**Ian W. Shaw**

## **Smirnoff Story:**

**Powers of Persuasion** Winston Fletcher, 2008-07-10 During much of the second half of the 20th century advertising in Britain led the world Yet no history of British advertising covering this heady period has previously been published During those years advertising increasingly came to touch upon almost every aspect of every individual's life and reached its peak as a proportion of the Gross National Product It boosted economic growth and people's affluence But at the same time the advertising industry was frequently under siege as politicians pressure groups and others constantly sought to restrain its influence and often succeeded For several decades the creativity of British campaigns was preeminent around the globe But Powers of Persuasion is not just about advertisements it is about advertising During those years Britain was also a world leader in setting industry benchmarks innovating the account planning discipline setting the standard for public service advertising launching global advertising awards festivals introducing the best system of advertising regulation setting up both the world's largest advertising archive and the world's most comprehensive on line advertising research databank These were the keystones on which British creativity was built Simultaneously major British advertising companies particularly Saatchi Saatchi and WPP raced to the top of the global league Powers of Persuasion tells the authoritative story of this dynamic exhilarating era with pen portraits of the personalities involved anecdotes case histories and essential data Written from the inside by one of the industry's leaders this is a book for all interested in advertising and its role in society business and the media

**The Shaken and the Stirred** Stephen Schneider, Craig N. Owens, 2020-09-01 Over the past decade the popularity of cocktails has returned with gusto Amateur and professional mixologists alike have set about recovering not just the craft of the cocktail but also its history philosophy and culture The Shaken and the Stirred features essays written by distillers bartenders and amateur mixologists as well as scholars all examining the so called Cocktail Revival and cocktail culture Why has the cocktail returned with such force Why has the cocktail always acted as a cultural indicator of class race sexuality and politics in both the real and the fictional world Why has the cocktail revival produced a host of professional organizations blogs and conferences devoted to examining and reviving both the drinks and habits of these earlier cultures

The Craft of the Cocktail Dale DeGroff, 2010-07-14 The first real cookbook for cocktails featuring 500 recipes from the world's premier mixologist Dale DeGroff Covering the entire breadth of this rich subject The Craft of the Cocktail provides much more than merely the same old recipes it delves into history personalities and anecdotes it shows you how to set up a bar master important techniques and use tools correctly and it delivers unique concoctions many featuring DeGroff's signature use of fresh juices as well as all the classics It begins with the history of spirits how they're made but without too much boring science the development of the mixed drink and the culture it created all drawn from DeGroff's vast library of vintage cocktail books Then on to stocking the essential bar choosing the right tools and ingredients and mastering key techniques the same information that DeGroff shares with the bartenders he trains in seminars and through his videos And

then the meat of the matter 500 recipes including everything from tried and true classics to of the moment originals Throughout are rich stories vintage recipes fast facts and other entertaining asides Beautiful color photographs and a striking design round out the cookbook approach to this subject highlighting the difference between an under the bar handbook and a stylish full blown treatment The Craft of the Cocktail is that treatment destined to become the bible of the bar

**The King of Vodka** Linda Himelstein, 2010-11-30 Born in a Russian village in 1831 Pyotr Smirnov relied on vodka to turn a life of scarcity and anonymity into one of immense wealth and international recognition Starting from the back rooms and side streets of nineteenth century Moscow Smirnov exploited brilliant grassroots marketing strategies to popularize his products and ensconce his brand in the thirsts and imaginations of drinkers around the world His vodka would be gulped in the taverns of Russia and Europe be praised with accolades at world fairs and become a staple on the tables of tsars But his improbable ascent would be halted by the chaos of the Bolshevik Revolution and only a bizarre set of coincidences including an incredible prison escape by one of Smirnov's sons in 1919 would prevent Smirnov's legacy from fading into obscurity Set against a backdrop of political and ideological currents that would determine the course of global events The King of Vodka is much more than a biography of a humble serf who rose to create one of the most celebrated business empires the world has ever known It is a work of sweeping narrative history on an epic scale

