**The Blood and the Glory** Phil Cawley, 2021-02-14 The Blood the blood of Jesus is the offense of the cross and does away with all legalism and pious religiosity Only by faith are you saved through grace and not by good works in case anyone should boast The blood sacrifice of Jesus Christ atoned for all sin for those who repent and believe The blood of Jesus took away all the power of sin death hell and the grave and put Satan on the run with time running out The blood is the power of life within us and without it there is no life How much more then is the power of the blood of Jesus the Son of God His blood not only redeemed us from sin but is the most powerful weapon for believers against all the powers of the kingdom of darkness When we plead the blood demons and devils flee The blood of Jesus speaks a better word Hebrews 12 24 The blood of Jesus the most precious of all was freely shed for the salvation of mankind and avails for all who believe The blood of Jesus used to be preached as a priority in earlier days of the Church The old timers knew the power that could be invoked and the healing and miracles that followed Many of the songs sung in churches would include the power in the blood This subject matter the true essence of Christianity seems sadly lacking in many church s today with preference given instead to motivational feel good messages This book however will focus entirely on the quintessential Christian message of the blood of Jesus Christ with no provisos or excuses made This book will no doubt offend many people get over it I intend to present an unadulterated message of The Way The Truth and The Life the embodiment of Jesus Christ the crucial message of the Blood and the Glory We now understand that blood is life the life of every living being is encompassed within the blood If someone has disease of some kind in their blood it will quickly affect the whole body and the person will become sick Blood is an intricate transport and communication system keeping all parts informed healthy nourished and protected Jesus blood unlike any other is all powerful and provides a divine covering for our sin This has been demonstrated throughout the Bible and I have given evidence of this throughout the book The shedding of blood in the Old Testament was pleasing to God as an atonement for the sins of men as it was symbolic of the sacrifice Jesus was destined to make as a one time atonement Man s sin continued throughout Bible history and the sacrifice of animals was no longer enough The next part of God s master plan
