The Big Squeeze Balancing The Needs Of Aging Parents Dependent Children And You:

The Big Squeeze Barbara Shapiro, 1995 Your mother has a weekly doctor's appointment and depends on you to get her there Your spouse dissatisfied at work brings all his troubles home Your boss has given you a job to do and wants it done now Your children want dinner want a ride want help with their homework Welcome to THE BIG SQUEEZE Today two income families are the norm childbearing is often postponed into the thirties and forties longevity is on the increase The family circle can sometimes seem like a trap You are in the middle and the physical emotional and financial stresses can be overwhelming Now here's a compassionate commonsense approach to avoiding the Big Squeeze Offering practical solutions to specific crises this unique and remarkably simple 8 STEP PROGRAM can help you Set your priorities and reduce your pressures Balance your family's needs with your own Communicate openly and delegate responsibilities among family members Discover all the community resources that you and your family have And much more A PRACTICAL AND SENSITIVE GAME PLAN Written in layman's language without intimidating or wearisome professional jargon West Hartford News *The Big Squeeze* Barbara Shapiro, Ann Shapiro, Vicki Konover, 1991 The Family Squeeze Suzanne Kingsmill, Benjamin Schlesinger, 1998-12-15 The Sandwich Generation refers to the growing numbers of middle aged people who must care for both children and elderly parents while trying to manage the stress of full time jobs Advances in technology and medicine are helping us to live longer but not without extended care from our families At the same time the economic climate is making it difficult for young adults to leave home and start their own lives they are often boomeranged back to their parents for financial help emotional support and accommodation In *The Family Squeeze* Suzanne Kingsmill and Ben Schlesinger trace the day to day life of a typical family caught up in this situation They guide the reader through various scenarios paying particular attention to the woman in the middle who has traditionally been the caregiver to young and old but is now also a full time member of the workforce Each scenario is followed by comments advice and suggestions that will help the reader understand each stage of the game The resource section includes an extensive annotated bibliography as well as a list of selected services in Canada and the United States Internet resources are also listed Any person who is or about to become a member of the Sandwich Generation will find this a helpful guide for coping with the conflicting demands of family and work **Give Back the Pain** Robert T. Bleck, 2000-11 Believing that we all suffer from at least some emotional wounds as a result of our past experiences Dr Robert Bleck set out to devise a recovery therapy to aid his clients in coming to terms with those past hurts The result has come to be known as Source Completion Therapy SCT To live a healthy and enriched life our past emotional wounds like bodily infections must be cleansed and allowed to heal Source Completion Therapy is designed to do just that Dr Bleck Chapter 1 Incorporating all the effective significant psychological theories widely in use today SCT takes us on a journey of personal exploration and emotional healing built on the theory that we can only break free of the disabling effects of our hurts if we first become fully aware of their true origins next re experience the

trauma and finally complete the healing process by confronting the source of the pain The text is completed by an easy to use self hypnosis script designed to bring on the state of relaxation necessary for reliving and re experiencing the events that created our symptoms Options for giving the pain back to its source completing are also offered *Working for Equality in Health* Paul Bywaters,Eileen McLeod,2002-09-09 Unequal social relations are reflected in uneven patterns of health within and between populations In *Working for Equality in Health* health workers and academics distil the results of their efforts to understand oppose and change health inequalities *Working for Equality in Health* brings to bear the understanding of a unique combination of practitioners and activists on a key issue for health experience policy and practice Common themes and common obstacles become apparent the need for ever better understandings of the interactive effects of social disadvantage the damage wrought to people s health by inegalitarian economic social and health policies and the benefits of alliances between health professionals and other health workers to combat social and health inequalities **The Other**