*Building Strong Brands* David A. Aaker, 2011-11-08 As industries turn increasingly hostile it is clear that strong brand building skills are needed to survive and prosper In David Aaker's pathbreaking book *Managing Brand Equity* managers discovered the value of a brand as a strategic asset and a company's primary source of competitive advantage Now in this compelling new work Aaker uses real brand building cases from Saturn General Electric Kodak Healthy Choice McDonald's and others to demonstrate how strong brands have been created and managed A common pitfall of brand strategists is to focus on brand attributes Aaker shows how to break out of the box by considering emotional and self-expressive benefits and by introducing the brand as person brand as organization and brand as symbol perspectives The twin concepts of brand identity the brand image that brand strategists aspire to create or maintain and brand position that part of the brand identity that is to be actively communicated play a key role in managing the out of the box brand A second pitfall is to ignore the fact that individual brands are part of a larger system consisting of many intertwined and overlapping brands and subbrands Aaker shows how to manage the brand system to achieve clarity and synergy to adapt to a changing environment and to leverage brand assets into new markets and products Aaker also addresses practical management issues introducing a set of brand equity measures termed the brand equity ten to help those who measure and track brand equity across products and markets He presents and analyzes brand nurturing organizational forms that are responsive to the challenges of coordinated brands across markets products roles and contexts Potentially destructive organizational pressures to change a brand's identity and position are also discussed As executives in a wide range of industries seek to prevent their products and services from becoming commodities they are recommitting

themselves to brands as a foundation of business strategy This new work will be essential reading for the battle ready

**VODKA - A HISTORICAL THRILLER** Nicolae C. Arton,2024-01-25 The reason for an author to write a book is most of the time a mystery This is what happened in this case too even if the author can invoke some reasons or at least two or three excuses The topic itself isn't refined eminent or noble qualities that motivate the author to put time and energy in writing about a drink that can't even be compared to the cognac's elegance wine's universality or rum's exoticism Vodka is an alcoholic liquid that has neither taste nor smell almost without identity interesting only because of its dark side From another point of view the author isn't even Russian or Polish arguing the writing of this book with patriotism and the support more or less of the idea that vodka is a national invention or even a cultural object In this context I have to admit that the idea of writing this vodka history had become latent but the spark that triggered the writing process was the case of the Russian historical writer William Pokhlebkin the strange culinary recipes collector the author of a wonderful book called *Istoriya vodki* Its publishing turned him from a Soviet regime dissident into a national hero who has successfully defended vodka's Russian paternity in a famous international law case against Poland having lots of political and economic benefits in 1982 His violent death in 2000 he was killed in his apartment placed at Moscow's outskirts related to vodka's law suit remained a mystery to this day I had a very powerful start writing this book dedicated to vodka's history because it is as the title says a historical thriller Starting from an ancient autocrat's desire to drink alcohol that was more concentrated than wine from alchemists' tribulations and even from the mysterious Greek fire I got to the monk Isidor considered to be vodka's father aqua vitae's adaptation to the Russian production conditions As you would expect the Czarist Russian period is very important and is maybe the most interesting part of the book because of the bond between the Empire's destiny and vodka the drink becoming a weapon that has even killed those who thought they mastered it Actually we tried to prove that vodka can be read too not only drunk

*The Ghosts of Roebuck Bay* Ian W. Shaw,2014-09-01 The Japanese attack on Broome is the second most deadly air raid on Australia soil in our history and yet it's almost entirely overlooked On 3 March 1942 nine Japanese Zero planes strafed the small town planning to destroy the aerodrome and American planes With no notice the townsfolk could only put up minimal opposition and in an attack that lasted only an hour almost one hundred men women and children lost their lives Not a single operational aircraft remained in Broome but the shocking loss of human life can never be truly calculated *The Ghosts of Roebuck Bay* tells the story of this tragedy shining light on a story that has slipped through the cracks of history A captivating tale of refugees and soldiers of reputations made and lost of survival and spirit that resonates to today

*Clipping the Clouds* Marc Dierikx,2008-06-30 Mixing in elements of pop culture Dierikx provides a chronological history of the evolution of air travel He covers the significant challenges and developments in air transportation for a specific period starting with how and why aviation came to play an important role in international politics and economic relations He follows with an examination of how improvements in technology influenced existing concepts of distance created new travel

patterns and what effect the growth in numbers of passenger and cargo had on air transportation Finally Dierikx looks at how airlines have become increasingly detached from national interests and state control concluding with an overview of the current state of air travel and a description of the role air transportation played in the creation of a global society At the beginning of the twenty first century it is difficult to imagine our world without aircraft Airplanes are everywhere and rapid air transport has become one of the necessities of our time Yet one of the peculiarities of powered flight is that it has stayed in the public focus for over a century Clipping the Clouds looks at the history of aviation in a challenging new way covering not just the technology but the way aviation has interacted with society since its very beginnings Mixing in pop culture each chapter opens and closes with an excerpt from a movie that depicts elements of air transport illustrating the chapter s theme Dierikx provides a chronological history of the evolution of air travel since 1919 He covers the significant challenges and developments in air transportation for each of four chronological periods starting with how and why aviation came to play an important role in international politics and economic relations He follows with an examination of how improvements in technology influenced existing concepts of distance created new travel patterns and what effect the growth in numbers of passenger and cargo had on air transportation Finally Dierikx looks at how airlines have become increasingly detached from national interests and state control concluding with an overview of the current state of air travel and a description of the role air transportation has played in the creation of a global society

