The Blakewood Chronicles City Of The Seventh Seal:

The Blakewood Chronicles P C Rhaven, Peter Kosanovich, 2004-06-09 It was the disappearance of an entire city It was a city with fifty thousand inhabitants but there was not a trace of it Where the city once stood was a virgin hemlock forest that was obviously thousands of years old There was no reference to the city on any map No mention of it in any history book and no record of Blakewood Pennsylvania anywhere There wasn't even a paragraph sentence or word that even suggests that such a town had ever existed And yet people remember living there People from all around the country remember their lives in Blakewood City of the Seventh Seal People from around the country begin to have memories of living in a city that is not real They had lives there and yet there is no record of such a city ever existing Was it real or some mass delusion If it did exist what happened to it You must journey into the city of the seventh seal to find the answer **Strange Commotions**

Peter Rhaven, 2009-06 **STRANGE COMMOTIONS** This book is a psychological journey into that outer fringe of reality It is not necessarily meant to be a work of horror suspense or science fiction although there are elements of each but rather a collection of stories that have a tangible sense of apprehension about them It is more in the traditions of The Twilight Zone or The Outer Limits and not the typical horror suspense Now enter here into the twisted congeries and haunting reflections of the human mind where all strange commotions begin
