Griffin,2006-07-05 Texas Ranger Lieutenant Jim Blawczyk is on the trail of the men responsible for the killing of a fellow Ranger and the disappearance of another Jim s search will draw him into a web of deception greed and murder where even a lawman s best friend may well be his deadly enemy As Jim inserted the knife into a chink in the rocks a bullet smacked into the wall just alongside his head followed by the sharp crack of a rifle Jim dove to his belly pinned behind the inadequate cover of the ledge s slight lip as the hidden rifleman swept the rocks with an almost impossibly rapid fire As the barrage of lead stopped for a brief instant Jim chanced lifting his head ever so slightly scanning the canyon in an attempt to locate the bushwhacker Got him spotted on the rim over to the other side of the canyon he said as a glint of sunlight reflected off the gunman s rifle barrel for an instant Not that it ll do me much good he muttered ducking back as his assailant finished reloading and again swept the ledge with a rapid fire volley My Winchester s still on my saddle and he s way outta range for a six gun even tryin a lucky shot He can keep me pinned down here long as he wants And sooner or later he s gonna nail me As bullets whined over his precarious perch Jim glanced downward then taking a desperate chance threw himself over the edge of the shelf      **National Union Catalog** ,1978      **Library of Congress Catalogs** Library of Congress,1976      **The Nature of Childhood** Pamela Riney-Kehrberg,2014-04-04 When did the kid who strolled the wooded path trolled the stream played pick up ball in the back forty turn into the child confined to the mall and the computer screen How did Go out and play go from parental shooing to prescription When did parents become afraid to send their children outdoors Surveying the landscape of childhood from the Civil War to our own day this environmental history of growing up in America asks why and how the nation s children have moved indoors often losing touch with nature in the process In the time the book covers the nation that once lived in the country has migrated to the city a move whose implications and ramifications for youth Pamela Riney Kehrberg explores in chapters concerning children s adaptation to an increasingly urban and sometimes perilous environment Her focus is largely on the Midwest and Great Plains where the response of families to profound economic and social changes can be traced through its urban suburban and rural permutations as summer camps scouting and nature education take the place of children s unmediated experience of the

natural world As the story moves into the mid twentieth century and technology in the form of radio and television begins to exert its allure Riney Kehrberg brings her own experience to bear as she documents the emerging tug of war between indoors and outdoors and between the preferences of children and parents It is a battle that children at home with their electronic amenities seem to have won an outcome whose meaning and likely consequences this timely book helps us to understand
