The Bolsheviks And The Chinese Revolution 1919 1927 Chinese Worlds:

The Bolsheviks and the Chinese Revolution 1919-1927 Alexander Pantsov, 2013-10-23 Based mainly on unknown Russian archival sources which have previously been unobtainable this book analyses the Bolshevik concepts of the Chinese revolution and their reception in China Issues include the role of the three Bolshevik leaders Lenin Stalin and Trotsky in trying to lead the Chinese Communists to victory the real nature of the Trotsky Stalin split in the Comintern and a dramatic history of the Chinese Oppositionist movement in Soviet Russia *The Bolsheviks and the Chinese Revolution, 1919-1927* Alexander Pantsov, 2000-02-01 The opening of former secret Soviet archives has broadened the documentary base for a new study of Bolshevik policy in China on the eve of and during the revolution of 1925 1927 The aim of this work is to incorporate these new documents into a scholarly study and on that basis to explore the essence of the Russian Bolsheviks main concepts concerning the Chinese revolution The work was designed to determine the influence of these concepts exerted on the Chinese Communist Party CCP through an analysis of the way various adherents of the Chinese Communist movement perceived them The primary sources used in this book include previously unpublished archival material on the Comintern the All Union Communist Party Bolshevik and the CCP reflecting the theories and political practice of Leninism Trotskyism and Stalinism and of the Russian and Chinese Left Oppositions works by Lenin Stalin Trotsky and other leaders of the Executive Committee of the Communist International and the CCP published in East Asia Europe and the U S Comintern journals and bulletins private interviews carried out by the author with participants and eyewitnesses of the events treated in the book and memoirs of various Chinese revolutionaries **Intellectuals in Revolutionary China, 1921-1949** Hung-yok Ip, 2004-11-23 This book originally examines how prominent communist intellectuals in China during the revolutionary period 1921 to 1940 constructed and presented identities for themselves and how they narrated their place in the revolution

Documentary, World History, and National Power in the PRC Gotelind Mueller, 2013-10-30 Documentaries have recently become a favourite format for Chinese state directed media to present an officially sanctioned view of history Indeed this is not confined to Chinese national history In stark contrast to the earlier self centred preoccupation with Chinese history there has been an upsurge in interest in foreign history with a view to illuminating China s role not only in world history but also on the global stage today and in the future This book examines three recent Chinese documentary television series which present the officially sanctioned view of the rise of the modern West the reasons for the end of the Soviet Union and the legitimisation of the present day Chinese government via a specific reading of modern Chinese history to argue for a Chinese rise in the future With a focus on these documentaries Gotelind M ller discusses how history is presented on screen and explores the function of visual history for memory culture and wider society Further this book reveals how the presentation of Chinese and foreign history in a global framework impacts on the officially transmitted views on Self and Other and thus provides a keen insight into how the Chinese themselves regard their global rise Documentary World History

and National Power in the PRC will be welcomed by students and scholars working across a number of fields including Chinese studies East Asian studies media studies television studies history and memory studies *The Chinese Revolution in the 1920s* Roland Felber,A.M. Grigoriev,Mechthild Leutner,M.L. Titarenko,2013-10-11 Uses previously unavailable archive material Presents perspectives on the Chinese revolution from independent outlooks Chinese Russian European and US Covers a crucial period in Chinese modern history **The Cambridge History of Communism: Volume 1, World Revolution and Socialism in One Country 1917-1941** Silvio Pons,Stephen A. Smith,2017-09-21 The first volume of The Cambridge History of Communism deals with the tumultuous events from 1917 to the Second World War such as the Russian Revolution and Civil War the revolutionary turmoil in post World War I Europe and the Spanish Civil War Leading experts analyse the ideological roots of communism historical personalities such as Lenin Stalin and Trotsky and the development of the Communist movement on a world scale against this backdrop of conflict that defined the period It addresses the making of Soviet institutions economy and society while also looking at mass violence and relations between the state workers and peasants It introduces crucial communist experiences in Germany China and Central Asia At the same time it also explores international and transnational communist practices concerning key issues such as gender subjectivity generations intellectuals nationalism and the cult of personality *The Cambridge History of Communism: Volume 2, The Socialist Camp and World Power 1941-1960s* Norman Naimark,Silvio Pons,Sophie Quinn-Judge,2017-09-21 The second volume of The Cambridge History of Communism explores the rise of Communist states and movements after World War II Leading experts analyze archival sources from formerly Communist states to re examine the limits to Moscow s control of its satellites the de Stalinization of 1956 Communist reform movements the rise and fall of the Sino Soviet alliance the growth of Communism in Asia Africa and Latin America and the effects of the Sino Soviet split on world Communism Chapters explore the cultures of Communism in the United States Western Europe and China and the conflicts engendered by nationalism and the continued need for support from Moscow With the danger of a new Cold War developing between former and current Communist states and the West this account of the roots development and dissolution of the socialist bloc is essential reading **Heretics in Revolutionary China** Xuduo Zhao,2023-05-08 In this book Xuduo Zhao revisits the early twentieth century Chinese revolution by focusing on two forgotten Cantonese socialists Chen Gongbo and Tan Pingshan By analyzing a host of previously untapped primary sources Zhao discovers a social democratic approach within the newly founded Chinese Communist Party and argues that its decline marked a key moment in the Chinese communist movement The study of these two figures and the ebbs and flows of their lives reflects and reveals the fundamental tensions in the Chinese revolution which have shaped China s political trajectory to contemporary times and the broader political social and cultural landscapes of Republican China **The Literary Field of Twentieth Century China** Michel Hockx,2019-05-08 At least since the late nineteenth century onwards Chinese literature as a form of cultural production has been taking place within a specific social

