The Blue Print Of God:

The Blueprint of God Don W. Long, 2020-02-04 Learn to live the life the Father designed for you and change the world for the better with this Christian inspiration guide The Blueprint of God takes readers on a journey of personal faith toward a lifetime partnership with the Father Those who accept the journey will discover their true identity in God manifest their dreams and create a better future for themselves and the people around them Ultimately they will help bring about a brighter future for the world In our true identities as sons and daughters of God we have been given the mandate to take dominion be fruitful and multiply But it s easy to lose track of the systems of thought that allow us to fulfill this charge when so much other noise is crowding the airwaves The Blueprint of God helps Christians reconnect to the destinies dreams and desires that are hidden inside of them *God's Blueprint for a Happy Home* Lester Sumrall, 1994-04-01 What are the

foundations and building blocks of a successful family What does the blueprint from God look like In this book missionary statesman Lester Sumrall draws on decades of experience in raising a Christian family to show parents and children everywhere just what God intended for a healthy family Marriage trust communication and the gift of children are just a few of the topics covered in this blueprint for God as given over the years to one of his most dedicated servants Building a solid marriage and nurturing our precious children should be the top priority today For some it is a priority others are searching This book is for the searchers **The Blueprint of God's Perfect Plan** Nickie Glenn C Romo, 2014-02-20 For the plan of

salvation was not conceived after the fall of man but it was that which was kept in silence through times eternal but now is manifested and made known unto all the nations Romans 16 25 26 R V TMK 366 3 The Blueprint of God s Perfect Plan explains how the government of God began in heaven the law being the foundation of His throne It tells of the fall of Lucifer the highest ranking angel who chose to rebel against the government of God and was banished from heaven to become Satan the Adversary of God The government of God not only includes angels but all creatures from other worlds The plan of salvation was formulated by God to meet this terrible emergency and He was ready to face this problem even before humans existed God in His justice with Satan let Adam and Eve be tempted and fallen thus the history of fallen humanity began Without God s interposition all might have been lost forever without the sacrifice of His Son Jesus Christ The great controversy between Christ and Satan was manifested in the history of the Jews and how this favored people of God rejected Jesus as the messiah In this battle between good and evil the character of God will be vindicated This terrible experiment of rebellion will have an end Christ assured us that He will come again a second time to claim His people and a new age will commence free from sin All will shout for joy for the plan of salvation will have been accomplished and God will have won the battle *God Has a Blueprint for Your Life* Debra V. Chapman, 2014-09-08 Look into the lives of many in the Bible uniquely called to a particular work a work coinciding with Gods blueprint for their lives Examine the attitudes responses and actions taken by Abraham David Daniel Peter Paul Jesus and more called to Gods leading Consider the challenges struggles and

opposition they faced and learn what brought them success as they pressed forward to obey Gods word and lay hold of His purpose for them Like these men and women of old every person today is created by their Maker with a distinct blueprint The timeless principles that strengthened and enabled the men and women in the Bible to carry out Gods purpose can aid us in the realization and fulfillment of Gods destiny for our lives *God's Blueprint of the Holy Bible Vol. 2* Felix

Wantang,2023-03-20 Life is about the choices we make it explains why God made salvation a choice For God so loved the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life John 3 16 The choices we make in life define who we are shapes our path and leads to our ultimate destination in life Have you ever looked in the mirror and asked yourself these three simple questions 1 What are the choices that govern my life 2 Am I on the right path 3 What is my final destination in my life If you can successfully answer these questions with absolute trust in Jesus Christ then you know you have made the right choices in your life On the other hand if you can t answer these questions with Jesus Christ in the equation then you know your life is on the wrong path The truth is part of what makes life very challenging and unpredictable is the fact that you cannot change the past but you can change the path to your future God gives us only one day at a time today is a gift and that s all you have Tomorrow is not guaranteed and today may be your last day on earth This book will help you understand God through Jesus Christ like never before and also help you make the right choices for a better future The kingdom of God should be your number priority and ultimate destination in life Jesus is coming soon *God's Blueprint of the Holy Bible Vol. 1* Felix Wantang,2022-08-25

