The Bitterest Age:

The Bitter Age Diane Murphy, 2015-04-19 978 8897066 682 **A Dictionary of Biography. Comprising the most eminent characters of all ages, nations, and professions ... Embellished with numerous portraits** Richard Alfred DAVENPORT, 1831 *The Living Age* , 1864 *The Treatise of Heavenly Philosophie: Conteyning Therein, Not Onely the Most Pithie Sentences of God's Sacred Scriptures; But Also the Sayings of Certeine Anncient and Holie Fathers, Etc. B.L.* Thomas PALFREYMAN, 1578 **History of the Jews of all ages, by the author of History in all ages** Jews, 1832 **The Bitter End** John Sides, Chris Tausanovitch, Lynn Vavreck, 2023-09-19 What an intensely divisive election portends for American politics The year 2020 was a tumultuous time in American politics It brought a global pandemic protests for racial justice and a razor thin presidential election outcome It culminated in an attack on the U S Capitol that attempted to deny Joe Biden s victory The Bitter End explores the long term trends and short term shocks that shaped this dramatic year and what these changes could mean for the future John Sides Chris Tausanovitch and Lynn Vavreck demonstrate that Trump s presidency intensified the partisan politics of the previous decades and the identity politics of the 2016 election Presidential elections have become calcified with less chance of big swings in either party s favor Republicans remained loyal to Trump and kept the election close despite Trump s many scandals a recession and the pandemic But in a narrowly divided electorate even small changes can have big consequences The pandemic was a case in point when Trump pushed to reopen the country even as infections mounted support for Biden increased The authors explain that paradoxically even as Biden s win came at a time of heightened party loyalty there remained room for shifts that shaped the election s outcome Ultimately the events of 2020 showed that instead of the country coming together to face national challenges the pandemic George Floyd s murder and the Capitol riot these challenges only reinforced divisions Expertly chronicling the tensions of an election that came to an explosive finish The Bitter End presents a detailed account of a year of crises and the dangerous direction in which the country is headed The Bitter Prescription Dr. Jennifer Stagg, 2020-06-30 In The Bitter Prescription Dr Stagg outlines the core elements for optimal health as we age using bitter bioactive foods to improve digestion and metabolism the bitter truth about how your dietary needs change with age and how getting rid of bitter feelings will set you up for your greatest potential Armed with this knowledge she provides you with a bioactive rich dietary plan that is not only an excellent source of nutrition but also has the added bonus of helping you absorb more of those nutrients from your food and improve metabolism As we get older our digestive function and metabolism slows making us more likely to suffer from deficiencies that can make our systems sluggish What may have worked in our twenties seems to no longer benefit us If you are eating well and not seeing results this book is for you While most books and diet plans out there may do a good job of outlining a food plan they lack the tools to make the program long lasting and accentuate the latest fad diet As food and health conscious individuals know it is much easier to start a plan than it is to sustain it In The Bitter Prescription Dr Stagg also maps out how to utilize
