The Bomb And The General:

The Bomb and the General Umberto Eco, 1989 An important general collects atoms and puts them into bombs that he stores in his attic in preparation for war but the atoms prefer to live in harmony and sneak out Full color illustrations The General and the Bomb William Lawren, 1988 General Groves blev projektofficer p Manhattan Project Udvikling og produktion af atombomben Mange hjerner og hnder skulle aktiveres og samordnes megen usikkerhed pr gede denne atmosfere og der skulle en st rk og ansvarsbevidst h nd til at styre og presse projektet til en succesfyldt afslutning The Mrozek Reader Sławomir Mrozek, 2004 Sławomir Mrozek has reigned as the pre eminent playwright and satirist of Eastern Europe for the past half century A sharp critic of all oppressive systems during the Cold War he began his career as a young enthusiast for the new Communist regime in the early 1950s It didn t take long however until he was deemed such a threat that his work was banned not only in his native Poland but also in all Eastern bloc countries After the fall of Communism he returned home from self imposed exile in the West and was recognized as a major literary figure This reissue of fourteen plays and ten short stories along with a sampling of his capricious cartoons affirms Mrozek s mastery of a wide spectrum of styles and illustrates the development of his talent over the decades From the vantage point of the twenty first century Mrozek s questioning of authority his razor sharp sense of the comic and his spirit of contradiction seem as fresh and as relevant as ever
