The Black Words Of Green Eyes:

The Black Words of Green Eyes Mia Lynn Neat, 1999-12-15 In the Absence of Men Philippe Besson, 2025-06-03

From the author of the international bestseller *Lie with Me* comes the tale of an affair between an aristocratic teenager and a soldier as they discover the possibilities and perils of first love Summer 1916 With German Zeppelins on the skyline the men of Paris are off at war For Vincent sixteen and still too young to fight this moment of dread is also a moment of possibility An electrifying encounter with Marcel an enigmatic middle aged writer draws Vincent's desires out into the light As he's taken under Marcel's wing Vincent begins a dangerous affair with Arthur the son of his governess and a young soldier on leave Together they share a secret that everyone seems to know and yet everyone remains silent about In this stunning portrait of young love Philippe Besson depicts a young man who plays by his own rules and is not afraid of who he is In the afternoons Vincent is mentored by Marcel the great novelist in the city's opulent cafés as they draw the judgment of society And at night he hides Arthur in his bedroom as the two risk everything to be together Their affair initiates them into a world of pleasure and shields them from the encroaching war During this magical week away from the trenches Vincent shelters Arthur with happiness reassuring him Nothing will happen to you Tender and harrowing *In the Absence of Men* captures how exhilarating and heart crushing it is to fall in love for the first time Besson's award winning novel beautifully captures the romance and amorality of gilded youth *The Independent* **Four Letter Word** Joshua Knelman, Rosalind Porter, 2008-01-08
