The Big Idea Of Biblical Preaching Connecting The Bible To People:

The Big Idea of Biblical Preaching Keith Willhite, Scott M. Gibson, 2003-02-01 Since 1980 Haddon Robinson has influenced generations of students and preachers through his widely used classic text *Biblical Preaching* in which he shows preachers how to communicate the Bible's big ideas with precision. But does Robinson's big idea approach to expository preaching still work in today's diverse cultures and fast-paced world? *The Big Idea of Biblical Preaching* now in paperback presents a strong defense of the ongoing relevance of this approach to expository preaching. An experienced and skilled group of contributors to this volume includes Paul Borden, Scott M. Gibson, Duane Litfin, Terry Mattingly, John Reed, Bruce L. Shelley, Donald R. Sunukjian, Joseph M. Stowell III, Bruce K. Waltke, Scott Wenig, and Keith Willhite. This volume is written not only for the current generation of students but also for today's preachers who will find in the pages of this book a powerful approach to expository preaching.

The Big Idea of Biblical Worship David A. Currie, 2021-10-05 Is your goal to foster true communion with God and unhindered relationship with fellow worshipers? Learn to focus on shared biblical content that everyone, regardless of denomination or theology, holds in common. With David Currie's *The Big Idea of Biblical Worship*, the components of worship emerge from its content as filtered through a complex variety of contexts: denominational, cultural, ethnic, regional, generational, seasonal, theological, and more. If those involved in worship are in agreement about its basis in Scripture, then they can bring that common biblical framework to their particular set of contexts. Currie's book will help worship coordinators and ministry leaders develop worship services that fully reflect what God is saying in his word in ways that can be received and echoed in the uniqueness of particular communities.

Designing Effective Biblical Instruction Chris Cobb, 2017-08-18 There is a great need today for effective and life-transforming biblical instruction in our churches and Christian schools. In order to meet this need, we must focus more on developing instructional units or courses that are geared toward the needs and contexts of our learners. Applying the principles of instructional design will help you in this pursuit as you learn how to build learning profiles, perform needs assessments, shape educational goals and objectives, determine the scope and sequence of instruction, select teaching strategies, and craft assessments. Whether you are a pastor, small group leader, Sunday school teacher, or Christian school Bible teacher, *Designing Effective Biblical Instruction* will help you engage the steps of instructional design and apply them to your specific ministry context. You will be challenged to refine your skills in these areas and become a more dynamic Christian educator.

Serving the Word Edward Sanders, Frank Dicken, 2015-07-07 This book and the essays contained within are dedicated to Dr. Chuck Sackett in recognition of his thirty-two years of teaching at Lincoln Christian University. He currently serves as Professor at Large but has held a variety of roles and titles during his thirty-two years there. These essays are written by current colleagues and former students who have had the privilege of studying hermeneutics, homiletics, and ministry with Dr.

Sackett Each essay covers a topic of scholarly or contemporary interest in the fields of hermeneutics or homiletics Hermeneutics and homiletics remain topics of discussion in the academy and the church These essays continue that discussion The essays overlap the two fields Some essays focus heavily on hermeneutical issues with an eye towards proclamation while others start with homiletics and hermeneutical issues are echoed in the background The essays found in this book offer unique perspectives and approaches to interpretation and preaching Though homiletics and hermeneutics are the fields of the study the church remains the arena where the fruit of each discipline is observed most clearly as Dr Sackett instructed his students throughout his years of teaching

The Drama of Preaching Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word

Making a Difference in Preaching Haddon W. Robinson, 2002-04-01 An edited collection of Haddon Robinson's shorter writings on preaching designed to help readers understand his preaching theory method and practice

Luke Sue Edwards, 2009 In the gospel of Luke Christ often ministers to women individually offering them compassion and teaching them how to overcome these perennial difficulties In this insightful and relevant Bible study popular author Sue Edwards focuses each lesson on a specific conversation between Jesus and a woman in Luke showing today's women how to free themselves from their struggles by replacing negative feelings and destructive behaviors with healthy attitudes and positive actions

Ephesians Sue Edwards, This astute Bible study by women's ministry leader Sue Edwards uses the example of Paul's church in Ephesus to show readers how they can be victorious Christians seated in God and free from sin Includes a leader's guide in the back

