congo when Conor was U N representative Ghana where he was Chancellor of the new university and the U S when he lectured in New York University This is the autobiography of a unique woman spanning most of the 20th century It is filled with famous people including revolutionaries writers statesmen and many more A compelling insight into a time of great upheaval in Ireland Europe and Africa

When somebody should go to the books stores, search creation by shop, shelf by shelf, it is in reality problematic. This is why we provide the ebook compilations in this website. It will completely ease you to see guide **The Blueshirts** as you such as.

The Blueshirts Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Blueshirts free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Blueshirts free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Blueshirts free PDF files is convenient, its important to note that copyright laws must

be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Blueshirts. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Blueshirts Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Blueshirts is one of the best books in our library for free trial. We provide a copy of The Blueshirts in digital format, so the resources that you find are reliable. There are also many eBooks related to The Blueshirts. Where to download The Blueshirts online for free? Are you looking for The Blueshirts PDF? This is definitely going to save you time and cash in something you should think about.