The Bible is the indisputable word of God the Bible is alive and will never die God gave the Bible to humanity as an instruction manual on how to conduct our lives to build a relationship with God and to help us understand His love for the human race This book will help you understand how and why the Bible is the blueprint of God s divine plan for the human race As you read this book you will also become familiar with the language of heaven Knowledge is power supernatural knowledge will give you supernatural strength You will understand and enjoy reading the Bible a lot better if you can see the supernatural mysteries buried in the Bible This book will help you unlock the secrets of the Bible and ultimately bring you closer to God through Jesus Christ *God's Blueprint of the Ages* Jim Foster,2020-11-12 God s Blueprint of the Ages developed as lesson plans through several years of Bible study and sermon preparation To show a visual presentation of Biblical Chronology a graphic chart was drawn step by step that showed how God worked with His created earth from eternity past to eternity future Various time periods called ages or dispensations is shown graphically as a timeline How Satan tried unsuccessfully to thwart God s plan throughout history is also presented Old Testament prophecy and New Testament Grace is expanded within the chapters that reference and explain the symbols on the chart Many references to the Word of God are noted within each chapter to verify each explanation **God's Blueprint of the Holy Bible** Felix Wantang,2015-01-17

It is true that for more than 22 years Felix Wantang has been meeting face to face with Jesus Christ but nothing could have prepared him for the series of meetings that

produced this book The meetings were unique from every supernatural standpoint and bigger than anything humanity has ever heard or seen Jesus Christ revealed the detailed step by step process of God s divine plan for humanity buried in the Holy Bible by taking Felix Wantang on a supernatural joint ride of the limitless mind of the creator of all things who is the Father in Heaven You must truly love Jesus Christ to read this book This book is not another Christian book in the market If you don t believe in the Father the Son and the Holy Spirit collectively known as the Holy Trinity then you shouldn t read this book When God created everything it was a manifestation of the blueprint of His divine plan from His Creative Library Out of that plan came humanity the Holy Bible and Salvation through Jesus Christ Out of that plan God will also surprisingly unleash the End of the Age which is a lot closer than you think God s blueprint encapsulated in His son Jesus Christ has never been disclosed to humanity but as we move closer to the End of the Age Jesus Christ has decided for the first time in human history to unveil God s Supernatural Blueprint for Humanity to those who truly love him The blueprint also contains the step by step divine process that leads to the End of the Age Enter through the narrow gate For wide is the gate and broad is the road that leads to destruction and many enter through it But small is the gate and narrow the road that leads to life and only a few find it Matthew 7 13 14 Hell is big enough to accommodate the entire human race Don t think for a moment that God is interested in numbers At the End of the Age if only one household Father Mother and Child makes it to God s Paradise in Heaven be rest assured that Salvation will still be considered a huge success in Heaven If God is interested in numbers then He would not have made Salvation a gift dependent on choice by the recipient God would have forced it on humanity Welcome to the limitless mind of God s Creative Library God bless you and Jesus loves you The Blueprint of Faith Ken Primus,2006-04-04 Why do you believe in God Whether you desire healing professional success or inner peace The Blueprint of Faith demonstrates how God makes promises to his children and provides explicit directions on how to ensure they are fulfilled in your life In this introspective life affirming book author Ken Primus reveals the seven principles he used to receive his own promises from God grace hope faith persistence patience persuasion and praise and then clearly shows you how to apply each principle to your daily life Primus interjects many of his own spiritual experiences into the chapters and also fully explores the enemies of faith lack of knowledge unbelief doubt and fear In the final chapter Primus shows you how to put it all together how to live by faith and how to apply the truths to your everyday life The Blueprint of Faith is a spiritual resource for those who are ready to trust in the power of God and live a more faithful life **The Bible Blueprint** Joe Paprocki,2010-06 A highly informative yet fun approach to understanding the world s all time best selling book It s pretty hard to build a house if you don t know how to read a blueprint In the same way it s difficult to develop your faith if you don t know how to read the Bible or are reluctant even to open it In The Bible Blueprint best selling author and popular speaker Joe Paprocki cleverly uses a blueprint metaphor to help Catholics gain a solid understanding of the structure and organization of the Bible and to help them build confidence in navigating its pages Among other topics Paprocki covers the

different genres of biblical writing key figures in biblical history and the methods Catholics rely on to interpret the Bible Readers are also shown how to consult commentaries concordances and other valuable tools of Bible study to deepen their understanding of God s Word Witty cartoons sidebars and quizzes throughout the book keep the tone fun and engaging eight perforated Bible bookmarks are bound into the book For the large number of Catholics who have never felt comfortable with the Scriptures and for any Catholic new to the faith The Bible Blueprint serves as an effective nonthreatening introduction to God s Word as well as a gateway to a deeper relationship with Christ

