artist confesses to a shocking murder that rocks his remote coastal village in the first novel of the author's acclaimed Canadian trilogy A National Book Award Finalist Newfoundland 1911 Fabian Vas is a bird artist He draws and paints the birds of his small hometown Witless Bay In the first paragraph of his tale Fabian reveals that he has murdered the village lighthouse keeper Botho August Later he confesses who and what drove him to his crime a measured profoundly engrossing story of passion betrayal guilt and redemption between men and women The Art of the Bird Roger J. Lederer,2019-09-25

The human history of depicting birds dates to as many as 40 000 years ago when Paleolithic artists took to cave walls to capture winged and other beasts But the art form has reached its peak in the last four hundred years In *The Art of the Bird* devout birder and ornithologist Roger J Lederer celebrates this heyday of avian illustration in forty artists profiles beginning with the work of Flemish painter Frans Snyders in the early 1600s and continuing through to contemporary artists like Elizabeth Butterworth famed for her portraits of macaws Stretching its wings across time taxa geography and artistic style from the celebrated realism of American conservation icon John James Audubon to Elizabeth Gould's nineteenth century renderings of museum specimens from the Himalayas to Swedish artist and ornithologist Lars Jonsson's ethereal watercolors this book is feathered with art and artists as diverse and beautiful as their subjects A soaring exploration of our fascination with the avian form *The Art of the Bird* is a testament to the ways in which the intense observation inherent in both art and science reveals the mysteries of the natural world **The Bird Artist** Howard Norman,1994 The setting is the bleak

coastline of Newfoundland and the protagonist is Fabian Bass an artistic type who paints birds when he is not building boats Forced by his parents to abandon the woman he loves in order to marry a cousin he revenges himself by murdering his mother's lover By the author of *Northern Lights* The Bird Artist's Pictures, and Other Stories Nora Vynne,1894

**Capturing the Essence** William T Cooper,2011-05-12 *Capturing the Essence* is a step by step personal guide by one of Australia's greatest living bird artists to observing retaining the essential information and then painting birds from field notes and sketches photographs and other field observations The author takes the reader through the processes involved in oil painting watercolour and acrylic techniques and a piece of art is built up in stages to demonstrate the skills required in each of these media While the book covers some of the general basics relevant to various kinds of painting of natural history subjects the concentration is very much on birds Painting or drawing any subject well gives great satisfaction In this book the author hopes to help the reader become competent at drawing and painting birds or at least to enjoy trying **Feathers to**

*The Bird Artist* Aden Jile, 2018-01-11 Twisty action packed mystery intriguing characters A stalking a letter an encounter There's a man in the trees blending like a bird but ornithologist Jessica Bright sees him and knows he's hunting her She eludes him Yet rare birds disappear and their watchers are murdered Circumstances suggest a creative psychotic killer Does the perpetrator connect

to an elusive artist Manfred Hellman who wrote a letter saying she was one of two who could guide him or are they one in the same The truth is hiding behind a deadly game *Bird Lore* ,1921 Birds in the Hand Kent Nelson,Dylan Nelson,2005-10-19 A unique anthology of avian literature From the myths of ancient Greece to the fables of Aesop from Chaucer to contemporary poetry and fiction birds are central to literature because they connect us intimately to the natural world Whether we watch birds at our feeders travel vast distances to identify rare species or simply pause in a busy day to listen to the coo of a dove or the trill of a warbler birds sustain us Birds in the Hand is a collection of contemporary fiction and poetry that explores the complex often startling ways in which birds shed light upon our lives In work from a diverse and celebrated group of contemporary authors such as Charles Baxter T C Boyle Jim Harrison Flannery O Connor Pattiann Rogers Seamus Heaney Derek Walcott Ethan Canin and Jorie Graham birds are sources of inspiration confrontation and revelation These stories and poems take us from New York and Hoboken to the Salton Sea and the wilds of Montana from a hardware store to the westernmost Aleutian island from a prison to marshes forests and seacoasts Field guides and natural history books cannot capture the essence of why birds thrill us Birds in the Hand uses the vitality and nuance of fiction and poetry to get at the heart of our mysterious sense of birds and the way they can reflect the brightest and darkest aspects of our own natures The Birds That Audubon Missed Kenn Kaufman,2025-05-20 Renowned naturalist Kenn Kaufman examines the scientific discoveries of John James Audubon and his artistic and ornithologist peers in this fascinating blend of history science art biography and memoir Booklist starred review that is a bird lovers delight Kirkus Reviews Raging ambition Towering egos Competition under a veneer of courtesy Heroic effort combined with plagiarism theft exaggeration and fraud This was the state of bird study in eastern North America during the early 1800s as a handful of intrepid men raced to find the last few birds that were still unknown to science The most famous name in the bird world was John James Audubon who painted spectacular portraits of birds But although his images were beautiful creating great art was not his main goal Instead he aimed to illustrate and write about as many different species as possible obsessed with trying to outdo his rival Alexander Wilson George Ord a fan and protégé of Wilson held a bitter grudge against Audubon for years claiming he had faked much of his information and his scientific claims A few of Audubon's birds were pure fiction and some of his writing was invented or plagiarized Other naturalists of the era including Charles Bonaparte nephew of Napoleon John Townsend and Thomas Nuttall also became entangled in the scientific derby as they stumbled toward an understanding of the natural world an endeavor that continues to this day Despite this intense competition a few species including some surprisingly common songbirds hawks sandpipers and more managed to evade discovery for years Here renowned bird expert and artist Kenn Kaufman explores this period in history from a new angle by considering the birds these people discovered and especially the ones they missed Kaufman has created portraits of the birds that Audubon never saw attempting to paint them in that artist's own stunning style showing how our understanding of birds continues to gain clarity

even as some mysteries persist from Audubon's time until ours      *Bird Books and Bird Art* J. Anker, 2014-11-14      **The Birds of British Columbia** Robert Wayne Campbell, Canadian Wildlife Service, British Columbia. Wildlife Branch, 1990 This is the first volume in a 4 volume set which is the culmination of two decades of research and writing For the first time the natural history migration patterns habitat requirements reproductive biology and distribution of the province's birdlife are combined in one publication This is a reprint of the original volume published in 1990 by the Royal British Columbia Museum and the Canadian Wildlife Service No changes or updates in content have been made from the original edition      *Botanists and Zoologists* Dean Miller, 2014-01-01 In this volume a breakdown of the life and work of some of history's pioneers in the study of plants and animals are thoroughly explored It provides excellent biographical sketches for trailblazers in the sciences Articles are devoted to specific scientists covering their contributions to their field specifically addressing how their research discoveries and inventions impacted human understanding and experience This volume covers names from around the world and throughout the centuries with a chapter specifically devoted to the top scientific contributors of the 21st century
