The Dynamic Birth of the New Testament

Nehemiah Palmer, 2005-01-01 The land of Palestine is where the four gospels were originated The places known as Galilee Nazareth and Bethlehem are forever engraved upon the hearts of Christians in all the earth The little mountain called Calvary on which the cross of Christ was erected and on which Jesus of Nazareth died will forever be remembered and be celebrated by Christian believers world wide No Sunday school teacher and no preacher of the gospel can afford to forget Calvary and the Holy Redeemer who died on that cross outside the holy city of Jerusalem Thus the name of Jesus cannot be erased from the minds and souls of the billions of redeemed saints who shall sing around the throne of God on that great day of heavenly Celebration The announcement made by the angel Gabriel in Matthew 1 21 will never be forgotten by the saints who have been saved by His sacrificial death on Mt Calvary in the year A D 33 From what I have said about the Land of Palestine where Jesus lived preached was crucified raised from the grave and ascended into heaven is so important that no other country has produced such a compelling and important piece of theological and redemptive history It was the home of Zecharias Elizabeth John the Baptist Jesus and His twelve disciples It was also the home of Mary and of Joseph during the long reign of the Emperor known as Augustus Caesar Seeing then that Palestine is such an important historical place let us take some time to study about some of the things that happened in the lives of many of the local people who lived when Jesus was born and while He grew up in Palestine until the time He was crucified buried raised from the dead appeared unto many people and was taken up into heaven from which He shall be coming back to judge the living and the dead

The Making of the New Testament Arthur G. Patzia, 1995-05-25 In affirming the divine inspiration of Scripture we too often forget the human side of the story The narratives letters and Apocalypse of our New Testament were shaped by worn pens gripped by calloused ink stained fingers Their authors ears were more likely assaulted by the urban clatter of busy intersections and bustling markets than attuned to a still small voice Scrolls that bumped across cobbled Roman roads and pitched through rolling Mediterranean seas found their destination in stuffy dimly lit crowded Christian house churches in Corinth or Cenchreae There they were read aloud and reread handled and copied forwarded and collected studied and treasured Their ordinary story is true to their extraordinary message the mystery of the Word that became flesh The Making of the New Testament is a textbook study of the origin collection copying and canonizing of the New Testament documents Like shrewd

detectives reading the subtle traces of evidence biblical scholars have studied the trail of clues and pieced together the story of these books *The Supernatural in the New Testament* Bruce Norman Kaye,1977 A study of the treatment of the miraculous in the New Testament focusing not on the literal truth or otherwise of the events depicted but on what they mean and what they tell us about God **The Ministry of Jesus in Its Theological Significance** Leonhard Goppelt,1981 This is a print on demand book and is therefore non returnable This volume the first of a two volume work by Leonhard Goppelt represents the most mature and comprehensive thought of this German New Testament scholar Among German speaking scholars it is distinguished as rivaling if not replacing the monumental work on New Testament theology by Rudolf Bultmann A study of the life and ministry of Jesus this volume makes a thoroughgoing application of the most reliable tools and insights of contemporary New Testament scholarship Goppelt makes a critical examination of the sources for knowledge of the historical Jesus and maintains an ongoing conversation with the views of other interpreters Although he sees his study as a qualified conversation between exegetical and systematic theology his goal is always to come to terms with the intent of the New Testament authors without losing sight of Jesus meaning for today The major themes developed are the coming of the Kingdom of God repentance and the ethical directives of Jesus repentance as the gift of God s Kingdom Jesus ministry of healing and eschatological renewal Jesus self understanding and the cross and resurrection An appendix provides a history and shows the range of problems in New Testament theology Here Goppelt also examines and evaluates the historical critical historical positive and Heilsgeschichtliche approaches Each chapter includes a detailed bibliography in English and German

Bethlehem to Patmos: The New Testament Story (Revised 2013) Paul Barnett, 2013-03-08 The historian Paul Barnett examines the New Testament story and beyond in this revision of his bestselling work Bethlehem to Patmos Through this fascinating journey he shows that the New Testament is historically reliable on the life of Jesus and the early experiences of the nascent first century church I am thrilled that Paul Barnett s time honoured orientation to the New Testament will continue to find an audience with this new edition In an age in which religion is frequently evaluated by the sound bytes of its most eccentric representatives it is essential to find a reliable guide to the actual documents that underlie the Christian faith Barnett s familiarity with the documents sane historical judgement and engaging storytelling make him just such a guide The work moves swiftly from the events that opened the New Testament era to those that brought it to a close Along the way Barnett shows how these events relate to scholarly understanding of the era what was at stake in interpreting and committing these events to writing and why these events continue to have significance The book is immensely useful as a solid orientation for students of the New Testament and I commend it gladly Matthew R Malcolm Head of New Testament Trinity Theological College Western Australia
