Gupta runs the gamut of conventional and complementary approaches, including the technique known as Mobilization Exercise Analgesia Treatment, foam rolling, acupuncture, trigger point injections, and vital prehabilitation before any operation. He shares how to make sense of all those over-the-counter pills, patches, and pain products, as well as drugs advertised on television or prescribed by your doctors. He covers psychedelics, supplements, and CBD. And he highlights insights from some of the nation's leading pain scientists and specialists, plus stories of challenge and triumph over pain by those with lived experience.
