Ebony Mask / Ebony Gold Wallace B. Collins,2003-03-22 Years ago I met a friend in London I had not seen in many years He posed a very interesting question to me He wanted me to give him a statement on Jomo Kenyatta who was then incarcerated as the leader of the Mau Mau uprising in Kenya Though I did not have an answer for my friend I kept his question in my mind Then years later my wife and I decided to visit Kenya on Safari with friends which I recount here vividly in this book They were like two birds set free hoop the coop flew away from their prison abode caged for decades until Februrary 1990 on that sunny day in Capetown when I saw Nelson Mandella live on CNN Television with his wife Winnie Mandela They strolled through the gates of pollsmore Prison away from 37 years of incarceration by the Apartheid Regime That experience intrigued me enough that my wife and I decided with a group of friends to visit South Africa and see what would happen to us as a group of African Americans it was while there that I touched yellow Ebony Gold as detailed in my book Indiana World War Records Indiana Historical Bureau,1922 *The Gnostic Warriors: Book 2* Marvin Etheridge,2016-03-31 Then the brothers were Gnostic warriors seeking to grow their way out of that time Now much later the two have less time to make sense of what was forgotten or never understood They pick one October week at their child s beach to discover secrets buried In thus doing they disturb the past in the oncoming storm and release from their search a storm started in the past that once found out must end Once again they become warriors as they unknowingly call up a devil from their Gnostic past As the reader becomes entangled in the brothers spiders web he or she find a reality foreign but not to be hugged tightly because the story is familiar The story began as a child recalled with his accepting mind the events always remembered but did not know if they happened that way or at all The grown child remembered but was the recall of long past events tainted by some coexistent disease that hid the truth Is his past deceiving them now Either way the adult mind with its own hard learned prejudice would need to attempt to find the answers of long ago itself buried deep but not dead Now on a stormy October beach in North Carolina as the two brothers Gnostic warriors of a time past seek the truth the truth reveals itself not quite evil but evil not always is The King James Bible puts it well in Romans 1 18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who hold the truth in unrighteousness

Mexico Behind the Mask Beldon Butterfield,2012-12-31 In light of current events related to immigration issues the drug war along the border and the North American Free Trade Agreement Beldon Butterfield s insightful and informative history of the complex relationship between Mexico and the United States is both timely and useful Butterfield went to Mexico with Time Inc in 1962 and has lived there ever since enabling him to provide a unique perspective on the country s history and culture He traces Mexico s tangled history from the early arrival of the Aztecs to their fall at the hands of Hern n Cort s from the Mexican Revolution to the disastrous agrarian reform measures and from Mexico s standing as one of the wealthiest countries in the world to its status until recently as a member of the third world Mexico s relationship with the United States is a key aspect of its culture Many cultural barriers between the two countries are breaking down in spite of lingering resistance by both countries and differing perspectives of their common border While Mexicans cannot forget that the border symbolizes the scar of an unjust war Americans resent how millions of Mexicans cross it illegally in their quest for work The good news Butterfield writes is that Mexico is changing despite the continued opposition of political forces that want to maintain their unchecked power of the past Mexico Behind the Mask shows how the road to a more prosperous Mexico seems to be on course **Alphabetic Listing of Major War Supply Contracts** United States.
