The Bloody Mohawk:

Bloody Mohawk Richard J. Berleth, 2009 This sweeping historical narrative chronicles events instrumental in the painful birth of a new nation from the Bloody Morning Scout and the massacre at Fort William Henry to the disastrous siege of Quebec the heroic but lopsided Battle of Valcour Island the horrors of Oriskany and the tragedies of Pennsylvania's Wyoming Valley massacre and the Sullivan Clinton Expedition's destruction of the Iroquois homeland in western New York State Caught in the middle of it all was the Mohawk River Valley Berleth explores the relationship of early settlers on the Mohawk frontier to the Iroquoian people who made their homes beside the great river He introduces colonists and native leaders in all their diversity of culture and belief Dramatic profiles of key participants provide perspectives through which contemporaries struggled to understand events Sir William Johnson is here first as a shopkeeper then as a brother Mohawk and militia leader and lastly as a crown official charged with supervising North American Indian affairs We meet the frontier ambassador Conrad Weiser survivor of the Palatine immigration who agreed not at all with Johnson or his party And we encounter the young missionary Samuel Kirkland as he leaves Johnson's household for a fateful sojourn among the Senecas Johnson's heirs did much to precipitate the outbreak of violent hostilities along the Mohawk in the first months of the War of Independence Berleth shows how the Johnson family sought to save their patrimony in the valley just as patriot forces maneuvered to win Native American support When Joseph Brant rushed Native Americans to war behind the British it fell to General Philip Schuyler wealthy scion of an old Albany family to find a way to protect the Mohawk region from British incursion His invasion of Canada fails his tattered army fights at Valcour Island Ticonderoga Hubbardton retreating steadily Not until on the line of the Mohawk was the enemy stopped
