

Surrogacy in Israel

The Birth Of Surrogacy In Israel

Elly Teman, Zsuzsa Berend

The Birth Of Surrogacy In Israel:

The Birth of Surrogacy in Israel D. Kelly Weisberg, 2005 This is the first book that explores the controversial dilemmas posed by surrogate motherhood the practices that help infertile couples to have a biologically related child and connects them to events that led to passage of a revolutionary surrogacy law in Israel As D Kelly Weisberg discusses the country s surrogacy legislation passed in 1996 she reveals a unique regulatory scheme that blazes a trail for those who wrestle with the complex legal medical and ethical aspects of new reproductive technologies At the same time she illuminates the roles of key players in the enactment of that program barren wives challenged the government childless couples who participated in a lawsuit against the Israeli Parliament the family law practitioner who championed the cause before the Israeli Supreme Court the academics who served on the law reform commission and the feminist legal scholar who drafted that commission s controversial recommendations Surrogacy has led to the birth of more than 10 000 babies worldwide Yet the practice challenges our notions of motherhood fatherhood family and procreation With surrogacy the family has become a creation of the marketplace children come into being as the product of contractual arrangements between perfect strangers And serious disputes sometimes arise as a result Conservative religious and political influences at play in Israel make it an unlikely setting for progressive reform however the Surrogate Mother Agreements Act catapulted Israel to the forefront of public attention as the only country where surrogacy is legal remunerated and government supervised No other law exists that is as comprehensive as Israel s Weisberg examines the social forces that contributed to the law documenting the clash between religious groups which paradoxically favored a law on reproductive freedom and feminist groups which opposed it She assesses the new law discusses what other countries can learn from Israel s example and explores its implications for the globalization of surrogacy She also considers generally the role of religion and law in social change **Birth of Surrogacy**

in Israel D. K. Weisberg, 2001 Eastwood offers a novel account of the rise of nationalism in Venezuela and the broader Hispanic world Birthing a Mother Elly Teman, 2010 This is an ethnography which probes the intimate experience of gestational surrogate motherhood Teman shows how surrogates and intended mothers carefully negotiate their cooperative endeavour Revisiting the Regulation of Human Fertilisation and Embryology Kirsty Horsey, 2015-06-19 The Human Fertilisation and Embryology Act 2008 was a major update to the UK s laws on the use and regulation of reproductive technology and assisted reproduction Since the enactment of the new law the sector s regulatory body the Human Fertilisation and Embryology Authority HFEA has also consulted on various related topics including barriers to egg and sperm donation in the UK multiple births single embryo transfer and using IVF technology to prevent mitochondrial disease This book critically considers recent developments in human fertilisation legislation asking whether the 2008 Act has achieved its stated aim of being fit for purpose Bringing together a range of international experts the book evaluates the fresh risks and challenges emerging from both established and existing technologies and techniques in the field of human

fertilisation and embryology as well as offering valuable insights into the social and regulatory challenges that lie ahead Key topics include problems with DIY assisted conception the lack of reform in respect of the regulation of surrogacy arrangements and mitochondrial DNA transfer As a review of the status of assisted reproduction legislation this book will be of great use and interest to students researchers and practitioners in medical law bioethics medicine and child welfare

The Outsourced Self Arlie Russell Hochschild, 2012-05-08 From the famed author of the bestselling *The Second Shift* and *The Time Bind* a pathbreaking look at the transformation of private life in our for profit world The family has long been a haven in a heartless world the one place immune to market forces and economic calculations where the personal the private and the emotional hold sway Yet as Arlie Russell Hochschild shows in *The Outsourced Self* that is no longer the case everything that was once part of private life love friendship child rearing is being transformed into packaged expertise to be sold back to confused harried Americans Drawing on hundreds of interviews and original research Hochschild follows the incursions of the market into every stage of intimate life From dating services that train you to be the CEO of your love life to wedding planners who create a couple s personal narrative from nameologists who help you name your child to wantologists who help you name your goals from commercial surrogate farms in India to hired mourners who will scatter your loved one s ashes in the ocean of your choice Hochschild reveals a world in which the most intuitive and emotional of human acts have become work for hire Sharp and clear eyed Hochschild is full of sympathy for overstressed outsourcing Americans even as she warns of the market s threat to the personal realm they are striving so hard to preserve *Kin, Gene, Community*

Daphna Birenbaum-Carmeli, Yoram S. Carmeli, 2010-07-01 Israel is the only country in the world that offers free fertility treatments to nearly any woman who requires medical assistance It also has the world s highest per capita usage of in vitro fertilization Examining state policies and the application of reproductive technologies among Jewish Israelis this volume explores the role of tradition and politics in the construction of families within local Jewish populations The contributors anthropologists bioethicists jurists physicians and biologists highlight the complexities surrounding these treatments and show how biological relatedness is being construed as a technology of power how genetics is woven into the production of identities how reproductive technologies enhance the policing of boundaries Donor insemination IVF and surrogacy as well as abortion pre implantation genetic diagnosis and human embryonic stem cell research are explored within local and global contexts to convey an informed perspective on the wider Jewish Israeli environment *Israel Studies Forum*, 2007

