Hello? Is Anyone There? Roger Philip Abbott, 2014-11-10 According to the Bible the God of Christianity has a reputation for answering prayer However many Christians have been sometimes severely tempted to think they have been sold short as they have found themselves in some crisis and have cried out to God in all sincerity and found that he has been out From years of pastoral experience in addressing crises and after having to face crises in his own experience Roger Abbott attempts to help Christians who are struggling with what seem to be very real instances of God not

answering their heartfelt prayers There are many books about prayer but there are not many that attempt to face the huge struggles with prayer that pray ers can face This book while refusing to shirk those struggles and the debilitating emotional impact they can have also attempts to navigate those emotional struggles with the use of a practical theology Some Christians think other Christians pray Hello Is Anyone There combines a passion for thoughtful theology and a passion for prayer out of a passion for a relationship with God in Christ

Re-membering the Body Scott W. Bullard,2013-11-01 For centuries Baptists have regarded the Eucharist or Lord s Supper as merely symbolic rather than as sacramental Historically speaking Baptists have also participated in the practice of the Supper less frequently than other Christian groups all the while lodging complaints about a lack of ecclesial unity In response to these trends this book argues for a sacramental understanding of the Eucharist and focuses on the way in which the Eucharist conveys grace by drawing the church together as the body of Christ It focuses especially on the theology of James Wm McClendon Jr who was Baptist but nonetheless illustrated that through the Eucharist God re members the church as the body of Christ Together with Lutheran theologian Robert Jenson and Catholic theologian Cardinal Henri de Lubac McClendon s work has had an enormous impact on contemporary free church discussions about the Supper and ecclesial unity In a final chapter therefore the study examines a number of contemporary Baptists dubbed the new Baptist sacramentalists These men and women are influenced by McClendon Jenson and de Lubac and they offer a fresh approach to the ongoing puzzle of the church s disunity through the Eucharist

Re-Imagining Nature Alister E. McGrath,2016-08-01 Reimagining Nature is a new introduction to the fast developing area of natural theology written by one of the world s leading theologians The text engages in serious theological dialogue whilst looking at how past developments might illuminate and inform theory and practice in the present This text sets out to explore what a properly Christian approach to natural theology might look like and how this relates to alternative interpretations of our experience of the natural world Alister McGrath is ideally placed to write the book as one of the world s best known theologians and a chief proponent of natural theology This new work offers an account of the development of natural theology throughout history and informs of its likely contribution in the present This feeds in current debates about the relationship between science and religion and religion and the humanities Engages in serious theological dialogue primarily with Augustine Aquinas Barth and Brunner and includes the work of natural scientists philosophers of science and poets

The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Five James Leo Garrett Jr.,2022-03-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 5 contains general theological considerations as well as a number of Garrett s reflections on twentieth century

Christian leaders Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations Biblical Studies, Theology, Religion and Philosophy N. Amanze, 2012-06-28 This book introduces the study of Biblical studies theology religion and philosophy from an African perspective The book comprises twenty six chapters divided into four sections The first section deals with Biblical studies the second with theology the third with religion and the fourth with philosophy The contributions are from 20 eminent scholars from African and Caribbean universities *Transcendence and Spirituality in Chinese Cinema* Kris H.K Chong, 2020-05-27 This book provides a framework by which a global audience might think theologically about contemporary films produced in mainland China by Chinese directors Up to this point the academic discipline of Christian theology and film has focussed predominantly on Western cinema and as a result has missed out the potential insights offered by Chinese spirituality on film Mainland Chinese films produced within the nation s social structure offer an excellent lingua franca of China Illuminating the spiritual imagination of Chinese filmmakers and their yearning for transcendence the book uses Richard A Blake s concept of afterimage to analyse the potential theological implications of their films It then brings J rgen Moltmann s immanent transcendence and Robert K Johnston s God s wider Presence into conversation with Confucianist and Daoist ideas of there being spirituality speaking More in Life than Meets the Eye than simply material existence This all combines to move beyond film and allow for a Western audience to gain a new perspective on Chinese culture and traditions One that uses familiar Western terms while avoiding the imposition of a Western mindset This is a new perspective on cinema religion and Chinese culture that will be of keen interest to scholars of Religion and Film Religious Studies Theology Sociology of Religion and Chinese Studies **Theology** Alister E. McGrath, 2017-09-12 This fourth edition of the international bestseller is the ideal introduction for those who are new to Christian theology In this revised and expanded edition the author introduces readers to the central ideas and beliefs the key debates and the leading thinkers of Christianity Throughout the aim is to bring clarity and brevity to the central ideas of theology both traditional and contemporary The text comprehensively covers the individual doctrines that form the Christian belief system weaving together these doctrines their history and the intellectual nuance behind them into an inter connected web All major Christian denominations are explored as are their differences and shared customs and beliefs This rich tapestry results in a clear view of Christianity providing a coherent vision of the religion in its main forms **Evangelism and Social Concern in the Theology of Carl F. H. Henry** Jerry M. Ireland, 2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament s emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the

twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerational model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic

Christian Librarianship Gregory A. Smith,2002-09-25 Much of the current library literature assumes that professional library service is necessarily neutral detached from the librarian s philosophical or religious views By contrast contributors to this collection assert that librarianship is best practiced as an outworking of spiritual conviction Accordingly they discuss principles for integrating Christian faith and librarianship within various contexts and reflect on professional issues from biblical and theological perspectives This text will prove beneficial to Christians working in all types of libraries whether religious or secular This compilation of 16 essays is divided into two main parts the first on theory and the second on practice The first part includes chapters such as A Rationale for Integrating Christian Faith and Librarianship The Master We Serve The Call of the Christian Librarian to the Secular Workplace and The Impact of the Christian Faith on Library Service Chapters in the second part include Library Encounters Culture A Christian Approach to Intellectual Freedom in Libraries and Keeping Sunday Special in the Contemporary Workplace Culture Contributors include William Fraher Abernathy Rod Badams Donald G Davis Jr John Allen Delivuk Kenneth D Gill Graham Hedges D Elizabeth Irish James R Johnson Roger W Phillips Gregory A Smith Stanford Terhune John B Trotti John Mark Tucker and Geoff Warren

Three in One William David Spencer,2022-11-15 Do our images of one God in three persons reflect God well Throughout history Christians have pictured the relationships between Father Son and Holy Spirit through analogies Such illustrations some from the West but also from Latin America Asia Africa and other places come laden with theological ramifications that the church has rejected heresies or embraced doctrines In Three in One William David Spencer shares a lifetime of insights from teaching within the global church bringing fresh images and analogies of the Trinity to deepen our theological vocabulary Drawing from his extensive teaching in geographically and culturally diverse contexts and his artist s passion for evocative words and visuals Spencer offers readers a rich multifaceted and practical exploration of the Trinity Alongside historical and contemporary theology and biblical studies he considers the strengths and shortcomings of various analogies used to explain the Trinity such as Light Water The Celtic knot The totem pole Musical harmonies The human body The family Readers of Three in One will gain a personal understanding of the Trinity as well as tools for teaching about the Trinity in adult and children s ministry contexts

Pocket History of the Church D. Jeffrey Bingham,2014-07-09 From Roman persecution to the early creeds from the monastic movement to the Reformation from the rise of liberalism to missionary expansion Jeffrey Bingham chronicles the ups and downs of a people and a faith

Justification Paul ChulHong Kang,2006 This book returns to the true

nature of the gospel justification by grace alone through faith alone because of Christ alone Fundamental to the book's argument is a rejection of the biblical truth and the faithful heritage of the gospel By tracing the development of Reformation theology in Luther and Calvin the giants in the American Great Awakening and the Korean revivals are brought up for analysis Jonathan Edwards Timothy Dwight Sun Ju Kil Ik Doo Kim Yong Do Lee and Sung Bong Lee Paul ChulHong Kang makes clear what can be at stake not merely for academic theologians but for all Christians the gospel itself

