The Birth Grave:

The Birthgrave Tanith Lee, 2015-06-02 A mysterious woman awakens in the heart of a dormant volcano. Shepherded into rebirth by a terrifying entity named Karrakaz, she has no memory of herself but is offered a choice: remain in eternal darkness or begin a cursed life above. Emerging into a culturally devastated and brutal world, she embarks on a journey of discovery despite the ruthless fate foretold by Karrakaz and the dark heritage she may be forced to accept. Inexplicably compelled to seek out strange objects she knows only as Jade, she could be anyone: mortal woman, demoness, lover, fierce sorceress, last living heir to a long-gone race, or a goddess of destruction. She chooses to be all.

The Birth, Marriage, and Death Register, Church Records and Epitaphs of Lancaster, Massachusetts Lancaster (Mass.), 1890 [The Birth, Marriage, and Death Register, Church Records and Epitaphs of Lancaster, Massachusetts, 1643-1850](#) Henry S. Nourse, 1993-06 At its annual meeting in March 1889, the town of Lancaster made appropriations for the preservation in print of its older records of births, marriages, and deaths. These records came from a variety of sources, including Middlesex County Court town records, five churches (First Church, Second or Chocksett Church, Hillside Church, The Evangelical Congregation Church, and Universalist Church), Rev. George M. Bartol, and Judge Joseph Wilder. Epitaphs were preserved from the following seven burial grounds: the Old Burial Field, the Old Common Burial Ground to 1850, the Chocksett Burial Ground 1736-1781, the Middle Cemetery to 1850, the Burial Place of the Shakers to 1850, the North Burial Field to 1850, and the North Village Cemetery to 1850. The everyname plus subject index lists places and persons.

Birth in Kabbalah and Psychoanalysis Ruth Kara-Ivanov Kaniel, 2022-07-05 Birth in Kabbalah and Psychoanalysis examines the centrality of birth in Jewish literature, gender theory, and psychoanalysis, thus challenging the centrality of death in Western culture and existential philosophy. In this groundbreaking study, Ruth Kara-Ivanov Kaniel discusses similarities between Biblical, Midrashic, Kabbalistic, and Hasidic perceptions of birth, as well as its place in contemporary cultural and psychoanalytic discourse. In addition, this study shows how birth functions as a vital metaphor that has been foundational to art, philosophy, religion, and literature. Medieval Kabbalistic literature compared human birth to divine emanation and presented human sexuality and procreation as a reflection of the sefirotic structure of the Godhead. An attempt, Kaniel claims, to marginalize the fear of death by linking the humane and divine acts of birth. This book sheds new light on the image of God as the Great Mother and the crucial role of the Shekhinah as a cosmic womb. Birth in Kabbalah and Psychoanalysis won the Gorgias Prize and garnered significant appreciation from psychoanalytic therapists in clinical practice dealing with birth trauma, postpartum depression, and in early infancy distress.

North Carolina Civil War Obituaries, Regiments 47-70 Volume 2: A Collection of Tributes to the War Dead and Veterans Barry Munson, 2019-10-25 North Carolina sent over 125,000 men and boys to service in the Civil War. It is estimated that about 40,000 lost their lives through disease, accidents, or on the battlefield during the four war years. Previous to the war, death was a more private affair with family and friends there to comfort the dying and bid him or

her farewell Burials took place in the community in a churchyard or in a selected place where generations of a family lay But with the war what would happen to the bodies of their loved ones fathers husbands sons brothers and other relatives so far away from home This book a compilation of obituaries written in NC newspapers seeks to answer that question what happened to a loved one There are approximately 1200 names in this collection **Blue Book** Hong Kong,1930 *The Pilgrim Fathers* William Henry Bartlett,1853 **The Old Forest Ranger** Walter Campbell,1853 Pictures from Sicily, by the author of Forty days in the desert William Henry Bartlett,1853 **The Pilgrim Fathers ... Mack,2015-03-15 Atop a scenic bluff overlooking the Mississippi River and downtown Dubuque there once lay a graveyard dating to the 1830s the earliest days of American settlement in Iowa Though many local residents knew the property had once been a Catholic burial ground they believed the graves had been moved to a new cemetery in the late nineteenth century in response to overcrowding and changing burial customs But in 2007 when a developer broke ground for a new condominium complex here the heavy machinery unearthed human bones Clearly some of Dubuque s early settlers still rested there in fact more than anyone expected For the next four years staff with the Burials Program of the University of Iowa Office of the State Archaeologist excavated the site so that development could proceed The excavation fieldwork was just the beginning Once the digging was done each summer skeletal biologist Robin M Lillie and archaeologist Jennifer E Mack still faced the enormous task of teasing out life histories from fragile bones disintegrating artifacts and the decaying wooden coffins the families had chosen for the deceased Poring over scant documents and sifting through old newspapers they pieced together the story of the cemetery and its residents a story often surprising and poignant Weaving together science history and local mythology the tale of the Third Street Cemetery provides a fascinating glimpse into Dubuque s early years the hardships its settlers endured and the difficulties they did not survive While they worked Lillie and Mack also grappled with the legal and ethical obligations of the living to the dead These issues are increasingly urgent as more and more of America s unmarked and marked cemeteries are removed in the name of progress Fans of forensic crime shows and novels will find here a real world example of what can be learned from the fragments left in time s wake *The Music of Central Asia* Theodore Levin,Saida Daukeyeva,Elmira Köchümkulova,2016-12-05 A follow along feature highlights the song lyrics in the text as the audio samples play **The birth-place, home, churches, and other places connected with the author of 'The Christian year', illustr. in 32 fotogr. by W.
