The Big Tomato A Guide To The Sacramento Region:

The Big Tomato Dorothy Kupcha Leland, 1988-09-01 **La Gente** Lorena V. Márquez, 2020-10-27 *La Gente* traces the rise of the Chicana o Movement in Sacramento and the role of everyday people in galvanizing a collective to seek lasting and transformative change during the 1960s and 1970s In their efforts to be self determined la gente contested multiple forms of oppression at school at work sites and in their communities Though diverse in their cultural and generational backgrounds la gente were constantly negotiating acts of resistance especially when their lives the lives of their children their livelihoods or their households were at risk Historian Lorena V M rquez documents early community interventions to challenge the prevailing notions of desegregation by barrio residents providing a look at one of the first cases of outright resistance to desegregation efforts by ethnic Mexicans She also shares the story of workers in the Sacramento area who initiated and won the first legal victory against canneries for discriminating against brown and black workers and women and demonstrates how the community crossed ethnic barriers when it established the first accredited Chicana o and Native American community college in the nation M rquez shows that the Chicana o Movement was not solely limited to a handful of organizations or charismatic leaders Rather it encouraged those that were the most marginalized the working poor immigrants and or the undocumented and the undereducated to fight for their rights on the premise that they too were contributing and deserving members of society *Inside Guide to Sacramento* Dan Flynn, James A.
