The Big Rain:

The Big Rain Françoise, Françoise Seinobosc, Omnibus Publishing, 2003 Before the Big Rains O. H. Kopole, 2017-01-16
The twins destiny was decided by an age old tradition long before they were born but it was somehow altered through the application of wisdom and intellect by human intervention The abnormal in society was normalised by custodians of tradition and the rule of customary law councillors and respected village elders vested with authority and the power to decide and act Giving the twins a lifeline and letting them live when they should have been killed without any second thought about who their father is amounted to nepotism and infringed on the right of the one whose destiny was decided in an unorthodox way This was an unforgivable violation of an ancestral practice a grave transgression with dire consequences which pitted brother against brother paving a path of dark hatred witchcraft and ultimately murder in the guise of darkness with no witnesses With the chiefs wife barren leaving the clan without a leader the throne without an heir was apparent and the inheritance shone brighter and larger in the direction of the perpetrator If Makgabeng was destined to be in Seras hands then the gods had surely erred in their judgement How could they have sacrificed Paramount Chief Thaga at the altar of conspiracy greed and corruption Would Lefa live to see the day and his rightful throne **The Big Rain** Françoise, 1966

Born in the Big Rains Fadumo Korn, 2008-04-01 This impassioned beautifully written memoir by a survivor of female circumcision is a brutally honest story of tragedy and triumph Publishers Weekly As a nomad Fadumo Korn freely roamed the wild steppes of her native Somalia until her mother delivered her into the hands of an excisor to become a woman in the eyes of her tribe by undergoing female genital cutting But serious complications brought on by the circumcision would force her to leave her home on a journey of survival and self discovery Fadumo first traveled to the bustling city of Mogadishu and the household of a wealthy uncle a brother of the Somali president There she entered a world of luxury underpinned by political instability and cruelty in a country eager for rebellion As her symptoms worsened she journeyed to Germany where she received not only therapy but love and acceptance in the most unlikely of places With this courageous indispensable testament Fadumo Korn weaves together a sensitive understanding of traditional practices with revelations about their disturbing effects Full of sorrow and surprising humor Born in the Big Rains provides a candid history of a life sculpted by crippling rheumatism and an unexpected path to recovery Elfriede Jelinek 2004 Nobel Laureate in Literature COBE's Search for Structure in the Big Bang , 1989 **Storm Data** United States.