Critique and Feminist Theology Miri Jin, 2017 Critique and Feminist Theology strives to reinterpret Elisabeth Sch 1 4ssler Fiorenza's concepts of critique and community from postfoundationalist perspective In doing this in detail the author explores her concepts of subjectivity and the women church and the ekklesia of wo men This groundbreaking book seeks to arbitrate and federate today's two polar issues of the critique and the embrace of the others which today is socially called for from a postfoundationalist perspective The new fourth feminist wave is being heralded as focused on communal critique The author criticizes Fiorenza's concepts of subject and community presenting a new paradigm to overcome their limitations while constructing better subjectivity and relationships through postfoundationalist reinterpretation Dissertation Series International Research in Feminist Theology and Religion Liberating perspectives Internationale Forschungen in Feministischer Theologie und Religion Befreiende Perspektiven Vol 8 Subject Feminist Studies Gender Studies Theology Religious Studies

Martin Luther: The Problem with Faith and Reason David Andersen, 2012-09-01 Luther's critics have consistently charged him as an irrationalist and pessimist concerning reason's capabilities and even by his followers as a fideist who sees little or no relationship between faith and reason In this book David Andersen offers a fresh and timely reevaluation of Luther and his understanding of the relationship between faith and reason based upon a thorough engagement with Luther's mature writings Dr Andersen persuasively argues that far from being either an irrationalist or a fideist Luther stands within an empiricist tradition and that his pronouncements on fallen human reason can be understood only from that philosophical perspective Based upon recent research into the writings of William of Ockham who positively influenced Luther in this area Dr Andersen also shows that Luther can no longer be charged as a pessimist concerning human knowledge Reason has an important role to play for Luther in bringing one to faith and the objectivity of Christ's resurrection serves as that focal point that validates all Christian discourse In subordinating itself to the facts of the death and resurrection of Christ for the forgiveness of sins reason's created function is restored to some extent as it receives that forgiveness in the words of Holy Scripture and the visible means of Baptism and the Lord's Supper

The Interior Sense of Scripture William DiPuccio, 1998 John W Nevin's transcendental hermeneutics is perhaps one of the most penetrating and sophisticated theological systems to emerge from American soil Though more than a century has passed since he spoke Nevin's polemic against materialism religious skepticism individualism and sectarianism still retains its creative force and insight

Scripture in the Theologies of W. Pannenberg and D.G. Bloesch Frank M. Hasel, 2004-03-01 Scripture has

always played an important role in Christian theology This study provides an issue oriented overview of the concepts of Scripture in Protestant theology from the 16th century Reformation onward It then sets forth the concepts of Scripture in the theologies of two contemporary systematic theologians W Pannenberg and D G Bloesch It analyzes compares and evaluates the theological and anthropological presuppositions that have influenced their concept of Scripture Despite fundamentally different starting points and other significant distinctions Pannenberg and Bloesch reveal surprising similarities This seems to suggest that for both the concept of Scripture is determined ultimately by presuppositions that are derived and shaped extra scripturam

Paul Tillich and Sino-Christian Theology Keith Ka-fu Chan, 2023-06-23 With contributors from different generations of the Chinese speaking world the book addresses the relevance of Paul Tillich's thought in the Chinese cultural political contexts Appropriating and transforming different themes of Tillich's thought in the Chinese context the contributors reframe the dialogue with Buddhism and Confucianism religion and science and religion and politics under the interpretation of Tillich's ideas The thought provoking essays examine the intellectual potentiality or further contribution of Paul Tillich's ideas in Sino Christian Theology The book will be of interest to scholars and postgraduate students studying Paul Tillich's thought Chinese theology and East West religious dialogues

Theology and the Enlightenment Paul Avis, 2022-11-17 Challenging the common assumption that the Enlightenment of the late seventeenth and the eighteenth centuries was an essentially secular irreligious and atheistic movement this book critiques this standard interpretation as based on a narrow view of Enlightenment sources Building on the work of revisionist historians this volume takes the argument squarely into the theological domain whether Anglican Dissenting Lutheran or deistic whilst also noting that the Enlightenment deeply affected Roman Catholic and Jewish theologies It challenges the stereotype of Enlightenment rationalism and the penultimate chapter brings out the biblical and ecclesial roots of the image of enlightenment and reclaims it for Christian faith
