Perceforest ,2011 A highly readable version of this remarkable and largely unexplored work Perceforest is one of the largest and certainly the most extraordinary of the late Arthurian romances Justly described as an encyclopaedia of 14th century chivalry and a mine of folkloric motifs it is the subject of rapidly increasing attention and research The author of Perceforest draws on Alexander romances Roman histories and medieval travel writing not to mention oral tradition as he gives for example the distinctly racy first written version of the Sleeping Beauty story to create a remarkable prehistory of King Arthur s Britain It begins with the arrival in Britain of Alexander the Great His follower Perceforest the first of Arthur s Greek ancestors is made king of the island and finds it infested by the evil clan of Darnant the Enchanter Magic plays a dominant part in the adventures which follow as Perceforest ousts Darnant s clan despite their supernatural powers He founds the knightly order of the Franc Palais an ideal of chivalric civilisation prefiguring the Round Table of Arthur and indeed that of Edward III But that civilisation is the author shows all too fragile The vast imaginative scope of Perceforest is matched by its variety of tone ranging from tales of love and enchantment to bawdy comedy from glamorous tournaments to unvarnished descriptions of the havoc wrought by war And the author s surprising view of pagan gods and the coming of Christianity is as fascinating as the prominence he gives to women and his understanding of how the world of chivalry should work Because of its enormous length it runs to over a million words Nigel Bryant has provided a version which gives a complete account of every episode linking extensive passages of translation to make a manageable and highly readable version including the previously unpublished Books Five and Six of this remarkable and largely unexplored work Nigel Bryant has worked as a producer for BBC Radio 3 and as head of drama at Marlborough College This is his fourth major translation of medieval Arthurian romance *Invaders of the Rokujouma!?* Volume 47 Takehaya,2025-06-18 Thanks to Kiriha Clan and Ruth s desperate decoy plan Koutarou and the others discovered the enemy stronghold With the newly rebuilt Blue Knight battleship serving as their banner the Imperial Army launches a large scale offensive to put a quick end to the war As the curtains rise Koutarou s personal spaceship which was seriously damaged during the previous war is revealed and its appearance is truly extraordinary At last behold the strongest battleship that Theia Clan and all the citizens have been
