How CAPTAIN TOWSE
(GORDON HIGHLANDERS)
won his Victoria Cross

The Boer War In Postcards

Richard Danes

The Boer War In Postcards:

The Boer War in Postcards Ian McDonald, 1991 *British Postcards of the First World War* Peter Doyle, 2011-11-20

Postcards sent by men on the front and to them by their families are among the most numerous and most telling surviving artefacts of the Great War. They tell us much about attitudes towards the war and provide a great insight into men's lives and into the thoughts and emotions of those left behind. Very different in their illustration and in their writing between the beginning of the war and the end, postcards provide a social history of the war in microcosm. Illustrated with a wide range of postcards, this is a fascinating look into the response of the British people to the horrors of the war. **25 postcards**

relating to the Transvaal and the Boer War, 1900 *First World War The Postcard Collection* Nigel Sadler, 2014-10-15. A fascinating selection of postcards encapsulates the war to end all wars. **The Dictionary of Picture Postcards in**

Britain, 1894-1939 A. W. Coysh, Arthur Wilfred Coysh, 1996. Full of relevant information, this book covers the whole field of picture postcard production in Britain. It is an indispensable reference to a vast amount of collectable pictorial material.

My Propaganda and Satirical Postcards of the Anglo-Boer War 1899-1902 John Cowlin, 2014 **Rereading Modernist Postcards** Bradley D. Clissold, 2023-08-31. Informed by both new and old media theory, materialist approaches to the study of everyday objects and a series of close readings that chart the critical history of postcard use in the fiction and correspondence of Ernest Hemingway, Ring Lardner, James Joyce and Wilfred Owen, this book locates and attempts to rediscover lost, misplaced and neglected postcard materialities as they relate to the archiving, editing, publishing and fictional repurposing of postcards across Anglo-American Literary Modernism, 1880-1939. It argues that postcards need to be recognized as important early twentieth-century communication technologies and distinctly modernist textualities composed of multimedia recto-verso intertextualities. Moreover, their material limitations encourage users to inscribe messages often in fragmented language forms and innovative cultural shorthands, a postcardese. This study redresses the ongoing widespread scholarly neglect of signifying postcard materialities in modernist studies and the editorial silencing of postcard features in collections of published author correspondence. It also stresses that for these four literary figures of modernism, the material choice of a postcard for communicating is always as much the meta-message as any of the signifying materialities they carry uploaded onto their platforming surfaces. **A Postcard History of the Passenger Liner**

Christopher Deakes, 2023-10-01. From around 1880 for almost a hundred years, shipowners commissioned a wealth of paintings that depicted their magnificent liners as well as the routes they travelled, their exotic destinations and life onboard. These paintings, rich in imagination and atmosphere, appeared on postcards and posters of the day and were used to advertise the companies and their ships, and so was born a whole genre that produced tens of thousands of paintings which formed a wonderful record of the great era of the passenger liner. In 1900, there were over thirty shipping companies operating passenger liners across the North Atlantic. Other oceans were similarly served. But now, with just a few exceptions, the

companies and their liners have disappeared along with the art they once inspired Little remains to recall this aspect of our maritime past except the postcards and they tell an evocative story of the vanished world of elegant ships and leisurely travel of social and political times much changed by the history of the past century Here brought vividly to life in more than 500 colourful postcards are the ships on which so many of our predecessors sailed as emigrants soldiers administrators or simply as tourists in days long past These cards which are now highly collectable show how steamships developed over the years but they are also a fine tribute to the artists who painted them This volume also includes a glossary of some 170 illustrators which forms an important reference section and advice on collecting

The Postcard's Radical Openness Mariluz

Restrepo,2024-04-05 The Postcard s Radical Openness offers a groundbreaking exploration of what this multifaceted double sided open card entails and how it has affected our being in the world With a holistic approach it focuses on studying the postcard s specific way of being and performing a particular ontology that opens up what is constitutively implicated in such an apparently trivial artifact The book organized into four parts meticulously unveils the postcard s political technological aesthetic and ethical dimensions ending with a coda correlating the postcard s radical openness to G Klimt s painting Nuda Veritas 1899 in reference to the scope of truth By examining the postcard s complex worldwide history its socio cultural significance and its global effect the book reveals hidden stories shedding light on its impact on photography printing marketing trade and business practices and exposes the aesthetic communicative and ethical qualities that lie behind the enormous success of postcards at the turn of the 20th century This comprehensive study is positioned as a thought provoking invitation to scholars and students interested in material culture media studies and human interactions as well as to history enthusiasts art lovers and postcard collectors Offering a distinctive contribution the book not only fills a void in the literature but also encourages readers to question and reflect on the transformative power inherent in the postcard s radical openness presenting a novel and unparalleled analysis of this seemingly trivial yet culturally significant object

