**Unicorn. Poems by Audre Lorde** Audre Lorde, 1978      **Black Unicorn** Tanith Lee, 2011-10-19 Nobody knew where it had come from or what it wanted Not even Jaive the sorceress could fathom the mystery of the fabled beast But Tanaquil Jaive's completely unmagical daughter understood it at once She knew why the unicorn was there It had come for her It needed her Tanaquil was amazed because she was the girl with no talent for magic She could only fiddle with broken bits of machinery and make them work again What could she do for a unicorn Grades 7-12 Tanaquil may be the daughter of a sorceress but she can't do any magic or so she thinks and she finds life in her mother's castle very dull and lonely Her one skill that of mending things leads her to piece together a pile of old bones found in the desert and unknowingly bring back to life a black unicorn that needs Tanaquil to help it return to its own more perfect world In the process of doing this Tanaquil finds a sister and discovers what her own powers really are The plot of *The Black Unicorn* is in no way as simple as this description It is complex and twisting and while readers may not be sure where they're going they'll never be bored Lee's lush and highly visual style and her down to earth sense of humor are a constant entertainment Her imagination is boundless whether in recreating the life of desert nomads or describing a castle full of magical devices all gone slightly awry The static cover illustration with rearing unicorn and silver gowned heroine does not begin to convey the special flavor of this stylish humorous fantasy Ruth S Vose San Francisco Public Library School and Library Journal      *Linwae's Journal* Dennis Ruiz Jr., 2019-02-12 In the age of fairies Linwae is the sole survivor of a lost water fairy race and she narrates you through an

extraordinary journey of how Princess Ethinia of the ice fairies and Prince Ardian of the fire fairies find each other fall in love and then learn that their two opposite worlds can coexist but they also realize that their love will also cause a war between the ice and fire fairies Linwae has envisioned this fairy tale in a dream and she writes down her visions in this book that accurately shows the future Since these visions haven't all happened yet she can only call this her story about two fairies who will determine the fate of their races They have the power to recreate a lost race of water fairies but at what cost Hopefully they won't suffer the same fate that the water fairies did and will make the right decision They will have to make the biggest choice of their young lives love for each other or life for their civilizations
