Greenspahn, 1994-02-24 Although primogeniture is commonly assumed to have prevailed throughout the world and firstborns are regarded as most likely to achieve success many of the most prominent figures in biblical literature are younger offspring including Isaac Jacob Joseph Moses Samuel David and Solomon Adducing evidence from a wide range of disciplines this study demonstrates that ancient Israelite fathers were free to choose their primary heirs Rather than being either legally mandated or a protest against the prevailing norm the Bible's propensity for younger offspring conforms to a widespread folk motif evoking innocence vulnerability and destiny Within the biblical context this theme heightens God's role in supporting ostensibly unlikely heroes Drawing on the resources of law anthropology

folklore and linguistics Greenspahn shows how these tales serve as complex parables of God's relationship to his chosen people also reflecting Israel's own discomfort with the contradiction between its theology of election and the reality of political weakness      *Journey to Love* Dolores Eckles, 2014-08-08 Journey to Love is my journey of spiritual quest in learning and growing Love The journey begins with a difficult childhood winds through knowing when to leave each of two marriages choosing a rewarding career traveling on six continents to see that humanity is one having the gifts of intuition and moxie being in chronic pain and overcoming health and other challenges      **Family by God's Design** John Salmon, 2011-07-20 Family by God's Design is A safe haven where family members esteem and honor one another and where words and actions communicate value and respect to everyone young and old A reliable sanctuary where each person receives grace unconditional acceptance and extravagant generosity with no strings attached A place where each person finds that family is available attentive and emotionally connected to them A community of celebration laughter and play a safe haven where family members can let their hair down reveal themselves fully and know one another intimately At its best the family is a celebrating community of honor and grace Family by God's Design delves into how the family reflects God's image and how you can shape your family in that image an image of honor grace and celebration      *The Eldest Daughter Effect* Lisette Schuitemaker, Wies Enthoven, 2016-10-11 What do Angela Merkel Hillary Rodham Clinton Christine Lagarde Oprah Winfrey Sheryl Sandberg JK Rowling and Beyoncé have in common was the headline in the English newspaper The Observer in 2014 Other than riding high in Forbes list of the world's most powerful women journalist Tracy McVeigh wrote in answer to her own question they are also all firstborn children in their families Firstborn children really do excel So what does it mean to be an eldest daughter Firstborns Lisette Schuitemaker and Wies Enthoven set out to discover the big five qualities that characterize all eldest daughters to some degree Eldest daughters are responsible dutiful thoughtful expeditious and caring Firstborns are more intelligent than their siblings more proficient verbally and more motivated to perform Yet at the same time they seriously doubt that they are good enough Being an eldest daughter can have certain advantages but the overbearing sense of responsibility often gets in the way Parents may worry about their difficult eldest girl who wants to be perfect in everything she does whilst her siblings may not always understand her The Eldest Daughter Effect shows how firstborn girls become who they are and offers insights that can give them more freedom to move And parents will gain a better understanding of their firstborn children and can support them more fully on their way      *The Business That is Not Business—Marriage* Olehile Moses Setilo, 2025-07-17 When one starts a business one researches conducts background checks drafts business plans works on the budget and focuses on establishing running and growing the business and continually evaluates to improve where necessary Why not do the same for marriage since business and marriage both have direct psychosocial physical emotional and economic impacts on one's life Hence throughout this book there is a thread of a business concept that runs across stitching out marital activities to business The idea is meant to give reality confront
