King David, Innocent Blood, and Bloodguilt David J. Shepherd,2023-04-21 Of all the characters bequeathed to us by the Hebrew Bible none is more compelling or complex than David Divinely blessed musically gifted brave and eloquent David s famous slaying of Goliath also confirms that he is a redoubtable man of war Yet when his son Absalom rebels David is dogged by the accusation than he will lose his kingdom because he is not merely a man of war but a man of bloods guilty of shedding innocent blood In this book for the first time this language of innocent blood and bloodguilt is traced throughout David s

story in the books of Samuel and 1 Kings The theme emerges initially in Saul s pursuit of David and resurfaces regularly as David rises and men like Nabal Saul Ishbosheth and Abner fall Innocent blood and bloodguilt also turn out to be central to David's reign This is seen in a surprising way in David's killing of Uriah but also in the subsequent deaths of his sons Amnon and Absalom his general Amasa and even in David's encounters with Shimei The problem rears its head again when the innocent blood of the Gibeonites shed by Saul comes back to haunt David's kingdom Finally the problem reappears when Solomon succeeds David and orchestrates the executions of Joab and Shimei and the exile of Abiathar Attending carefully to the text and drawing extensively on previous biblical scholarship David I Shepherd suggests that innocent blood is not only a pre eminent concern of David and his story in Samuel and 1 Kings but also shapes the entirety of David s history of the Innocent Teofilo Cabestrero, 2020-04-07 From February 4 to 20 1985 I listened to testimony of some sixty persons civilians in the north of Nicaragua who had been the victims of kidnappings bloody ambushes rapes and other kinds of assault by the contras or who had survived the slaughter of their families or civilian friends All of the accounts of the men and women I listened to most of them poor went straight into my note pad or my tape recorder and from there to these pages I treated the words of these people with the sacred respect due the blood death grief terror desperation and tears of the poor The speakers are innocent defenseless victims of a truly dirty war This chronicle is an attempt to gather up their innocent blood their murdered or violated or shattered lives their unknown tragedy Innocence and blood have names first names and last names place names and the names of events But they can be summoned up in a scream a scream demanding that this war stop that peace come to the land I was struck by the great detail with which the campesinos who always spoke to me with grief and sometimes with terror and tears remembered all these events all the things that they themselves their families their cooperatives or their communities had suffered They recalled everything with minute exactness even when they were telling me things that had happened two or three years before And they knew the importance of an exact account They knew that this was history A survivor of a massacre near Wiwili a man whose whole being spoke of grief told me You see I m alive to tell the tale so that the world will know From the Introduction Nothing but the Blood of Jesus J. D. Myers, 2017-04-06 Why is the Bible so violent and bloody How can God's behavior in the Old Testament be reconciled with that of Jesus in the New Do you find yourself trying to rationalize God s violent demeanor in the Bible to unbelievers or even to yourself Does it seem disconcerting that God tells us not to kill others but He then takes part in some of the bloodiest wars and vindictive genocides in history The answer to all such questions is found in Jesus on the cross By focusing your eyes on Jesus Christ and Him crucified you come to understand that God was never angry at human sinners and that no blood sacrifice was ever needed to purchase God s love forgiveness grace and mercy In Nothing but the Blood of Jesus J D Myers shows how the death of Jesus on the cross reveals the truth about the five concepts of sin law sacrifice scapegoating and bloodshed After carefully defining each this book shows how these definitions provide clarity on numerous biblical texts If you have ever

