Ursule Mirouet Honoré de Balzac, 2015-04-02 In 1842 eight years before his death Balzac described Ursule Mirouet as the masterpiece of all the studies of human society that he had written he regarded the book as a remarkable tour de force An essentially simple tale about the struggle and triumph of innocence reviled Ursule Mirouet is characterized by that wealth of penetrating observation so readily associated with Balzac s work The twin themes of redemption and rebirth are illuminated by a consistently passionate rejection of both philosophic and practical materialism in favour of love In this case love is aided by supernatural intervention which itself effectively illustrates Balzac s life long fascination with the occult

The Faces and Stakes of Brand Insertion Sébastien Lefait, Sandrine Villers, 2022-03-22 With traditional forms of advertisement facing increasing challenges brand placement the integration of a product or brand in a work of art has exploded It has become a lucrative phenomenon whose goal is to produce a reaction of purchase in the mind of the receiver reader viewer or listener This volume seeks to complement extant studies of product placement strategies by introducing a methodology more systematically related to the field of cultural studies especially where the reception and impact of product placement are concerned It explores the many iterations of brand placement in popular culture with a consideration of the crossover between advertisement and art in everything from Wes Anderson Blade Runner and the Fast and Furious franchise to music videos late night shows and plastic art The book considers the impact of brand placement in TV series on teenagers as well as the evolution of such placement in literature The originality of this volume is that when the impact of the

placement is mentioned it is to be understood as an intended aesthetic impact at least as much as a prompt to buy a product. Consequently the placement of consumer goods in a cultural production the book suggests may both increase the sales of specific products and positively impact the production's ratings. This book is perfect for researchers and students interested in marketing, brand placement, mass media, art, film, and cultural studies. **Penguin Classics** Penguin (Firm), 2001 **The Black Sheep Annotated Edition** Honore de Balzac, 2021-03-30 *La Rabouilleuse* is an 1842 novel by Honoré de Balzac and is one of *The Celimenes* in the series *La Comédie humaine*. *The Black Sheep* is the title of the English translation by Donald Adamson published by Penguin Classics.