Proverbs Paul Koptak, 2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages

The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written Preaching to a Shifting Culture Scott M. Gibson,2004-08 A challenge to preachers to proclaim the Scriptures with authority and power in a post Christian world *Stop Preaching and Start Communicating* Tony Gentilucci,2009-02-02 Stop Preaching and Start Communicating examines the medium of television as a powerful method of communication to consider what we can learn from it as communicators of the most important message the world needs to hear Tony discusses knowing your target audience how to begin and end your message effectively communicating without notes the need for one memorable big idea and how to communicate to transform rather than simply inform **The Beasts, the Graves, and the Ghosts** Hann Tzuu Joey Tan,2020-05-31 At the heart of the gospel is the message of the incarnation God translating himself into the context of human culture and language so we might know him Far from coming to an end with Christ s life on earth this process of contextualization is ongoing reoccurring every time the gospel encounters the particularities of society and culture In this book Hann Tzuu Tan explores the significance of contextualized preaching within the Chinese context Against the backdrop of three major festivals the Spring Festival the Qing Ming Festival and the Hungry Ghost Festival Tan examines the practices of six experienced Chinese preachers in order to demonstrate the theological and practical importance of contextualized preaching As a result of his research Tan suggests six main principles for contextual preaching principles that are rooted within a Chinese context yet applicable to anyone seeking to express the gospel s relevance within a particular cultural setting Combining insights from biblical studies applied theology and ethnography this interdisciplinary study will enrich one s understanding of Chinese culture the gospel and the important and necessary work of contextualization Let the Legends Preach Jared E. Alcántara,2021-04-01 Let the Legends Preach celebrates the past and current legends of black preaching through preserving the sermons that they preached at the Annual E K Bailey Expository Preaching Conference The twenty four preachers honored in this book received the Living Legend Award for Excellence in Preaching on account of ministries that impacted hundreds of thousands of people across the nation and around the world Not only does this book lift up preachers that are familiar to so many names belonging to the great cloud of witnesses in black preaching over the last fifty years but it also introduces a new generation of preachers to their powerful stories and homiletical wisdom Each chapter offers readers short biographical sketches on the life and ministry of the preachers that were honored followed by the sermon that they preached or the lecture that they delivered at the annual conference *The Power of Multisensory Preaching and Teaching* Rick Blackwood,2009-05-26 Most preaching and teaching in the church engages only one of the senses hearing In The Power of Multisensory Preaching and Teaching Rick Blackwood shows how recognizing and engaging the multiple senses of the congregation can lead to greater

impact Blackwood presents both biblical evidence and scientific research showing that the more senses we stimulate in teaching and preaching the greater the levels of learner attention comprehension and retention Blackwood addresses both the why and the how of multisensory communication Regardless of one's current skill level this practical book can help anyone add multi sensory elements to messages in order to take communication to the next level more compelling clear and memorable As a result of reading this book readers can be more effective as a communicator and teacher The book includes tools examples and worksheets

Hear the Word James A. Prette, 2011-04 Communicating the eternal truth of the Gospel in the continually changing context and language of contemporary culture can be a challenging task In *HEAR the WORD* author Dr James A Prette explores authentic Christian preaching in the postmodern culture In this examination Prette discusses the three essential elements of persuasive communication pathos ethos and logos and their parallels in Christian spiritual transformation content context and conveyor He offers a theological reflection exploring and defining a biblical paradigm for spiritual formation through the exposition of the biblical logos that crosses cultural and generational boundaries He also delves into the cultural shift that has taken place in the ethos of western culture from a modernist worldview to a postmodern one and its impact on Christian life and ministry *HEAR the WORD* offers nine important themes that can guide spiritual leaders in listening to and proclaiming the authentic word of God in this new postmodern paradigm

Moments in Time HyeRan Kim-Cragg, 2024-11-13 This book is about preaching in The United Church of Canada Gathering together two or three sermons from each decade in the first century of the United Church's life authors HyeRan Kim Cragg and Don Schweitzer share the perspectives of diverse United Church preachers facing events from the formation of the United Church to the challenge of online ministry during a pandemic Each sermon is accompanied by historical context an analysis of homiletical techniques and the influence of each sermon and preacher From the opening chapters of *Moments in Time* readers will be transported across the last century to survey the landscape and legacy of this beloved institution that has played such an influential role in Canadian religious history and society

She Can Teach Jackie Roesse, 2013-10-04 Conservative evangelical women are least likely to be trained in the areas of teaching and preaching It s a tragic state of affairs given the central value that our tradition places on the Scriptures In this book Jackie Roesse examines the forces both past and present that have discouraged women from becoming trained We ll discover that women are indeed called gifted and mandated in Scripture to herald the Word of God The first half of the book will focus on encouraging women to become as fully equipped as our male counterparts and to use their uniquely female voice in proclaiming truth to other women in various settings outside pulpit preaching But encouragement isn t enough Many women who already teach Bible studies or who desire to teach are in no position to pursue formal studies in a seminary To that end the second half of *She Can Teach* is dedicated to developing homiletic skills Together we will learn how to study a passage find the main idea and build and deliver a biblical message By the end of this book the reader will be better equipped to proclaim truth through her uniquely female voice to her female audience

Transformation and Development of Human Society: Robert Munthali, 2014-10-31 In this book the promovendus investigates the critical role a preacher and his her homilies have in bringing transformation development and healing in the human society The investigation shows how a preacher has been sidelined on issues of progress when from time immemorial he she has been a critical and pivotal component in the phenomenon The study is an attempt to reclaim a preachers role in bringing progress and healing in underdeveloped communities through homilies particularly in Venda rural South Africa This book proposes a preacher as the transformer developer and healer of the people
