The Boom In Spanish American Literature A Personal History:

The Boom in Spanish American Literature ,1972 The Boom in Spanish American Literature José Donoso,Center for Inter-American Relations,1977 **The Boom in Spanish American Literature** José Donoso,Center for Inter-American Relations,1977-01-01 Gregory Rabassa's Latin American Literature María Constanza Guzmán,2011-03-14 This book is a critical study of the work of Gregory Rabassa translator of such canonical novels as Gabriel García Márquez's *Cien años de soledad* José Lezama Lima's *Paradiso* and Julio Cortázar's *Rayuela*. During the past five decades Rabassa has translated over fifty Latin American novels and to this day he is one of the most prominent English translators of literature from Spanish and Portuguese. Rabassa's role was pivotal in the internationalization of several Latin American writers; it led to the formation of a canon and significantly to the most prevalent image of Latin American literature in the world. Even though Rabassa's legacy has been widely recognized, the extent of his work's influence and the complexity of the sociocultural circumstances surrounding his practice have remained largely unexamined. In *Gregory Rabassa's Latin American Literature: A Translator's Visible Legacy* María Constanza Guzmán examines the translator's conceptions about language, contextualizes his work in terms of the structures and conditions that have surrounded his practice, and investigates the role his translations have played in constructing collective narratives of Latin American literature in the global imaginary. By revisiting and historicizing the translator's practice, this book reveals the scale of Rabassa's legacy. The translator emerges as an active subject in the inter-American literary exchange, an agent bound to history and to the forces involved in the production of culture.

A Companion to Latin American Literature Stephen M. Hart,2007 The evolution of Latin American literature. *A Companion to Latin American Literature* offers a lively and informative introduction to the most significant literary works produced in Latin America from the fifteenth century until the present day. It shows how the press and its product, the printed word, functioned as the common denominator binding together in different ways over time the complex and variable relationship between the writer, the reader, and the state. The meandering story of the evolution of Latin American literature from the letters of discovery written by Christopher Columbus and Vaz de Caminha via the Republican era at the end of the nineteenth century, when writers in Rio de Janeiro as much as in Buenos Aires were beginning to live off their pens as journalists and serial novelists, until the 1960s, when writers of the quality of Clarice Lispector in Brazil and García Márquez in Colombia suddenly burst onto the world stage, is traced chronologically in six chapters which introduce the main writers in the main genres of poetry, prose, the novel, drama, and the essay. A final chapter evaluates the post-boom novel, testimonio, Latino and Brazilian literature, gay Afro-Hispanic and Afro-Brazilian literature, along with the Novel of the New Millennium. This study also offers suggestions for further reading. STEPHEN M. HART is Professor of Hispanic Studies, University College London, and Profesor Honorario, Universidad de San Marcos, Lima.
