Our Bravest Young Men, Vol. I Corinne McConnell Brulé, 2012-11-08 This is one volume of a two volume book This novel is a political statement set within a story in the Vietnam War The purpose of this book is to entertain to educate and to give a message about the Vietnam War The author has kept historical accuracy and realism to make this book meaningful Inspiration for writing this book came from the author's experience of living in America with the Vietnam War and from the author's recollections of Soldiers who were drafted and who fought in the war This book contains historic and well known quotations about war that have been used in the dialogue Some battlefield action has been added so the reader has a balance of action scenes and political discussions on the war *The Bomb* Gerard J. De Groot, 2005 Bombs are as old as hatred itself But it was the twentieth century one hundred years of incredible scientific progress and terrible war that brought forth the Big One the Bomb humanity's most powerful and destructive invention In *The Bomb A Life* Gerard DeGroot tells the story of this once unimaginable weapon that at least since 8 16 a.m. on August 6 1945 has haunted our dreams and threatened our existence The Bomb has killed hundreds of thousands outright condemned many more to lingering deaths and made vast tracts of land unfit for life For decades it dominated the psyches of millions becoming a touchstone of popular culture celebrated or decried in mass political movements films songs and books DeGroot traces the life of the Bomb from its birth in turn of the century physics labs of Europe to a childhood in the New Mexico desert of the 1940s from adolescence and early adulthood in Nagasaki and Bikini Australia and Kazakhstan to maturity in test sites and missile silos around the globe His book portrays the Bomb's short but significant existence in all its scope providing us with a portrait of the times and the people from Oppenheimer to Sakharov Stalin to Reagan whose legacy still shapes our world **Adolescents and Morality** E.M Eppel, 2006-08-21 The groundbreaking works in *The Sociology of Youth and Adolescence* set of the International Library of Sociology led the way to an authoritative understanding of how social interaction moulded young people Careful observation of vulnerable and troubled children helped the leading sociologists whose works are included in this set to investigate how aggression discipline the struggle for recognition and the need to rebel shaped the personalities of the young These are important texts for practitioners students and teachers in health and social welfare **Kataribe - Atomic Bomb Storytellers** Hardy Tasso, 2020-04-17 In August 2020 survivors commemorate the 75th anniversary of the atomic bombing of Hiroshima and Nagasaki By then however most of the former survivors will have died Only a few Kataribe atomic bomb storytellers remain to report on their experiences of August 1945 On the occasion of the 50th anniversary in 1995 several Kataribe in Hiroshima told me about their lives after the bombing Here are their stories against oblivion In order to protect future generations from the horrors of nuclear weapons **The Effects of Strategic Bombing on Japanese Morale**

United States Strategic Bombing Survey,1947 **Youth and Peace in England, 1919-1969** Susannah Wright,2025-02-03 This book offers an historical analysis of an area of young people s activity which remains significant in the present It shows that many thousands of young people in England were involved in peace movement activity from 1919 to 1969 in connection with the League of Nations Union before the Second World War pacifist bodies like the Peace Pledge Union in the 1930s and 1940s the Council for Education for World Citizenship post 1945 and the Campaign for Nuclear Disarmament from 1957 Young people engaged with the peace movement at school at home and in the community encompassing classroom learning attending lectures and meetings out of school hours pageants international camps and visits correspondence and sometimes demonstrations marches and other direct action protests Some were engaged briefly for others this became a long term focus of time energy and ideological commitment Some followed parents teachers and friends Others rebelled against those around them Examining the perspectives of those involved as young people and the adults aiming to involve young people in the peace movement this book is an important addition to our knowledge about movements and activism in the peace movement and more broadly and to our knowledge about young people s agency and its limits **The New Power of Children and Young People** David Cohen,2022-08-24 In a rapidly changing world children have more of a voice than ever before In The New Power of Children and Young People David Cohen explores how this has happened what the consequences might be and how we can best engage with our young people David Cohen considers the social political and psychological issues involved in children and young people s influence and how it impacts the balance of power between children and parents and other adults in their lives It examines crucial topics including the role of high profile young people such as Malala Yousafzai and Greta Thunberg their knowledge of and anxieties around global issues such as climate change children s relationships with technology and social media their changing relationships with parents and guardians how children develop a sense of justice sex and relationships how children are depicted in TV and film young people s experience of education and shines a light on their growing political confidence and engagement Young people should be interested as well as parents teachers social workers politicians and other key professionals involved in children and young people s lives This thought provoking book offers insight to help us understand young people s lives **Socially Just, Radical Alternatives for Education and Youth Work Practice** Charlie Cooper,Sinéad Gormally,Gill Hughes,2015-10-12 Challenging dominant discourses in neoliberal marketized societies about working with disconnected young people this book argues that alternative radical approaches to formal and informal education are necessary to challenge repressive practices and to help build a more equal socially just society **Ethnic Conflict and War Crimes in the Balkans** Jelena Obradovic,2013-07-15 In the years following the fall of Slobodan Milosevic Serbian social cultural and political responses to the wars of the 1990s have fallen under intense scrutiny In Ethnic Conflict and War Crimes in the Balkans Jelena Obradovic Wochnik explores some of those responses taking into consideration notions such as silence denial and conspiracy theory the book sheds some light on the