wanted to see God in the light of Jesus seek no further J D Myers masterfully reveals the truth of who God is as well as the missing pieces you have been searching for in order to truly understand what is written in the Bible You will also gain insight into the true plight of humanity and what Jesus came to rescue and deliver us from Read this book You will not be Biotechnology David P. Clark, Nanette J. Pazdernik, 2009 Finally the text includes a very thought provoking chapter on the bioethics of these new advances and applications of today's world of biotechnology which stimulates the student to think rather than memorize BOOK JACKET The Zechariah Tradition and the Gospel of Matthew Charlene McAfee Moss, 2009-02-26 The Zechariah Tradition and the Gospel of Matthew is a comprehensive study of the ways Matthew utilizes Zechariah texts and traditions Against the background of materials from Qumran and apocryphal and deuterocanonical writings Matthew s explicit citations of Zechariah are examined the influence of Zechariah elsewhere in the First Gospel is identified and the extent to which Matthew alludes to characteristic Zechariah themes alone or in combination with other prophetic traditions is explored Zechariah traditions appear in Matthew's distinctive materials as well as in texts Matthew has transmitted or altered from Mark and Q The impact of Zech 9 14 is not limited to the Passion Narrative but extends through Matthew's Infancy and Galilean healing narratives as well important concepts from Zech 1 8 are also discerned in the Infancy and Passion Narratives Moss works through the canonical order of Matthew this enables readers to appreciate the cumulative effect of Zechariah's influence at each stage of the Gospel story Two appendices one arranged according to Zechariah and the other to Matthew list possible references to Zechariah in Matthew This monograph is useful for Matthean studies and it is an insightful investigation of how one set of Old Testamental traditions are appropriated in one canonical Gospel and in the New Testament The Blood of Emmett Till Timothy B. Tyson, 2017-01-31 This extraordinary New York Times bestseller reexamines a pivotal event of the civil rights movement the 1955 lynching of Emmett Till and demands that we do the one vital thing we aren t often enough asked to do with history learn from it The Atlantic A New York Times Notable Book A Washington Post Notable Book Longlisted for the National Book Award Winner of the Robert F Kennedy Book Award An NPR Los Angeles Times and Atlanta Journal Constitution Best Book of the Year In 1955 white men in the Mississippi Delta lynched a fourteen year old from Chicago named Emmett Till His murder was part of a wave of white terrorism in the wake of the 1954 Supreme Court decision that declared public school segregation unconstitutional Only weeks later Rosa Parks thought about young Emmett as she refused to move to the back of a city bus in Montgomery Alabama Five years later Black students who called themselves the Emmett Till generation launched sit in campaigns that turned the struggle for civil rights into a mass movement Till's lynching became the most notorious hate crime in American history But what actually happened to Emmett Till not the icon of injustice but the flesh and blood boy Part detective story part political history The Blood of Emmett Till unfolds like a movie The Atlanta Journal Constitution drawing on a wealth of new evidence including a shocking admission of Till's innocence from the woman in whose name he was killed Jolting and

Schreiter, 2015-02-25 The Blood of the Innocent: Unmasking the Dark Reign of a Tyrant King Pasquale De Marco, 2025-04-07 In the annals of history there are rulers whose names are synonymous with tyranny oppression and bloodshed This book delves into the life and reign of one such monarch a man whose dark legacy continues to cast a shadow over the kingdom he once ruled Unmasking the truth behind the carefully crafted facade of piety and justice this book reveals the sinister reality of a king consumed by ambition paranoia and a lust for power We witness his rise to power his manipulation of the nobility and the Church and his ruthless suppression of dissent Through the pages of this book we journey through a kingdom plagued by fear and persecution where

innocent people are burned at the stake for their beliefs and the king s iron fist crushes any opposition We encounter the victims of his tyranny from the common folk to the highest nobles all suffering under the yoke of his oppressive rule But this tale is not merely a chronicle of darkness and despair It is also a story of resilience resistance and ultimately redemption We follow the rise of a new leader a beacon of hope in a world shrouded in shadows who emerges to challenge the tyrant s rule and restore justice and prosperity to the kingdom This book is a cautionary tale a reminder that the seeds of tyranny can take root even in the most fertile soil It is a call to action urging us to stand up against injustice and oppression lest we succumb to the darkness that lurks within the human heart Delve into the pages of this book and uncover the hidden truths of a forgotten era where the sins of the past hold lessons for the present Witness the rise and fall of a tyrant the suffering of his people and the indomitable spirit that ultimately triumphed over darkness If you like this book write a review The **International Standard Bible Encyclopaedia** James Orr,1915 **Covered by the Blood of Jesus** Rita Y.
