**Minding the Law** Anthony G. AMSTERDAM, Jerome S. Bruner, Anthony G Amsterdam, 2009-06-30 In this remarkable collaboration one of the nation s leading civil rights lawyers joins forces with one of the world s foremost cultural psychologists to put American constitutional law into an American cultural context By close readings of key Supreme Court opinions they show how storytelling tactics and deeply rooted mythic structures shape the Court s decisions about race family law and the death penalty Minding the Law explores crucial psychological processes involved in the work of lawyers and judges deciding whether particular cases fit within a legal rule categorizing telling stories to justify one s claims or undercut those of an adversary narrative and tailoring one s language to be persuasive without appearing partisan rhetorics Because these processes are not unique to the law courts decisions cannot rest solely upon legal logic but must also depend vitally upon the underlying culture s storehouse of familiar tales of heroes and villains But a culture s stock of stories is not changeless Amsterdam and Bruner argue that culture itself is a dialectic constantly in progress a conflict between the established canon and newly imagined possible

worlds They illustrate the swings of this dialectic by a masterly analysis of the Supreme Court's race discrimination decisions during the past century A passionate plea for heightened consciousness about the way law is practiced and made Minding the Law tilte will be welcomed by a new generation concerned with renewing law's commitment to a humane justice Table of Contents 1 Invitation to a Journey 2 On Categories 3 Categorizing at the Supreme Court Missouri v Jenkins and Michael H v Gerald D 4 On Narrative 5 Narratives at Court Prigg v Pennsylvania and Freeman v Pitts 6 On Rhetorics 7 The Rhetorics of Death McCleskey v Kemp 8 On the Dialectic of Culture 9 Race the Court and America's Dialectic From Plessy through Brown to Pitts and Jenkins 10 Reflections on a Voyage Appendix Analysis of Nouns and Verbs in the Prigg Pitts and Brown Opinions Notes Table of Cases Index Reviews of this book Amsterdam a distinguished Supreme Court litigator wanted to do more than share the fruits of his practical experience He also wanted to get students to think about thinking like a lawyer To decode what he calls law think he enlisted the aid of the venerable cognitive psychologist Jerome Bruner and the collaboration has resulted in this unusual book James Ryerson Lingua Franca Reviews of this book It is hard to imagine a better time for the publication of Minding the Law a brilliant dissection of the court's work by two eminent scholars law professor Anthony G Amsterdam and cultural anthropologist Jerome Bruner Issue by issue case by case Amsterdam and Bruner make mincemeat of the court's handling of the most important constitutional issue of the modern era how to eradicate the American legacy of race discrimination especially against blacks Edward Lazarus Los Angeles Times Book Review Reviews of this book This book is a gem Its thesis is easily stated but remarkably unrecognized among a shockingly large number of lawyers and law professors law is a storytelling enterprise thoroughly entrenched in culture Whereas critical legal theorists have talked among themselves for the past two decades Amsterdam and Bruner seek to engage all of us in a dialogue For that they should be applauded Daniel R Williams New York Law Journal Reviews of this book In Minding the Law Anthony Amsterdam and Jerome Bruner show us how the Supreme Court creates the magic of inevitability They are angry at what they see Their book is premised on the conviction that many of the choices made in Supreme Court opinions lack any justification in the text Their method is to analyze the text of opinions and to show how the conclusions reached do not always follow from the logic of the argument They also show how the Court casts its rhetoric like a spell mesmerizing its audience and making the highly contingent shine with the light of inevitability Mitchell Goodman News and Observer Raleigh North Carolina Reviews of this book What do controversial Supreme Court decisions and classic age old tales of adultery villainy and combat have in common Everything at least in the eyes of Amsterdam and Bruner In this substantial study which is equal parts dense and entertaining the authors use theoretical discussions of literary technique and myths to expose what they see as the secret intentions of Supreme Court opinions Studying how lawyers and judges employ the various literary devices at their disposal and noting the similarities between legal thinking and classic tactics of storytelling and persuasion they believe can have astonishing consciousness retrieving effects The agile minds of Amsterdam and Bruner clearly storehouses of knowledge on a