The Blueprint of Grace

Robert Allen,2024-03-11 No Christian is perfect and no Christian will be on this side of heaven Every believer is a work in progress being transformed from who they were to who they will yet be The technical term is sanctification Rooted in God s

character and his design in and through creation sanctification is the process by which a Christian develops into the person God wants him or her to be Simultaneously challenging and joyous sanctification does not happen overnight neither is it a process with a defined end point It is a lifelong pursuit The beauty of God s work in sanctification is that God shapes one s life into something beyond expectation By submitting to God s plan believers become more like Christ and so fulfill God s purpose to glorify himself on the earth The Blueprint of Grace serves as a primer to the beginning of the process of sanctification how it unfolds and how it ends [The Blueprint](#) Kirk Franklin,2010-05-18 Seven time Grammy award winning artist offers an inspiring blend of God and grit for building a fulfilling life The Blueprint is a transparent approach to talking about issues from marriage to politics to sex and religion and it s from my perspective Not from a Princeton mainline protestant evangelical or liberal viewpoint but from a 2010 Christian moderate with swag Kirk Franklin Gospel artist Kirk Franklin s faith wasn t always as strong as it is today His father abandoned his family his mother constantly told Kirk that he was an unwanted child and left him to be adopted when he was four his sister became a crack addict he never saw a black man who was faithful in marriage Despite his shaky foundation he found strength and success through his music and through God In The Blueprint Franklin will explain how by communicating with life s architect God he learned to see hardships as necessary life propellants and moved on to become the bestselling gospel musician in recent history as well as a devoted husband and loving father This is not a step program it s a lifelong journey With Franklin s guidance you will pursue your dreams without losing yourself in the chase do some lifescaping to eliminate the weeds that hold you back declare your life to be drama free get past your fears so you can live and love fully pass the baton to future generations by leading by example It s time to take faith out of the church pews and into our everyday lives With hope devotion and strength The Blueprint offers a plan to help you move beyond hardships to create your own personal Blueprint for life Watch a Video [The Battle Plan: God S Blueprint for His Business](#) M Burns,G,2015-03-04 Entrepreneurship is a battle Faith is a battle Bridging the two together is an even bigger battle How do you bridge the gap between your plan and Gods will Listen attentively Hearken diligently Run to His voice Be forewarned You are about to embark in a learning experience that may well oppose mans traditional opinion of running a successful business But thats the point to forgo our opinions in lieu of Gods infallible ways The Battle Plan is not hyper spiritual nor is it hyper carnal but its the incredible testimony of how God can turn nothing into something if you will just trust His plans concerning you Learn how to build your business on Biblical principles from those who have been through the trenches of starting growing and maintaining their own faith based company Trenches is an understatement Its not easy but it is possible Its not all about products procedures and marketing It is about the ABCs of faith Action Belief and Confidence Gods Word is forever settled in heaven What He promised He is well able to do through you and through your business despite what the circumstances look like Whatever your journey whatever your business The Battle Plan is sure to have an impact on you naturally spiritually and certainly financially It is broken down into five easy to

Hicks, 2020-02-03 The purpose John wrote this epistle was to give assurance of eternal life to those who believe in Jesus as the Christ He wanted to confirm our relationship with God Jesus The Holy Spirit and with one another There were times when people were not sure about Jesus but John gave readers then and now the test of actually knowing Him He also exposed the world for what it is and warned us from loving the things in the world and the deceptions in these last days John urges us to allow the Holy Spirit to abide in us because the Holy Spirit is Truth and when we allow this we are actually walking in victory John talked about knowing the spirit of error and knowing the truth which is vital for today's Christian The only way to know the Spirit of error is to have our belief system grounded in the Truth **God Has A Blueprint For Your Life** Debra V. Chapman, 2014-09-08 Look into the lives of many in the Bible uniquely called to a particular work a work coinciding with God's blueprint for their lives Examine the attitudes responses and actions taken by Abraham David Daniel Peter Paul Jesus and more called to God's leading Consider the challenges struggles and opposition they faced and learn what brought them success as they pressed forward to obey God's word and lay hold of His purpose for them Like these men and women of old every person today is created by their Maker with a distinct blueprint The timeless principles that strengthened and enabled the men and women in the Bible to carry out God's purpose can aid us in the realization and fulfillment of God's destiny for our lives