complicated narratives about the 1990s The book considers the experience of knowing witnessing and speaking about atrocities and thus contributes to the debates on confronting the past in Serbia Specifically it considers how individuals of the ordinary public in Serbia reflect upon understand and keep secrets about the 1991 1999 conflicts in Croatia Bosnia and Herzegovina and Kosovo and the atrocities human rights abuses and war crimes which were committed there Close attention is paid to the stories of individuals whose voices and experiences are generally excluded from the broader debate about the past Jelena Obradovic Wozniak explores how these narratives diverge from resist and are invisible to the formal and civil society initiatives aimed at confronting the past in Serbia In doing so the book also explores silence about and denial of the violent past and considers how and where these dynamics manifest and what they might mean In addition it covers themes such as narratives of self victimhood conspiracy theory and the perception of war time leaders and combatants This is a detailed and considered investigation into how groups cope with knowledge and the witnessing of violent pasts It is based on ethnographic research and interviews with a group of ordinary individuals in post Milosevic Serbia As such it provides a unique perspective on the lived experience of the conflicts and the ways in which stories of the 1990s emerge in everyday contexts

Reflecting on the 70 Years after the A-bombing The Japan In-Utero Hibakusha Network,2015-08-05 We were born after being exposed to radiation from the first ever atomic bombing We thought it would be a good idea to ask the members to look back on their past and write their own 70 year life history The hard times we came through and our future hopes will be included in the booklet though we will still be faced with endless anxiety about our health I hope young people will take positive steps forward looking into the future

Death and Dying in Children's and Young People's Literature Marian S. Pyles,1988 A boy age four could not understand what had happened to a little girl in his nursery school His mother explained that Angie had died and had been buried in the earth Later she found him and his playmates digging in the backyard trying to find Angie so that we can play with her Books can be a valuable resource in helping a young person understand Fortunately in much of the literature for children folklore the classics modern works there is an abundance of tasteful truthful and artistic material This book discusses death in general adult and child responses to it its treatment in folklore nursery rhymes etc and the classics of children s literature and books currently available in public and school libraries For younger and older children the death of a pet a friend a relative and one s own death

Young People's History of the World War Louis Paul Bénézet,1922 **Psychosocial Perspectives on Peacebuilding** Brandon Hamber,Elizabeth Gallagher,2014-11-04 The book Psychosocial Perspectives on Peacebuilding offers a template for those dealing with the aftermath of armed conflict to look at peacebuilding through a psychosocial lens This Volume and the case studies that are in it starts from the premise that armed conflict and the political violence that flows from it are deeply contextual and that in dealing with the impact of armed conflict context matters The book argues for a conceptual shift in which psychosocial practices are not merely about treating individuals and groups with context and culturally sensitive

methods and approaches the contributors argue that such interventions and practices should in themselves shape social change This is of critical importance because the psychosocial method continually highlights how the social context is one of the primary causes of individual psychological distress The chapters in this book describe experiences within very different contexts including Guatemala Jerusalem Indian Kashmir Mozambique Northern Ireland South Africa and Sri Lanka The common thread between the case studies is that they each show how psychosocial interventions and practices can influence the peacebuilding environment and foster wider social change Psychosocial Perspectives on Peacebuilding is essential reading for social and peace psychologists as well as for students and researchers in the field of conflict and peace studies and for psychosocial practitioners and those working in post conflict areas for NGO s

The Child as Social Person Sara Meadows, 2009-12-16 The Child as Social Person provides an integrated overview of the exciting field of developmental social psychology and as such will be essential reading for advanced undergraduate students in psychology education and social work

American Heritage Book of Great American Speeches for Young People Suzanne McIntire, 2002-07-15 The history of the United States has been characterized by fervent idealism intense struggle and radical change And for every critical defining moment in American history there were those whose impassioned voices rang out clear and true and whose words compelled the minds and hearts of all who heard them When Patrick Henry declared Give me liberty or give me death when Martin Luther King Jr said I have a dream Americans listened and were profoundly affected These speeches stand today as testaments to this great nation made up of individuals with bold ideas and unshakeable convictions The American Heritage Book of Great American Speeches for Young People includes over 100 speeches by founding fathers patriots Native American and African American leaders abolitionists women s suffrage and labor activists writers athletes and others from all walks of life featuring inspiring and unforgettable speeches by such notable speakers as Patrick Henry Thomas Jefferson Tecumseh Frederick Douglass Sojourner Truth Abraham Lincoln Susan B Anthony Mother Jones Lou Gehrig Franklin D Roosevelt Albert Einstein Pearl S Buck Langston Hughes John F Kennedy Martin Luther King Jr These are the voices that shaped our history They are powerful moving and above all else uniquely American
