The Greatest War Films of All Time

Andrew J. Rausch, 2004 The appeal of war stories is as old as story telling itself The Greatest War Films of All Time features 100 of the most celebrated and classic war films in history from All Quiet on the Western Front to Mindtalkers and the most illustrious film stars from John Wayne to Tom Hanks More than 105 quizzes on individual films cover all aspects of each masterpiece from the plot to the particulars of its production and reception While some of these questions cover details most movie fans will know many of them challenge even the most avid cinema buff

The Big Parade, 1927* *The Great War in American and British Cinema, 1918-1938* Ryan Copping, 2020-11-10 This book recounts the reception of selected films about the Great War released between 1918 and 1938 in the USA and Great Britain It discusses the role that popular cinema played in forming and reflecting public opinion about the War and its political and cultural aftermath in both countries

Although the centenary has produced a wide number of studies on the memorialisation of the Great War in Britain and to a lesser degree the USA none of them focused on audience reception in relation to the Anglo American circulatory system of Trans Atlantic culture

American Writers and World War I

David A. Rennie, 2020 This volumes explores how author s war writing was shaped by their personal and professional lives and it studies works by Edith Wharton Ellen La Motte Mary Borden Thomas Boyd F Scott Fitzgerald Laurence Stallings and Ernest Hemingway

Armed Forces Robert Eberwein, 2007-06-13 In war films the portrayal of deep friendships between men is commonplace Given the sexually anxious nature of the American imagination such bonds are often interpreted as carrying a homoerotic subtext In Armed Forces Robert Eberwein argues that an expanded conception of masculinity and sexuality is necessary in order to understand more fully the intricacy of these intense and emotional human relationships

Drawing on a range of examples from silent films such as What Price Glory and Wings to sound era works like The Deer Hunter Platoon Three Kings and Pearl Harbor he shows how close readings of war films particularly in relation to their cultural contexts demonstrate that depictions of heterosexual love including those in romantic triangles actually help to define and clarify the nonsexual nature of male love The book also explores the problematic aspects of masculinity and sexuality when threatened by wounds as in The Best Years of Our Lives and considers the complex and persistent analogy between weapons and the male body as in Full Metal Jacket and Saving Private Ryan

50 MGM Films That Transformed

Hollywood Steven Bingen, 2022-11-01 Movies don t exist in a vacuum Each MGM movie is a tiny piece of a large colorful

although often black and white quilt with threads tying it into all of the rest of that studio's product going forward yes but also backward and horizontally and three dimensionally across its entire landscape Not necessarily a best of compilation this book discusses the films that for one reason or another and not all of them good ones changed the trajectory of MGM and the film industry in general from the revolutionary use of Cinerama in 1962's *How the West Was Won* to Director Alfred Hitchcock's near extortion of the profits from the 1959 hit thriller *North by Northwest* And there are the studio's on screen self shoutouts to its own past or stars in films like *Party Girl* 1958 the *That's Entertainment* series *Garbo Talks* 1984 *Rain Man* 1955 and *De Lovely* 2004 or the studio's acquisition of other successful franchises such as James Bond But fear not what we consider MGM's classic films all get their due here often with a touch of irony or fascinating anecdote Singin in the Rain 1952 for example was in its day neither a financial blockbuster nor critically acclaimed but rather an excuse for the studio to reuse some old songs it already owned *The Wizard of Oz* 1939 cost almost as much to make as *Gone With the Wind* also 1939 and took ten years to recoup its costs But still the MGM mystique endures Like the popular Netflix series *The Movies that Made Us* this is a fascinating look behind the scenes of the greatest and at times notorious films ever made

American Political Movies James Combs, 2013-12-17 Essays here explore the relationship between politics and explicitly political feature films from the beginning of the movie industry to World War I and for each decade through to the 1980's The included filmography is particularly useful Originally published in 1990 the method of inquiry put forward in this text is nonetheless extendable to the decades following its publication

American History/American Film John E. O'Connor, Martin A. Jackson, 2016-10-06 In this pioneering work sixteen historians analyse individual films for deeper insight into US institutions values and lifestyles Linking all of the essays is the belief that film holds much of value for the historian seeking to understand and interpret American history and culture This title will be equally valuable for students and scholars in history using film for analysis as well as film students and scholars exploring the way social and historical circumstances are reflected and represented in film