*The One Show, Volume XXVIII* , Advertising s best print design radio and television The One Show Annual Volume 28 features all the best print television radio design and integrated advertising from the 2006 One Show Entertaining and inspiring this is the must have book for creatives and art directors around the world

**Spy** ,1989-12 Smart Funny Fearless It s pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York s cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump

*The Birmingham Quean* S. A. M. Trainor,2010-06 We are to believe there was a time when The Birmingham Quean was just a poem a mock epic burlesque in which a fake pound coin told how she was won in a game of darts by a drag queen

called *Britannia Spears* It parodied Pope's *The Rape of the Lock* Byron's *Don Juan* and an anonymous eighteenth century novel *The Birmingham Counterfeit* The transformation of this bit of picaresque doggerel into the sprawling work barely contained by this cover is the central mystery of a ludic novel It mirrors the unlikely story of a dirty little settlement of nailers and cutlers becoming the principle city of the Industrial Revolution by flooding the Restoration economy with counterfeit coins What remains is an absurd scholarly edition of a poem recast as a futuristic dystopia in which nothing is authentic It is also the tale of an impossible love affair that uncovers an impossible text by an impossible author It is as strange ironic sombre flashy and anarchic as the city to which it owes its existence      **The Far East** Kinnosuké Adachi,1907      *Diamonds in the Sand* Maurice Robin,2012-03-09 It is 1940 and a catastrophic German invasion of Belgium and Holland is imminent Against his will Henk de Ridder a captain in the Netherlands army helps his father in law to smuggle a priceless box of cut diamonds from Antwerp to Java The stones arrive safely but by 1941 the Japanese are preparing to invade the Dutch East Indies Again Henk must hurry the box away this time to Australia But the Dutch airliner carrying them is shot down by Zeros and crashes in the wilderness of North Western Australia Where are the stones Can they be recovered Henk is one of many determined to find them      LIFE ,1959-05-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use      *New York Magazine* ,1982-07-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      The Cocktail Companion Cheryl Charming,2018-11-30 Drink your way through history learn tips from the best bartenders and become a cocktail connoisseur with this fantastic guide The Cocktail Companion spans the cocktail's curious history from its roots in beer swilling 18th century England through the illicit speakeasy culture of the United States Prohibition to the explosive dynamic industry it is today Learn about famous and classic cocktails from around the globe how ice became one of the most important ingredients in mixed drink making and how craft beers got so big all with your own amazing drink that you made yourself in hand In The Cocktail Companion well known bartenders from across the United States offer up advice on everything including using fresh squeezed juices finding artisanal bitters and creating perfect cubes of ice that will help create intriguing balanced cocktails You'll want to take your newfound knowledge from this cocktail book everywhere The Cocktail Companion is a compendium of all things cocktail This bar book features 25 must know recipes for iconic drinks such as the Manhattan and the Martini Cultural anecdotes and often told myths about drinks origins Bar etiquette terms and tools to make even the newest drinker an expert in no time If you liked The Drunken

Botanist The 12 Bottle Bar or The Savoy Cocktail Book you ll love The Cocktail Companion Cheryl has demystified the cocktail and made it fun and approachable She takes us on an entertaining journey into the world of libations and those who serve them their histories stories and antidotes In the end we better understand how we have arrived where we have and leave a more educated and appreciative imbibers Tony Abou Ganim The Modern Mixologist Father Michael's Lottery Johan Steyn,2019-09-01 The doctors and nurses at a small hospital in an African town are fighting an uphill battle against the Aids pandemic made worse by the interventions of Holmes the budget conscious superintendent and his bungling sidekick Thunderbird The rebellious and profane Morgan thwarts every new rule in his quest to save his patients most of whom are dying because they lack the resources to buy back their lives with over priced drugs His efforts are valiantly supported by the enigmatic Oumar the likeable Kenyan the beautiful Violet and Rebecca the battleaxe with a heart of gold Then there is Mary with her passion for birds holding Morgan s heart in her frail hands Naledi the success story who is brought back from the brink of death and Rastodika the untameable spirit When funds are needed for a kidney transplant Morgan conspires with Father Michael Dorcas the shebeen queen and Rachel the whore to make the rich Mr B organise a Beerfest to pay for the operation But then things don t work out exactly as they had planned *Printers' Ink* ,1961 **New Stories from the South** Shannon Ravenel,1996-01-01 Stories by writers with Southern backgrounds deal with the modern problems of life in the South