space including writers critics journalists editors publishers printers and booksellers Focusing on people as well as on texts and looking at what writers did as well as at what they wrote the essays in this volume draw a vivid and variegated picture of Chinese literary life throughout the modern period The book treats differences between periods but also traces the continuities that have characterised modern Chinese literary practice and its discourses from the beginning to the present including ties of allegiance utilisation of the people and appropriation of the west The book places modern Chinese literature firmly within its socio historical context thereby increasing the reader s awareness of the hidden assumptions behind literary production In doing so it opens new perspectives on Chinese culture as a whole and on literature as a cosmopolitan concept

Chinese Identities, Ethnicity and Cosmopolitanism Kwok-bun Chan, 2005-12-05 Drawing upon wide ranging case study material the book explores the ever changing personal and cultural identity of Chinese migrants and the diverse cosmopolitan communities they create The various models of newly forged communities are examined with the added dimension of personal identity and the individual s place in society With particular emphasis on the changing face of Chinese ethnicity in a range of established places of convergence Chan draws on extensive experience and knowledge in the field to bring the reader a fresh fascinating and ultimately very human analysis of migration culture identity and the self Birth Control in China 1949-2000 Thomas Scharping, 2013-07-04 This comprehensive volume analyses Chinese birth policies and population developments from the founding of the People s Republic to the 2000 census The main emphasis is on China s Hardship Number One Under Heaven the highly controversial one child campaign and the violent clash between family strategies and government policies it entails Birth Control in China 1949 2000 documents an agonizing search for a way out of predicament and a protracted inner Party struggle a massive effort for social engineering and grinding problems of implementation It reveals how birth control in China is shaped by political economic and social interests bureaucratic structures and financial concerns Based on own interviews and a wealth of new statistics surveys and documents Thomas Scharping also analyses how the demographics of China have changed due to birth control policies and what the future is likely to hold This book will be of interest to students and scholars of Modern China Asian studies and the social sciences

The Politics of Rural Reform in China Christian Göbel, 2010-06-10 Based on a treasure trove of information collected through fieldwork interviews and painstaking documentary research through the Chinese and Western language presses this book analyzes one of the most important reforms implemented in China over the past decade the rural tax and fee reform also known as the Third Revolution in the Countryside The aim of the tax was to improve social stability in rural China which has become increasingly shaken by peasant protests many of them large scale and violent By examining the gap between the intentions of the reform and the eventual outcomes Göbel provides new insights into the nature of intergovernmental relations in China and highlights the ways in which the relationship between the state and the rural populace has fundamentally changed forever The Politics of Rural Reform in China will appeal to students and scholars of Chinese politics

governance and development studies *Chinas Unlimited* Gregory B. Lee, 2021-10-14 A socio cultural study of the historical representation of China and Chineseness over the past hundred years or so much of this book discusses the Orientalizing and crude racist ideologies that have formed the foundations of the way people in the west both popularly and scientifically have imagined China **Friend of China - The Myth of Rewi Alley** Anne-Marie Brady, 2001 This study is a radical and

controversial analysis of the life and works of Rewi Alley utilizing both Chinese materials and previously unpublished materials from western sources Rather than a biography as such it is a revisionist history *A Road Is Made* Stephen Anthony Smith, 2000-01-01 The book culminates in a detailed analysis of the three armed uprisings which led to the CCP s briefly taking power in March 1927 before being crushed by the troops of Chiang Kai shek The study highlights the extent to which the Soviet Union sought to control China s national revolution yet also reveals how divisions at every level of the Comintern allowed the CCP to achieve a degree of independence and to conduct a policy at considerable variance with that laid down by Moscow In addition to using the wealth of Chinese material that has become available since the 1980s this study is the first to make use of the Comintern materials that have become available since the collapse of the Soviet Union

