The blood-vessels. The nerves. The skin, xii, 576 p Frederick Treves,1785 *The Blood-Tinted Waters of the Shenandoah* Jonathan A. Noyalas,2024-05-03 Decades after the Civil War s end Confederate veteran John Alexander Stikeleather reflected on his experiences as a soldier in the 4th North Carolina Infantry He had served in many engagements during his four years of service but there was one in particular that Stikeleather believed should never be forgotten Cool Spring While largely overlooked or treated as a footnote to Gen Jubal A Early s raid on Washington in the summer of 1864 the fight at Cool Spring which one soldier characterized as a sharp and obstinate affair proved critical to Washington s immediate safety The virtually

unknown combat became a transformative moment for those who fought along the banks of the Shenandoah River in what ultimately became the war's largest and bloodiest engagement in Clarke County Virginia. *The Blood Tinted Waters of the Shenandoah* examines Gen Horatio Wright's pursuit of Jubal Early into the Shenandoah and the clash on July 17-18, 1864. It analyzes the decisions of leaders on both sides, explores the environment's impact on the battle, and investigates how the combat impacted the soldiers and their families in its immediate aftermath and for decades thereafter. Years of archival research, including an investigation into the backgrounds of the Union and Confederate soldiers who perished in the fighting, coupled with intimate knowledge of the battlefield, helps preserve the memory of the fight that should never be forgotten. Author Jonathan Noyalas's study offers not only a history of an overlooked engagement in the oft-contested Shenandoah Valley but, as Pulitzer Prize finalist Brian Matthew Jordan notes in the book's Foreword, a keen reminder that Civil War battles are rich laboratories in which to observe the human experience in all its complexity.

The Blood Covenant: Mistrust, Division, & Murder Kornelia Blackmore, 2021-10-27

Act One: Mistrust

Tessa Red Parker: I looked at my rearview mirror and noticed it was a group of people. However, I couldn't see cuz the smoke from their car and headlights blinded me, so I couldn't identify who they were, but one thing I could make out from their silhouette was what they were carrying, and when I realized what it was, my blood went cold. Maybe they just wanna talk.

Fox: Shivered a sob where she sat crouched behind the driver's seat that's why she was pissed when I slammed the breaks. These people were carrying spears and guns, and not the tiny kind, either it was shotguns and AK's from what I could tell. Now can I shoot them?

Nessa: Asked me. Wait.

I: Said glaring down at my hands and noticed they were shaking violently. I let out a shuddering breath to calm myself down. Wait, who died and made you the fucking leader?

Fox: Argued with me, and they kept walking towards the car as they almost huddled around it. Shut up, Fox, for once please just stay quiet. Maybe it's Park Rangers or something, and maybe they can get us the fuck outta here. I need to be around people again. I can't deal with this shit right now.

she cried: I noticed Stone hid her gun under her blouse and turned to face me with a stern expression, both of us silently acknowledging between us that Toto, we aren't in Kansas anymore. Then a black kid who looked to be our age stepped beside the driver's seat, and I peeped from the corner of my eye. There were two people on both sides of the doors, by the backseat windows, and from the rearview mirror, two more people stood behind us. Well, that was really rude of you to go and wreck our car like that when we were just trying to have some fun. He claimed with a friendly smile. I chuckled wryly. Ah, right, sorry, listen, we'll find a way to pay for the damages. Don't worry, you won't get very far, not from us anyway.

What do you want, you fucking psycho?

Fox: Shouted from the backseat. Oh, didn't you know? These woods are hunting grounds, and what better target practice than you guys seeing as you're lost and all? No, no, we aren't lost, really, just uh, we took a detour to get to the main road back to the city. I lied, but when the guy looked at my hands gripping the steering wheel tight and my heart was beating so damn loud, it rang in my ears, please, I hope he can't hear my heart racing like a fucking jackhammer. Oh, yeah. He said, taking his stance and aimed the AK at me, and when he did, I

held my hands up I m gonna die College students Tessa Parker Red Inessa Alexeyev Nessa Stone and Kalina Izumi Fox were driving one day after classes to grab some food but the GPS was acting weird and took them down a deadly detour in the woods where now they are being hunted by other college students But that s only Act One After being hunted and put to the test in Act One now Tessa finds out she has a strange ability based off of her choices and joined together with her friends she KNOWS there s more going on behind the scenes in the school but would anyone believe her due to her strange abilities In this psychological thriller novel based off of the authors nightmare comes the story of Fear and how deadly it really is both in the context of this story and in real life The Blood of Cuba Marko Rosso,2009-06 The Blood of Cuba is the true to life story of an innocent peasant boy Cesar M rez growing up in post revolutionary Cuba and his meteoric rise to the rank of colonel in the Cuban military It chronicles the transformation Cesar undergoes due to the human brutality he witnesses while fighting for socialist causes in the mountains of Venezuela and the jungles of Angola Eventually through a twist of fate he is exiled to the United States where his life is changed forever At the same time the story parallels three days in the troubled life of his unknown American half brother Dr Thomas Savage Tom is a physician living in Pennsylvania who struggles with his inner demons and everyday family problems Interwoven throughout the story are the lusts and loves of the two men The reader will grow to both love and hate each of the brothers Ultimately after living divergent lives fate brings the brothers together and out of survival they are forced to try and destroy each other *The Blood Ship* Norman Springer,1922