Judaism in Motion Sibylle Lustenberger, 2020-11-17 In Israel where the Orthodox rabbinate wields historically sanctioned influence over the legal definitions of marriage and parenthood same sex parenthood raises important questions such as what constitutes belonging to the national collective who has the authority to define the norms of reproduction and where the boundaries of Orthodox Judaism begin and end Judaism in Motion addresses these questions from a transgenerational perspective that pays heed to how religiously informed rules norms and practices of transferring material

properties names and societal belonging are adopted and transformed It presents a detailed ethnographic account of the dynamic interaction between kinship religion and the state that complicates the commonly held assumption that places same sex parenthood in a radically secular sphere that stands in stark opposition to Orthodox Judaism Taking same sex parenthood as a prism through which society at large is reflected this volume further explores how transformations of societal structures take place and what flexibility and leeway exist in organized religions

Surrogate Motherhood Rachel Cook, Shelley Day Sclater, Felicity Kaganas, 2003-06-24 This book is a multi disciplinary collection of essays from leading researchers and practitioners exploring legal ethical social psychological and practical aspects of surrogate motherhood in Britain and abroad It highlights the common themes that characterise debates across countries as well as exploring the many differences in policies and practices Surrogacy raises questions for medical and welfare practitioners and dilemmas for policy makers as well as ethical issues of concern to society as a whole The international perspective adopted by this book offers an opportunity for questions of law policy and practice to be shared and debated across countries The book links contemporary views from research and practice with broader social issues and bio ethical debates The book will be of interest to an international audience of academics and their students in law social policy reproductive medicine psychology and sociology practitioners including doctors counsellors midwives and welfare professionals as well as those involved in policy making and implementation

Assisting Reproduction, Testing Genes Daphna Birenbaum-Carmeli, Marcia C. Inhorn, 2009-08-01 Following the routinization of assisted reproduction in the industrialized world technologies such as in vitro fertilization preimplantation genetic diagnosis and DNA based paternity testing have traveled globally and are now being offered to couples in numerous non Western countries This volume explores the application and impact of these advanced reproductive and genetic technologies in societies across the globe By highlighting both the cross cultural similarities and diverse meanings that technologies may assume as they enter multiple contexts the book aims to foster understanding of both the technologies and the settings Enhanced by cross cultural perspectives the book addresses the challenges that globalization presents to local understandings of science technology and medicine

Bioethics and Biopolitics in Israel Hagai Boas, Yael Hashiloni-Dolev, Shai J. Lavi, Dani Filc, Nadav Davidovitch, 2018-01-11 A collection of studies in bioethics and society that goes beyond conventional medical ethics and suggests political socio legal and empirical analysis

Families, Relational Attachments, and the Law of Collaborative Family-Making Pamela Laufer-Ukeles, 2024-08-26 This book points to a crisis at the heart of modern family law s treatment of collaborative family making gamete contributions surrogate motherhood adoption functional parenthood foster care and kin caregiving Born of inequality and anchored by exclusivity and secrecy the dominant legal framework governing collaborative family making focuses on the acquisition of collaborative services by legal and intended parents without expecting or fostering any lasting bonds between them This acquisitional framework is starkly disconnected from empirical accounts of the lived experience of collaborations which demonstrate complex and ongoing

relational attachments that extend beyond a transactional moment At the intersection of law and sociology the book is to account for relational realities that fail to conform to neat legal categories of parent and stranger asking How should the law reflect the complex interconnections between families and family making collaborators Should collaborators be treated as legal strangers Who is impacted by the lack of legal status possessed by family making collaborators Who benefits and who loses Ultimately this is a work of optimism that seeks to facilitate family making collaborations in more ethical ways by insisting that family law recognize and support family making collaborators It introduces a bold new legal framework of interconnection and guides the reader in implementing practical legal and contractual changes that promote human dignity uphold children s right to identity and support ongoing relational attachments with adults who are fundamental to children s lives The volume provides deep and accessible insight into families and family law for legal practitioners academics students and laypersons interested in family making collaboration

Legalized Families in the Era of Bordered Globalization

Daphna Hacker,2017-08-18 Providing a panoramic and interdisciplinary perspective this book explores the interrelations between globalization borders families and the law It considers the role of international multi national and religious laws in shaping the lives of the millions of families that are affected by the opportunities and challenges created by globalization and the ongoing resilience of national borders and cultural boundaries Examining familial life span stages establishing spousal relations raising children and being cared for in old age Hacker demonstrates the fruitfulness in studying families beyond the borders of national family law and highlights the relevance of immigration and citizenship law public and private international law and other branches of law This book provides a rich empirical description of families in our era It is relevant not only to legal scholars and practitioners but also to scholars and students within the sociology of the family globalization studies border studies immigration studies and gender studies

