The Big Con:

The Big Con David W. Maurer, 2010 [The Big Con](#) Nate Hendley, 2016-09-06 This book examines a broad range of infamous scams cons swindles and hoaxes throughout American history and considers why human gullibility continues in an age of easy access to information Covering American cons and hoaxes past and present including the Great Moon Hoax of 1835 the controversy over subliminal messaging do bands filmmakers and advertisers really put secret messages in their works the panic about satanic daycare operators in the 1980s and recent Internet scams this book provides a fascinating fact based look at infamous frauds across the centuries Offering an engaging mix of history sociology and psychology author Nate Hendley gives readers an appreciation of how prominent scams cons confidence men and hoaxes have impacted American society past and present Each entry details the scheme or hoax and the pertinent con artist schemer involved examining the sociological cultural political and or economic effect of the scams Each topic is accompanied by a short bibliography of further reading selections As the old saying goes There is a sucker born every minute and there has always been a keen eyed swindler to take advantage of the situation **The Big Con** Great Hoaxes Frauds Gifts and Swindles in American History explores this sordid underbelly of American civilization and invites readers to revel in the felonious experience **The Big Con** David Maurer, 1999-07-20 The classic 1940 study of con men and con games that Luc Sante in *Salon* called a bonanza of wild but credible stories told concisely with deadpan humor as sly and rich in atmosphere as anything this side of Mark Twain Of all the grifters the confidence man is the aristocrat wrote David Maurer a proposition he definitely proved in **The Big Con** one of the most colorful well researched and entertaining works of criminology ever written A professor of linguistics who specialized in underworld argot Maurer won the trust of hundreds of swindlers who let him in on not simply their language but their folkways and the astonishingly complex and elaborate schemes whereby unsuspecting marks hooked by their own greed and dishonesty were taken off i e cheated of thousands upon thousands of dollars **The Big Con** is a treasure trove of American lingo the write the rag the payoff ropers shills the cold poke the convincer to put on the send and indelible characters Yellow Kid Weil Barney the Patch the Seldom Seen Kid Limehouse Chappie Larry the Lug It served as the source for the Oscar winning film *The Sting* [The Big Con](#) Mariana Mazzucato, Rosie Collington, 2025-05-20 A vital and timely investigation into the opaque and powerful consulting industry and what to do about it There is an entrenched relationship between the consulting industry and the way business and government are managed today that must change Mariana Mazzucato and Rosie Collington show that our economies reliance on companies such as McKinsey Company Boston Consulting Group Bain Company PwC Deloitte KPMG and EY stunts innovation obfuscates corporate and political accountability and impedes our collective mission of halting climate breakdown **The Big Con** describes the confidence trick the consulting industry performs in contracts with hollowed out and risk averse governments and shareholder value maximizing firms It grew from the 1980s and 1990s in the wake of reforms by the neoliberal right and Third Way

