## The Boy Scouts:

**The History of the Boy Scouts of America** William D. Murray, 1937 *Building Character in the American Boy* David I. Macleod, 2004-09-30 Among established American institutions few have been more successful or paradoxical than the Boy Scouts of America David Macleod traces the social history of America in this scholarly account of the origins of the Boy Scouts and other character building agencies through which adults tried to restructure middle class boyhood Back in print First paperback edition [Our Frontier Is the World](#) Mischa Honeck, 2018-05-15 Mischa Honeck's *Our Frontier Is the World* is a provocative account of how the Boy Scouts echoed and enabled American global expansion in the twentieth century The Boy Scouts of America BSA has long been a standard bearer for national identity The **Annual Report of the Boy Scouts of America** Boy Scouts of America, 1947 **On My Honor** Rick Perry, 2014-12-16 In *On My Honor* Texas governor Rick Perry through the legacy of the Boy Scouts of America takes dead aim at the moral relativism of the secular humanist movement indicting its corrosive impact on the culture Examining the left's legal assaults on the Boy Scouts of America which span more than 30 years Perry offers prescient insight into this multi faceted war which pits the proponents of traditional American values against the radical leftist movement that seeks to tear down our social foundations *On My Honor* underscores the depth to which the culture warriors of the left will go to force their secular humanist minority view upon American society and revered American institutions It is a revealing look at a culture war that rages close to the surface of American life and it is a must read for any American concerned that our society is slipping from the high moral ground of liberty to the valley of license **The Boy Scouts** Charles River Charles River Editors, 2018-11-25 Includes pictures Includes online resources and a bibliography for further reading The purposes of the corporation are to promote through organization and cooperation with other agencies the ability of boys to do things for themselves and others to train them in scoutcraft and to teach them patriotism courage self reliance and kindred virtues using the methods that were in common use by boy scouts on June 15 1916 36 U S C 30902 On my honor I will do my best to do my duty to God and my country and to obey the Scout Law to help other people at all times to keep myself physically strong mentally awake and morally straight Scout Oath To most a Boy Scout is the personification of righteousness self sufficiency and adaptability In contemporary culture particularly in the West the stock images of Boy Scouts are associated with irreproachable conduct so much so that they have been inordinately branded as goodie two shoes For the most part the cliché is well intentioned and somewhat endearing For such an interpretation viewers can refer to the character Russell from the Disney Pixar movie *Up a Junior* Wilderness Explorer who embarks on a quest to secure the Assisting the Elderly badge The nervous but delightfully bubbly Scout was quick to capture the hearts of millions upon millions around the world On the other end of the same spectrum is the stereotype that reduces them to unimaginative conformists bookish narks and blind followers Many Americans have heard the phrase He is such a Boy Scout in passing perhaps said with a scoff or followed by a dramatic eyeroll The Boy Scout

trope is frequently woven into movies TV shows and other works of fiction as one dimensional characters More often than not they are polite to a fault and depicted as obsessive patch collectors the hackneyed antithesis of the rebellious protagonist While most know better it bears noting that the Boy Scouts are an entity far more well rounded and proficient than they are often given credit for in America A reported 85% of FBI agents are former Boy Scouts and NASA reported that of the two dozen men who landed on the moon 20 were former Scouts including all three members of Apollo 13 and 11 of the 12 who walked on the moon Of course this isn't to say that the organization was the sole reason behind their successes but these statistics warrant some consideration nonetheless On a similar note the Boy Scouts are surprisingly guarded when it comes to their property whether it be physical or intellectual The words Boy Scout along with Cub Scout and Scoutmaster are trademarked by the Boy Scouts of America As litigious as the organization is said to be however they have also been and continue to be the center of countless lawsuits based on various accusations These accusations range from discrimination to harrowing wrongful death cases as well as other unspeakable nauseating crimes As a result this exceptionally influential global organization has also been steeped in scandal and controversy an almost inconceivable contradiction of its outwardly pristine appearance

Ellis, 2014-05-23 As Americans we cherish the freedom to associate However with the freedom to associate comes the right to exclude those who do not share our values and goals What happens when the freedom of association collides with the equally cherished principle that every individual should be free from invidious discrimination This is precisely the question posed in *Boy Scouts of America v James Dale* a lawsuit that made its way through the courts over the course of a decade culminating in 2000 with a landmark ruling by the U S Supreme Court In *Judging the Boy Scouts of America* Richard J Ellis tells the fascinating story of the Dale case placing it in the context of legal principles and precedents Scouts policies gay rights and the culture wars in American politics The story begins with James Dale a nineteen year old Eagle Scout and assistant scoutmaster in New Jersey who came out as a gay man in the summer of 1990 The Boy Scouts citing their policy that denied membership to avowed homosexuals promptly terminated Dale s membership Homosexuality the Boy Scout leadership insisted violated the Scouts pledge to be morally straight With the aid of the Lambda Legal Defense Fund Dale sued for discrimination Ellis tracks the case from its initial filing in New Jersey through the final decision of the U S Supreme Court in favor of the Scouts In addition to examining the legal issues at stake including the effect of the Supreme Court s ruling on the law of free association Ellis also describes Dale s personal journey and its intersection with an evolving gay rights movement Throughout he seeks to understand the puzzle of why the Boy Scouts would adopt and adhere to a policy that jeopardized the organization s iconic place in American culture and finally explores how legal challenges and cultural changes contributed to the Scouts historic policy reversal in May 2013 that ended the organization s ban on gay youth though not gay adults      *The Boy Scouts on Picket Duty* Robert Shaler, 2023-07-18 *The Boy Scouts on Picket Duty* is an engaging adventure novel written by Robert Shaler In this thrilling story a group of Boy Scouts takes on the responsibility of serving on picket duty guarding a camp or area to ensure its safety The young scouts find themselves facing challenges and unexpected situations that test their skills courage and resourcefulness As they perform their picket duty the Boy Scouts learn important lessons about observation communication and maintaining vigilance They develop a keen sense of awareness honing their ability to detect potential dangers and take appropriate action Through their experiences they gain a deeper understanding of the importance of responsibility discipline and teamwork While on picket duty the scouts encounter various encounters and encounters with nature such as wildlife natural hazards and unpredictable weather conditions They must rely on their scouting knowledge survival skills and problem solving abilities to navigate these challenges and protect their camp or area *The Boy Scouts on Picket Duty* highlights the values of scouting including preparedness self reliance and service to others It emphasizes the importance of being responsible and accountable for the safety and well being of oneself and others Through their experiences on picket duty the scouts learn valuable life lessons and forge lifelong friendships