Law and Global Health Michael

Freeman,Sarah Hawkes,Belinda Bennett,2014-05-29 Current Legal Issues like its sister volume Current Legal Problems now available in journal format is based upon an annual colloquium held at University College London Each year leading scholars from around the world gather to discuss the relationship between law and another discipline of thought Each colloquium examines how the external discipline is conceived in legal thought and argument how the law is pictured in that discipline and analyses points of controversy in the use and abuse of extra legal arguments within legal theory and practice Law and Global Health the sixteenth volume in the Current Legal Issues series offers an insight into the scholarship examining the relationship between global health and the law Covering a wide range of areas from all over the world articles in the volume look at areas of human rights vulnerable populations ethical issues legal responses and governance

Women in Israel

Ruth Halperin-Kaddari,2004-01-12 This is a comprehensive overview of discrimination in a state dominated by a patriarchal religious order and brings fresh insights to the efficacy of the law in improving the status of women

The Law of

Parenthood Claire Fenton-Glynn,2025-06-09 Adopting a comparative approach this incisive book brings together leading

experts to analyse the regulation of parenthood across the globe It explores the ongoing re examination of the law of parenthood in light of societal and medical advances providing a detailed guide on how the law is responding to new and emerging challenges and how it has developed to adapt to modern family forms

A Tale of Two Surrogates Elly Teman,Zsuzsa Berend,2025-05-06 A Tale of Two Surrogates explores the complicated emotional medical legal and ethical issues surrounding assisted reproduction Based on more than a decade of ethnographic research conducted by a sociologist and an anthropologist this book presents in an accessible graphic novel format the intertwined stories of two fictional women who decide to become gestational surrogates It immerses the reader in the worlds of Jenn from California and Dana from Tel Aviv as they decide to become surrogates and make sense of the process involve their families and manage their relationships with the intended parents The experiences of these composite characters highlight various paths interpretations and experiences that are common in surrogacy Interspersed throughout the narrative are short interludes that depict surrogacy in other countries putting the stories of Dana and Jenn in a more global context With a substantial scholarly apparatus including a discussion guide and suggestions for further reading this entertaining graphic narrative is an excellent tool for classes in graphic medicine medical ethics gender and family studies and medical anthropology It also offers valuable perspective to anyone involved in the surrogacy process not only surrogates and intended parents but also medical providers lawyers legislators and family members

Private International Law in Israel Talia Einhorn,2022-09-20 Derived from the renowned multi volume International Encyclopaedia of Laws this book provides ready access to the law applied to cases involving cross border issues in Israel It offers every lawyer dealing with questions of conflict of laws much needed access to these conflict rules presented clearly and concisely by a local expert Beginning with a general introduction the monograph goes on to discuss the choice of law technique sources of private international law and the relevant connection with other laws Then follows clear description and analysis of the rules of choice of law on natural and legal persons contractual and non contractual obligations movable and immovable property intangible property rights company law family law marriage cohabitation registered partnerships matrimonial property maintenance child law and succession law including testamentary dispositions The presentation concludes with an overview of relevant civil procedure examining lex fori and issues of national and international jurisdiction acceptability and enforcement of foreign judgements and international arbitration Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable resource for lawyers handling cases in Israel Academics and researchers as well as judges notaries public marriage registrars youth welfare officers teachers students and local and public authorities will welcome this very useful guide and will appreciate its value in the study of private international law from a comparative perspective

Assisted Reproduction in Israel Avishalom Westreich,2018-03-20 The main argument in this BRP is that assisted reproduction in Israel gives expression to and develops the right to procreate It is a complex right and therefore at times no

consensus has been reached on the form of its actual application as in the case of surrogacy and egg donation and from a different direction in that of posthumous sperm retrieval This right however despite the debates on its boundaries is widely accepted practiced and even encouraged in the Israeli context with a constructive collaboration of three main elements the Israeli civil legal system religious law which in the context of the Israeli majority is Jewish law and Israeli society and culture

Infertility Anil K. Dubey, 2012-12-15 This book explores the detailed diagnosis of male and female infertility treatment of infertility with IVF and various aspects of the IVF laboratory including protocols handling of embryo transfers freezing and biopsy for preimplantation genetic screening The authors in this book are highly reputed in the field and also have ability to convey in depth validation of published work with clarity and directness This book covers the quality management of IVF programs practice guidelines ethical and social aspects of infertility and IVF Chapter focusing on the History of Infertility inclu

Unveiling the Energy of Verbal Art: An Mental Sojourn through **The Birth Of Surrogacy In Israel**

In some sort of inundated with screens and the cacophony of instant transmission, the profound energy and emotional resonance of verbal beauty often disappear in to obscurity, eclipsed by the constant onslaught of noise and distractions. However, situated within the lyrical pages of **The Birth Of Surrogacy In Israel**, a fascinating function of literary splendor that pulses with natural thoughts, lies an memorable journey waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that exciting opus guides visitors on a mental odyssey, softly revealing the latent possible and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse of the evocative examination, we can embark upon an introspective exploration of the book is key styles, dissect their interesting writing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