progressives and it thrives on the ills of modern capitalism from financialization and privatization to the climate crisis It is possible because of the unique power that big consultancies wield through extensive contracts and networks as advisors legitimators and outsourcers and the illusion that they are objective sources of expertise and capacity In the end the Big Con weakens our businesses infantilizes our governments and warps our economies In *The Big Con* Mazzucato and Collington throw back the curtain on the consulting industry They dive deep into important case studies of consultants taking the reins with disastrous results such as the debacle of the roll out of HealthCare.gov and the tragic failures of governments to respond adequately to the COVID 19 pandemic The result is an important and exhilarating intellectual journey into the modern economy's beating heart With peerless scholarship and a wealth of original research Mazzucato and Collington argue brilliantly for building a new system in which public and private sectors work innovatively for the common good [The Big Con](#) David Maurer, 2010-10-27 The classic 1940 study of con men and con games that Luc Sante in *Salon* called a bonanza of wild but credible stories told concisely with deadpan humor as sly and rich in atmosphere as anything this side of Mark Twain Of all the grifters the confidence man is the aristocrat wrote David Maurer a proposition he definitely proved in *The Big Con* one of the most colorful well researched and entertaining works of criminology ever written A professor of linguistics who specialized in underworld argot Maurer won the trust of hundreds of swindlers who let him in on not simply their language but their folkways and the astonishingly complex and elaborate schemes whereby unsuspecting marks hooked by their own greed and dishonesty were taken off i.e. cheated of thousands upon thousands of dollars *The Big Con* is a treasure trove of American lingo the write the rag the payoff ropers shills the cold poke the convincer to put on the send and indelible characters Yellow Kid Weil Barney the Patch the Seldom Seen Kid Limehouse Chappie Larry the Lug It served as the source for the Oscar winning film *The Sting* **The Big Con** Jonathan Chait, 2008-09-03 The scam of supply side economics is clearly and convincingly explained in a classic of political journalism Michael Lewis Jonathan Chait has written for a range of publications from the *Wall Street Journal* to the *Washington Post* and considers himself a moderate But he's convinced that American politics has been hijacked Over the past three decades a fringe group of economic hucksters has corrupted and perverted our nation's policies Chait argues revealing in *The Big Con* how these canny zealots first took over the Republican Party and then gamed the political system and the media so that once unthinkable policies without a shred of academic expert or even popular support now drive the political agenda regardless of which party is in power The principle is supposedly small government but as he demonstrates the government is no smaller than it was in the days of Ronald Reagan it's simply more debt ridden and beholden to wealthy elites Why have these ideas succeeded in Washington even as the majority of the country recognizes them for the nonsense they are How did a clique of extremists gain control of American economic policy and sell short the country's future And why do their outlandish ideas still determine policy despite repeated electoral setbacks Explaining just how things work in Washington DC and distinguishing between short term volatility in the

political weather and the long term radical shift in the political climate Chait presents a riveting drama of greed and deceit that should be read by every concerned citizen Chait is both very serious and seriously funny as he traces the rise of conservatism over the past thirty years Michael Kinsley The Big Con in Education Dennis Redovich,2005-07 The Big Con in Education is the shocking expos that details how public schools are used as convenient scapegoats for social and economic woes woes perpetuated not in schoolyards but in the halls of Congress and in the boardrooms of the Fortune 500 Author Dennis W Redovich debunks leading business and political interests who blame economic problems on an inadequate workforce claiming that schools are not educating children with the life skills needed in the twenty first century Using the United States government s own statistics The Big Con in Education uncovers the lies trumpeted in the media about the serious shortage of skilled workers and the subsequent economic decline It also illustrates a lack of credible rationale to claim that all students need to take higher level courses in academic subjects to prepare to enter the workforce Redovich contends that supply side education and training does not produce high paying jobs any more than does failed supply side economics The Big Con in Education documents the hype propaganda and hypocrisy big business and political propagandists dish out in a war against public education Redovich offers his views on the important facts concerning the reality of the job situation that faces the country *Summary of David Maurer's The Big Con* Everest Media,2022-06-11T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The grift has a gentle touch It takes its toll from the verdant sucker by means of the skilled hand or the sharp wit It never employs violence to separate the mark from his money 2 The three big con games are the wire the rag and the pay off They have taken a toll from a gullible public for over 40 years They are locating and investigating a well to do victim gaining his confidence steering him to meet the insideman permitting the insideman to show him how he can make a large amount of money dishonestly and allocating him a substantial amount of money *Palmiotti and Brady's The Big Con Job* Jimmy Palmiotti,Matt Brady,2016-07-19 After working the same convention circuit for decades a ragtag group of flabby action heroes aging sex symbols and sci fi bit players become close friends as they watch their lines get shorter and their autographs get cheaper That is until they hire a cocky new booking agent who offers them their only chance at a comfortable retirement robbing one of the largest cons in the country Written by comics veteran Jimmy Palmiotti Harley Quinn and longtime comics journalist turned writer Matt Brady Buck Rogers and illustrated by the incredible Dominike Domo Stanton Deadpool The Big Con Job is a unique heist story that puts the con back in comic conventions **The Big Con** Tony Sales,2020-11 **International Cotton Bulletin** ,1927 Music Trade Indicator ,1921 *Our Navy, the Standard Publication of the U.S. Navy* ,1919 **Van Norden** ,1909 *Editor & Publisher* ,1913 **McClure's Magazine** ,1905 Chicago Dairy Produce ,1911 **Southern Lumberman** ... ,1919 **The Hygienist** ,1920 *Vocational Rehabilitation* United States.