Jacket *From Rebel to Ruler* Tony Saich, 2021-07-06 On the centennial of the founding of the Chinese Communist Party the definitive history of how Mao and his successors overcame incredible odds to gain and keep power Mao Zedong and the twelve other young men who founded the Chinese Communist Party in 1921 could hardly have imagined that less than thirty years later they would be rulers On its hundredth anniversary the party remains in command leading a nation primed for global dominance Tony Saich tells the authoritative comprehensive story of the Chinese Communist Party its rise to power against incredible odds its struggle to consolidate rule and overcome self inflicted disasters and its thriving amid other Communist parties collapse Saich argues that the brutal Japanese invasion in the 1930s actually helped the party As the Communists retreated into the countryside they established themselves as the populist grassroots alternative to the Nationalists gaining the support they would need to triumph in the civil war Once in power however the Communists faced the difficult task of learning how to rule Saich examines the devastating economic consequences of Mao s Great Leap Forward and the political chaos of the Cultural Revolution as well as the party s rebound under Deng Xiaoping s reforms Leninist systems are thought to be rigid yet the Chinese Communist Party has proved adaptable *From Rebel to Ruler* shows that the party owes its endurance to its flexibility But is it nimble enough to realize Xi Jinping s China Dream Challenges are multiplying as the growing middle class makes new demands on the state and the ideological retreat from communism draws the party further from its revolutionary roots The legacy of the party may be secure but its future is anything but guaranteed

The Bear Watches the Dragon Alexander Lukin, 2016-09-16 China and Russia two giants dominating the Eurasian landmass share a history of understanding and misunderstanding whose nuances are not well appreciated by outsiders In his interpretation of this relationship from the Russian point of view Alexander Lukin shows how over the course of three

centuries China has seemed alternately to threaten mystify imitate mirror and rival its northern neighbor Lukin traces not only the changing dynamics of Russian Chinese relations but the ways in which Russia's images of China more profoundly reflected Russia's self perception and its perceptions of the West as well As both Russia and China take distinctive approaches to political and economic development and integration in the twenty first century global economy this reinterpretation of their relationship is timely and valuable not only to historians but to all students of international affairs

Left Transnationalism Oleksa Drachewych, Ian McKay, 2020-01-16 In 1919 Bolshevik Russia and its followers formed the Communist International also known as the Comintern to oversee the global communist movement From the very beginning the Comintern committed itself to ending world imperialism supporting colonial liberation and promoting racial equality Coinciding with the centenary of the Comintern's founding Left Transnationalism highlights the different approaches interwar communists took in responding to these issues Bringing together leading and emerging scholars on the Communist International individual communist parties and national and colonial questions this collection moves beyond the hyperpoliticized scholarship of the Cold War era and re energizes the field Contributors focus on transnational diasporic and cultural networks comparative studies of key debates on race and anti colonialism the internationalizing impulse of the movement and the evolution of communist platforms through transnational exchange Essays further emphasize the involvement of communist and socialist parties across Canada Australia India China Japan Southeast Asia Latin America South Africa and Europe Highlighting the active discussions on nationality race and imperialism that took place in Comintern circles Left Transnationalism demonstrates that this organization as well as communism in general was especially in the years before 1935 far more heterogeneous creative and unpredictable than the rubber stamp of the Soviet Union described in conventional historiography Contributors include Michel Beaulieu Lakehead University Marc Becker Truman State University Anna Belogurova Freie Universitat Berlin Oleksa Drachewych University of Guelph Daria Dyakonova Universit de Montr al Alastair Kocho Williams Clarkson University Andr e L vesque McGill University Lars T Lih Independent Scholar Ian McKay McMaster University Sandra Pujals University of Puerto Rico John Riddell Ontario Institute of Studies in Education Evan Smith Flinders University S A Smith All Souls College Oxford Xiaofei Tu Appalachian State University and Kankan Xie Peking University

International Status Anxiety and Higher Education Anatoly V. Oleksiyenko, Qiang Zha, Igor Chirikov, Jun Li, 2024-08-01 This volume provides a critical perspective on the Soviet legacy of global competition and status anxiety in international higher education Investigating tensions generated by the traditional power instruments of coercion money and attraction the book looks into the dynamics of multi level forces that either advance progressive university policies and practices or lead to hyper centralization indoctrination and unfreedom of inquiry in higher education The volume provides insights into political sources that champion the anxiety about superpower status over the agenda of social equality fairness and freedom in universities and their communities The manuscript offers an excellent collation of studies shedding

light on the phenomenon of de Sovietization which was previously largely overlooked and underexplored in the higher education literature The book appeals to policy makers practitioners and scholars of higher education who seek to understand historical and political conditions that affect the currency of Chinese and Russian scholarship As de Sovietization of higher education may often be aspiration than reality in the two post totalitarian countries this books offers a unique thought provoking frame of analysis urging for more studies in the area as well as encouraging enhanced responsibility in creating sufficient room for freedom of critical inquiry World Literature in the Soviet Union Galin Tihanov, Anne Lounsbury, Rossen Djagalov, 2024-02-20 This is the first volume to consistently examine Soviet engagement with world literature from multiple institutional and disciplinary perspectives intellectual history literary history and theory comparative literature translation studies diaspora studies Its emphasis is on the lessons one could learn from the Soviet attention to world literature as such the present volume makes a significant contribution to current debates on world literature beyond the field of Slavic and East European Studies and foregrounds the need to think of world literature pluralistically in a manner that is not restricted by the agendas of Anglophone academe
