In Bligh's Hand Jennifer Gall, 2010

After the mutiny on the Bounty on 28 April 1789 led by Fletcher Christian Captain William Bligh and 18 others were forced onto a 7 metre long open boat and cast adrift It was the beginning of a 47 day 6700 kilometre journey from Tofua a volcanic island in the Tonga group to Timor On this amazing voyage of survival Bligh wrote daily entries in a small water stained notebook and a selection of facsimile pages from this notebook is the foundation of *In Bligh's Hand* Surviving the Mutiny on the Bounty All but one of the men survived to reach Timor *In Bligh's Hand* gives readers an insight into the character of William Bligh the man who saved his men's lives through his iron will and stubborn adherence to a relentless regime of rationing and navigational calculations that kept the launch on course

The Bounty Caroline Alexander, 2004-05-25 More than two centuries after Master's Mate Fletcher Christian led a mutiny against Lieutenant William Bligh on a small armed transport vessel called Bounty the true story of this enthralling adventure has become obscured by the legend Combining vivid characterization and deft storytelling Caroline Alexander shatters the centuries old myths surrounding this story She brilliantly shows how in a desperate attempt to save one man from the gallows and another from ignominy two powerful families came together and began to create the version of history we know today The true story of the mutiny on the Bounty is an epic of duty and heroism pride and power and the assassination of a brave man's honor at the dawn of the Romantic age

Mr Bligh's Bad Language Greg Denning, 1994-03-25 Captain Bligh and the mutiny on the Bounty have become proverbial in their capacity to evoke the extravagant and violent abuse of power But William Bligh was one of the least violent disciplinarians in the British navy It is this paradox which inspired Greg Denning to ask why the mutiny took place His book explores the theatrical nature of what was enacted in the power play on deck on the beaches at Tahiti and in the murderous settlement at Pitcairn on the altar stones and temples of sacrifice and on the catheads from which men were hanged Part of the key lies in the curious puzzle of Mr Bligh's bad language

The Great Barrier Reef James Bowen, Margarita

Bowen, 2011-02-17 One of the world's natural wonders the Great Barrier Reef stretches more than 2000 kilometres in a maze of coral reefs and islands along Australia's north eastern coastline Now unfolding the fascinating story behind its mystique this 2002 book provides for the first time a comprehensive cultural and ecological history of European impact from early voyages of discovery to developments in Reef science and management Incisive and a delight to read in its thorough account of the scientific social and environmental consequences of European impact on the world's greatest coral reef system this extraordinary book is sure to become a classic

STORY OF TIME Remaking Literary History Helen Groth, Paul Sheehan, 2009-10-02 History is always written wrong and so always needs to be rewritten George Santayana Enquiries into the relationship between literature and history continue to stir up intense critical and scholarly debate Alongside the new hybrid categories that have emerged out of this ferment life writing ficto criticism history from below and so on there has been a welter of new literary histories new ways of tracking the connections between the written word and the historically bound world This has resulted in renewed discussion about distinguishing the literary from the non literary about dialogues taking place between different national literatures and about ascertaining the relative status of the literary text in relation to other cultural forms Remaking Literary History seeks to clarify the diversity of issues and positions that have arisen from these debates Central to the book's approach is a rigorous and constructive questioning of the past across disciplinary boundaries This is carried out through four detailed and engrossing sections that explore the relationship between memory and forgetting what it means to be subject to history the upsurge of interest in trauma and redemption and the question of historical reinvention which demonstrates how the overwriting of history continues to reinvigorate the literary imagination As well as readers of literature and history Remaking Literary History will be of interest to students of literary theory legal studies and cultural and media studies **National Treasures from Australia's Great Libraries** National Library of Australia, 2005 National treasures from Australia's great libraries brings our national memory to life for the first time showcasing more than 170 treasures that have helped define our nation where we come from who we are and what sets us apart Both a guide and a lasting record of a remarkable exhibition this richly illustrated catalogue reveals the magnificent collections of Australia's National State and Territory libraries
