**UFO's: The Great Last Days Deception** Billy Crone, 2018-03-16 Mention the topic of UFOs and Aliens and not only have most people already formed their opinions about them but virtually everyone on the planet now believes in them. More people believe in Aliens than in the existence of God, and more people believe that Aliens have visited planet Earth than that Jesus is the Son of God. Ufology has become a new religion for the 21st century where people now believe that Aliens will save them, not God. The problem is hardly anyone recognizes the true identity of UFOs, let alone how they are being used to usher in one of the darkest, most deceptive times in the history of mankind. Therefore, this book *UFO's: The Great Last Days Deception* seeks to equip you with the truth concerning so-called extraterrestrial visitors and their hidden demonic agenda. One of the biggest lies in the history of mankind is about to be foisted upon the whole world. The Rapture of the Church is going to happen, but it won't be from a liftoff in UFOs like we are being told. Don't fall for the lie.