York The Postcard

Collection Paul Chrystal,2017-03-15 Beautiful postcards capturing old York in all its glory *Propaganda Postcards of World War II* Ron Menchine,2000 Here s World War II as it has never been seen before The propaganda of the war years reflects the mood of the nations involved The stories behind propaganda postcards are fascinating bits of history often overlooked in textbooks These are the real thing showing how the Axis and Allies demonized their enemies and glorified their heroes More than 300 postcards from over 20 nations and Menchine s incisive commentary provide a provocative glimpse into the emotional climate of the peoples affected by the war whether they were on the battlefield or on the production line

Open Letters

Alison Rowley,2013-12-11 During the fin de si cle and early revolutionary eras picture postcards were an important medium of communication for Russians of all backgrounds In Open Letters the most comprehensive study of Russian picture

postcards to date Alison Rowley uses this medium to explore a variety of aspects of Russian popular culture The book is lavishly illustrated with more than 130 images most of which have never been published before Through her examinations of postcards Rowley addresses a diverse range of topics how landscape postcards conveyed notions of imperialism the role of postcards in the rise of celebrity culture depictions of the body on erotic and pornographic postcards how postcards were employed to promote differing interpretations of the First World War and the use of postcards by revolutionary groups seeking to overthrow the Tsarist government Rowley determines the extent to which Russia was embedded in Europe wide cultural trends by situating the Russian case within a larger European context **Imperialism Primary Sources History**

Kit Teacher Created Material (TCM),2013 Images of War and War of Images Karine Hildenbrand,Gérard Hugues,2009-03-26 Contributors to this volume address the issue of the representation of warfare in an attempt to assess the veracity or mendacity of war images and their probable impact upon the sequence of events War images may trigger unfathomable horror or conversely and paradoxically attain sublimity The margin is sometimes narrow between ethics and aesthetics let alone the almost irrepressible shift from information to propaganda **Sartorial Japonisme and the Experience of Kimonos in Britain, 1865-1914** Arisa Yamaguchi,2023-10-13 Using interdisciplinary research and critical analysis this book examines experiences through or with kimonos in Britain during the late Victorian and Edwardian periods Bringing new perspectives to challenge the existing model of Japonisme in fashion and introducing overlooked contacts between kimonos and people this book explores not only fine arts and department stores but also a variety of theatres and cheap postcards Putting a particular focus on the responses and reactions elicited by kimonos in visual textual and material forms this book initiates an entirely new discussion on the British adoption of Japanese kimonos beyond the monolithic view of the relationship between the East and West This book will be of interest to scholars working in fashion studies British studies Japanese studies design history and art history Cassell's history of the Boer war, 1899-1901 Richard Danes,1903

The Edwardian Picture Postcard as a Communications Revolution Julia Gillen,2023-07-13 This monograph offers a novel investigation of the Edwardian picture postcard as an innovative form of multimodal communication revealing much about the creativity concerns and lives of those who used postcards as an almost instantaneous form of communication In the early twentieth century the picture postcard was a revolutionary way of combining short messages with an image making use of technologies in a way impossible in the decades since until the advent of the digital revolution This book offers original insights into the historical and social context in which the Edwardian picture postcard emerged and became a craze It also expands the field of Literacy Studies by illustrating the combined use of posthuman multimodal historic and linguistic methodologies to conduct an in depth analysis of the communicative sociolinguistic and relational functions of the postcard Particular attention is paid to how study of the picture postcard can reveal details of the lives and literacy practices of often overlooked sectors of the population such as working class women The Edwardian era in the United Kingdom was one of

extreme inequalities and rapid social change and picture postcards embodied the dynamism of the times Grounded in an analysis of a unique open access digitized collection of 3 000 picture postcards this monograph will be of interest to researchers and postgraduate students in the fields of Literacy Studies sociolinguistics history of communications and UK social history

This book delves into The Boer War In Postcards. The Boer War In Postcards is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Boer War In Postcards, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Boer War In Postcards
 - Chapter 2: Essential Elements of The Boer War In Postcards
 - Chapter 3: The Boer War In Postcards in Everyday Life
 - Chapter 4: The Boer War In Postcards in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of The Boer War In Postcards. The first chapter will explore what The Boer War In Postcards is, why The Boer War In Postcards is vital, and how to effectively learn about The Boer War In Postcards.
3. In chapter 2, this book will delve into the foundational concepts of The Boer War In Postcards. The second chapter will elucidate the essential principles that must be understood to grasp The Boer War In Postcards in its entirety.
4. In chapter 3, the author will examine the practical applications of The Boer War In Postcards in daily life. This chapter will showcase real-world examples of how The Boer War In Postcards can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of The Boer War In Postcards in specific contexts. This chapter will explore how The Boer War In Postcards is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Boer War In Postcards. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The Boer War In Postcards.