range of subjects allow an approach that might sound far fetched occasionally but pays dividends in the form of gained perspective and amusement Elisabeth Lasch Quinn Washington Times Reviews of this book Stories and the way judges intentionally or not categorize and spin them are as responsible for legal rulings as logic and precedent Mr Amsterdam and Mr Bruner said Their novel attempt to reach into the psyche of members of the Supreme Court is part of a growing interest in a long neglected and cryptic subject the psychology of judicial decision making Patricia Cohen New York Times Most law professors teach by the case method or say they do In this fascinating book Anthony Amsterdam a lawyer and Jerome Bruner a psychologist expose how limited most case analysis really is as they show how much can be learned through the close reading of the phrases sentences and paragraphs that constitute an opinion or other pieces of legal writing Reading this book will undoubtedly make one a better lawyer and teacher of lawyers But the book s value and interest goes far beyond the legal profession as it analyzes the way that rhetoric in law politics and beyond creates pictures and convictions in the minds of readers and listeners Sanford Levinson author of Constitutional Faith Tony Amsterdam the leader in the legal campaign against the death penalty and Jerome Bruner who has struggled for equal justice in education for forty years have written a guide to demystifying legal reasoning With clarity wit and immense learning they reveal the semantic tricks lawyers and judges sometimes use consciously and unconsciously to justify the results they want to reach Jack Greenberg Professor of Law Columbia Law School

**Reading the Cozy Mystery** Phyllis M. Betz, 2021-02-19 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story s complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories portrayals of settings like the quaint English village reveal a more complicated society than meets the eye Angry Candy

Harlan Ellison, 2016-10-20 Winner of the World Fantasy Award for best short story collection this volume by one of the most acclaimed authors of the 20th century takes an intense look at how the specter of death haunts everyday life **A History of American Crime Fiction** Chris Raczkowski, 2017-10-26 A History of American Crime Fiction places crime fiction within a context of aesthetic practices and experiments intellectual concerns and historical debates generally reserved for canonical literary history Toward that end the book is divided into sections that reflect the periods that commonly organize American literary history with chapters highlighting crime fiction's reciprocal relationships with early American literature romanticism realism modernism and postmodernism It surveys everything from 17th century execution sermons the detective fiction of Harriet Spofford and T S Eliot's *The Waste Land* to the films of David Lynch HBO's *The Sopranos* and the podcast *Serial* while engaging a wide variety of critical methods As a result this book expands crime fiction's significance beyond the boundaries of popular genres and explores the symbiosis between crime fiction and canonical literature that sustains and energizes both **Ray Bradbury** Jonathan R. Eller, William F. Touponce, 2004 This is a textual bibliographical and cultural study of 60 years of Bradbury's fiction The authors draw upon correspondence with his publishers agents and friends as well as archival manuscripts to examine the story of Bradbury's authorship over more than half a century **A Checklist of Joe Lansdale**, **Index to Crime and Mystery Anthologies** William Contento, Martin Harry Greenberg, 1990 **The Cuban Club** Barry Gifford, 2017-10-24 A masterpiece of mood and setting character and remembrance *The Cuban Club* is Barry Gifford's ultimate coming of age story told as sixty four linked tales a creation myth of *The Fall* as seen through the eyes of an innocent boy on the cusp of becoming an innocent man Set in Chicago in the 1950s and early 60s against the backdrop of small time hoodlums in the Chicago mob and the girls and women attached to them there is the nearness of heinous crimes and the price to be paid for them To Roy and his friends these twists and tragedies drift by like curious flotsam The tales themselves are koan like often ending in questions with rarely a conclusion One story a letter from Roy to his father four years after his father's death is written as if the older man were still alive Indeed throughout *The Cuban Club* Roy is in some doubt whether divorce or even death really exists in a world where everything seems so alive and connected Barry Gifford has been writing his Roy stories on and off for over thirty years and earlier Roy stories have been published in *Wyoming Memories from a Sinking Ship* and *The Roy Stories* But it is in *The Cuban Club* that he brings the form he has created in these stories to its crystallization Indeed to find precedents for *The Cuban Club* we must look not to other story collections but to other creation myths to *Gilgamesh* or the Old Testament or Eduardo Galeano's *Memory of Fire* trilogy Roy's age here wends back and forth between six and nineteen and back to twelve He sees with the ageless eyes of a seer and knows not to judge the good or the bad in circumstances or people or even to question why things are as they are instead gathering to himself the romance of a world that teeters on catastrophe always even as it abounds in saving graces *The Mystery Fancier* William F. Deeck, 2008-08-01 A bibliography of various mystery novels published between November 1976 and Fall
