The Big East Dana O'Neil, 2021-11-09 The definitive compulsively readable story of the greatest era of the most iconic league in college basketball history the Big East This book full of long standing rivalries unmatched

moments in the lives of coaches and players and juicy insider gossip is like the game of basketball a ton of fun Philadelphia magazine The names need no introduction Thompson and Patrick Boenheim and the Pearl and of course Gavitt And the moments are part of college basketball lore the Sweater Game Villanova Beats Georgetown and Six Overtimes But this is the story of the Big East Conference that you haven't heard before of how the Northeast once an afterthought became the epicenter of college basketball Before the league's founding East Coast basketball had crowned just three national champions in forty years and none since 1954 But in the Big East's first ten years five of its teams played for a national championship The league didn't merely inherit good teams it created them But how did this unlikely group of schools come to dominate college basketball so quickly and completely Including interviews with more than sixty of the key figures in the conference's history The Big East charts the league's daring beginnings and its incredible rise It transports fans inside packed arenas to epic wars fought between transcendent players and behind locker room doors where combustible coaches battled even more fiercely for a leg up Started on a handshake and a prayer the Big East carved an improbable arc in sports history an ensemble of Catholic schools banding together to not only improve their own stations but rewrite the geographic boundaries of basketball As former UConn coach Jim Calhoun eloquently put it It was Camelot Camelot with bad language

Blagojevich as the brother of ill fated Illinois governor Rod Blagojevich But many don't know why Robert came to work for his brother or how he came to be named as a defendant in the criminal trial accusing Rod of attempting to sell Barack Obama's former Senate seat to the highest bidder after the presidential election of 2008 Now Robert offers a brutally honest inside look at what it is like to face the full force and power of the federal government and maintain innocence in a high profile criminal case By the time United States of America vs Rod Blagojevich and Robert Blagojevich was over one of the most renowned prosecutors in America Patrick Fitzgerald had brought down a governor of Illinois for the second time in five years An investigation that would unseat one of the unindicted co-conspirators in the case Congressman Jesse Jackson Jr had begun And the integrity of President Obama US Senator Roland Burris and Chicago Mayor Rahm Emanuel had been called into question For the last four months of 2008 Robert was at his brother's request the head of Rod's fundraising operation Friends of Blagojevich Rod and Robert had taken very different career paths and had drifted apart by middle age But when Rod asked Robert to help him fundraise because he couldn't trust anyone else in the role Robert agreed honoring his parents wish that the brothers help one another when needed In the rough and tumble world of Chicago style politics operating on an ethical level was not easy as this telling memoir demonstrates Robert often had to tell potential donors that there was no quid pro quo for a contribution giving money did not result in state contracts and certainly didn't result in an appointment to fill a vacant Senate seat Fundraiser A is a criminal defendant's gripping account of how he rose to the biggest challenge of his life and beat the odds of a 96 percent Department of Justice conviction rate to walk away with his freedom It offers not only a previously untold story of a fascinating trial with well known colorful characters that captured the attention of the nation but also a look at a universal relationship brothers as well as the theme of a David ordinary citizen facing the Goliath federal government Those who enjoy legal thrillers political dramas family sagas and all things Chicago will be especially interested in this memoir
