New Black Man Mark Anthony Neal, 2015-02-11 Ten years ago Mark Anthony Neal's *New Black Man* put forth a revolutionary model of Black masculinity for the twenty first century one that moved beyond patriarchy to embrace feminism and combat homophobia Now Neal's book is more vital than ever urging us to imagine a New Black Man whose strength resides in family community and diversity Part memoir part manifesto this book celebrates the Black man of our times in all his vibrancy and virility The tenth anniversary edition of this classic text includes a new foreword by Joan Morgan and a new introduction and postscript from Neal which bring the issues in the book up to the present day

The Black Man's North and East Africa Yosef Ben-Jochannan, George E. Simmonds, 2005 Few of Dr Ben's books are written with co authors The *Black Man's North and East Africa* is an exception Written with one of his early colleagues George E Simmonds this work attacks the racist manipulation of African and Black history by educators and authorities on Africa Defenders of the Africans right to tell their own story the authors insist that Black people must take responsibility for their own history Until African Black people are willing and do write their own experience past and present we will continue being slaves mentally physically and spiritually to Caucasian and Semitic racism and religious bigotry

Where Is the Home of the Black Man? Emmanuel Ehiosun, 2019-07-01 It is no news that the oldest and second largest continent in the world is Africa It is also a popular fact that Africa despite being greatly endowed with natural resources is the poorest and the least developed of the continents of the world Many theories have been postulated to try to justify why Africa is in such poor state and why it can never grow However in this book the author Emmanuel Ehiosun argues that there is no reason why Africa should be backward and that there are five practical steps Africa can follow to become a leading continent in the world In this book you will learn the following The State of Africa in a changing world Why Africa despite being rich in resources is a poor continent How African rulers oppress the citizens through politics and slavery About the slave trade and the civilizations of the black race How to move Africa forward through visionary leadership How African citizens can build their individual countries by themselves Why racism is not Africa's problem but modern day slavery is Why every black person in diaspora must return to Africa to make it a home How religion can be a tool for civilization and reformation in Africa How to make Africa the future of the world

Black Man's Dilemma Areoye Oyebola,1976 The Bible Is The Black Man's History book Mawuli,2016-07-01 If you ever wanted IRREFUTABLE EVIDENCE that black people wrote the Bible you are looking at it Anyone or group of people can claim to be the Lost Tribes of Israel That is easy But making such a claim does not mean it is true Therefore what separates the GENUINE Israelites from the wannabes is the EVIDENCE or PROOF they provide to support their claim Sadly there are reckless black people making such claims but when challenged for proof they have nothing to show and come up short Consequently their blundering undermines our genuine Hebrew identity and turns it into a joke Thus because of their rash behaviour they cause huge damage to our black history This book aims to arrest the damage done to our heritage by these less informed black people It does so by providing the necessary evidence which proves that large sections of the black race are the true Israelites The PROOF EVIDENCE provided in this book is quite unique It is unlike anything you have read before and will ever read anywhere else Also it is comprehensive and designed to forever silence the critics You will read information that nobody else knows but only the direct descendants of the ancient Israelites knows about Thus proving conclusively that we are indeed who we claim to be the true children of Israel *Ebony* ,1993-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
