A high society Houston bride has Katie and the Cosmopolitan Bridal team scrambling to get the perfect dress done in time for her spectacular wedding. Meanwhile Katie finds herself bombarded with everyone's competing visions regarding her own special day and she's beginning to worry that her own ideas will get lost in the crossfire. There's only one hitch: The best man just happens to be Hollywood's hottest and most eligible bachelor and he's showing an interest in Bella. Oh, and did we mention he's staying at her house to avoid the paparazzi? With all the pressure surrounding this wedding, Bella's not sure she's going to make it through. Add her starstruck sister and her feuding aunt and uncle and you've got a recipe for disaster and a lot of laughs. *The Publishers Weekly*, 1924. **Ethnicity and the American Short Story** Julie Brown, 2013-05-13. How do different ethnic groups approach the short story form? Do different groups develop culture-related themes? Do oral traditions within a particular culture shape the way in which written stories are told? Why does the community loom so large in ethnic stories? How do such traditional forms as African American slave narratives or the Chinese talk story shape the modern short story? Which writers of color should be added to the canon? Why have some minority writers been ignored for such a long time? How does a person of color write for white publishers, editors, and readers? Each essay in this collection of original studies addresses these questions and other related concerns. It is common knowledge that most scholarly work on the short story has been on white writers. This collection is the first work to specifically focus on short story practice by ethnic minorities in America, ranging from African Americans to Native Americans, Chinese Americans to Hispanic Americans. The number of women writers discussed will be of particular interest to women studies and genre studies researchers and the collections will be of vital interest to scholars working in American literature, narrative theory, and multicultural studies. **Song for Olivia: A Novel** Maruchi Mendez, 2023-04-15. Gusana Esbirra Latifundista. Mari is only 12 when she is called these words for the first time. She knows what they mean: worm, henchman, filthy landowner. What she doesn't yet know is that they mark the beginning of her exile from her native Cuba. Mari's childhood has been filled with the

opulence enjoyed by Cuba's wealthy elites but as Fidel Castro seizes power her father's money and former government position place a target on their family. The country she has always called home is now violently rejecting her. After a fraught escape to Miami, Mari and her sister Olivia must start over as Castro continues to devastate the loved ones they have left behind. Miami holds both hope and desperation. Mari works towards her dream of becoming a writer while Olivia meets and falls in love with a counterrevolutionary. Still, their family is fractured, their money is scarce, and their father insists they will be able to return to Cuba before they know it. But Mari and Olivia know that their futures are in the US now. It's up to them to find their way back to the lives they want to lead.
