hearts are not sufficient to cheer and to brighten the bleak prospect of the world's unworthiness and we can only reconcile to our minds the fact that this vast multitude of base depraved tricky insincere ungrateful beings are the pride of God's works the express images of his person by a recurrence to the great fundamental doctrine of man's fallen state and utter debasement from his original high condition and by a painful submission to the gloomy and fearful announcement that strait is the gate and narrow is the way and few there be that find it If man's general unworthiness be a trial of our faith and of our patience the most poignant anguish of the torture is perhaps the keen conviction of his ingratitude and his injustice not alone the ingratitude and injustice of individuals but those of every great body of every group of so called friends of governments of countries of people Vainly do we follow the course of honour and uprightness vainly do we strive to benefit to elevate to ennoble our fellow men vainly do we labour to serve our party or our cause or our country Neither honour nor distinction nor reward follows our best efforts even when successful unless we possess the mean and contemptible adjuncts of personal interest pushing impudence crooked policy vile subserviency or the smile of fortune Here am I who for many arduous years laboured with zeal such as few have felt at sacrifices such as few have made and with industry such as few have exerted to benefit my kind and my country That I did so and with success was admitted by all even while others starting in the career of life at the same time with myself turned their course in the most opposite direction pandered to vice to folly and even to crime and trod a flowery and an easy way with few of the difficulties and impediments that beset my path And what has been the result Even success has brought to me neither reward nor honour nor gratitude On those who have neither so laboured nor so striven whose objects have been less worthy whose efforts have been less great recompenses and distinctions have fallen thick and fast a government's patronage a sovereign's favour a people's applause And I am an exile on a distant shore unthought of unrecompensed unremembered

**Black Eagle Child** Ray Young Bear, 2015-10-27 Mixing prose and poetry ancient traditions and modern sensibilities this brilliant profane and poignant coming of age story is a masterpiece of Native American literature At a Thanksgiving party held in a Bureau of Indian Affairs gymnasium the elders of the Meskwaki Settlement in central Iowa sip coffee while the teenagers plot their escape Edgar Bearchild and Ted Facepaint too broke to join their friends for a night of drinking in a nearby farm town decide to attend a ceremonial gathering of the Well Off Man Church a tribal sect with hallucinogenic practices After partaking of the congregation's sacred star medicine Edgar receives a prophetic vision and comes to a newfound understanding of his people's past and present that will ultimately reshape the course of his life Set against the backdrop of the tumultuous 1960s Black Eagle Child is the story of Edgar's passage from boyhood to manhood from his youthful

misadventures with Ted to his year at prestigious liberal arts college in California to his return to Iowa and success as a poet. Deftly crossing genre boundaries and weaving together a multitude of tones and images from grief to humor, grape jelly to supernatural strobe lights, it is also an unforgettable portrait of what it means to be a Native American in the modern world.

Black Eagle Returns Augustine Nash, 2017-06-09 Black Eagle joins Conquering Bear and his wife Running Water, a blind white woman leaving the reservation behind in search of the old way of life before the white man controlled the land. In the Black Hills lands of the Sioux, they search for an old woman who they are told might have the power to restore Running Water's sight. Many adventures follow, often with tragic results, as Black Eagle moves across the land, finally joining a circus where he finds a kind of peace. A moving sequel to *Shadow of the Eagle*, a story telling the life of the Native American which I hope will absorb the reader.

*The Black Eagle; Or, Ticonderoga* G. P. R. James, 2021-09-24 The *Black Eagle* or *Ticonderoga* is many of the old books which have been considered important throughout human history. They are now extremely scarce and very expensive antiques. So that this work is never forgotten, we republish these books in high quality using the original text and artwork so that they can be preserved for the present and future generations. This whole book has been reformatted, retyped, and designed. These books are not made of scanned copies of their original work, and hence the text is clear and readable.

**Chasing the Black Eagle** Bruce Geddes, 2023-04-11 Against a backdrop of the Harlem Renaissance and Haile Selassie's Ethiopia, a young man tails Hubert Julian, a pilot, inventor, adventurer, charlatan, and possible threat to America. Facing an attempted murder charge, seventeen-year-old Arthur Tormes is in no position to refuse when a federal agent named Riley Triggs offers him a deal: all charges get dropped and Arthur goes free if he agrees to help the Bureau with a problem. That problem is Hubert Julian, aka the Black Eagle of Harlem, inventor, pilot, parachutist, daredevil, charlatan, and one of the most extraordinary and popular figures of the Harlem Renaissance. For Triggs, it's the popularity that makes Julian a serious threat to the well-being of America. To win his freedom, Arthur begins a spying mission that will occupy the next thirteen years of his life, taking him from 1920s New York City to Ethiopia on the verge of war, often at great personal cost. In the end, while America remains safe, Arthur Tormes's fate is less certain.

The Black Eagle Cedric Cross, 2010-04-28 Kaveri Asben is an exceptional but troubled martial artist. His life of pain began when he witnessed the assassination of his parents, followed by the struggle to understand why. Six years later, he encounters a man who very well could have been the assassin behind the attack. Tangled in questions, Kaveri has two options: Embark on a dangerous mission his master has assigned him, or begin a blind pursuit he believes may bring him face to face with the assassin he has long despised.
