Some centuries old and others freshly imagined, the tales include animal fables, supernatural yarns and anecdotes for festivals and holidays. Themes include justice, community, cause and effect, and mitzvahs or good deeds. This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey, Morocco, Libya, Tunisia, and Chile. Subject cross references and a glossary complete the volume, a living tool for understanding the ever evolving world of Jewish folklore.

The stories are numbered for easy reference and grouped in broad categories: for example, God, faith, and prayer; rabbinic wit and wisdom; tricksters and fools; festivals and holidays. For each story, a list of tellings, author, and book title provides numerous options for the story seeker, and a list of keywords connects the story subject categories. Two cross referenced indexes make locating stories easy, whether by subject, keywords, or by title. An appendix lists recommended stories for children of different ages from lower elementary through middle school.
