

The Blue Spaders Vietnam

George Esper

The Blue Spaders Vietnam:

The Blue Spaders Vietnam Carl Bradfield, 1992 THE BLUE SPADERS VIETNAM A PRIVATE S ACCOUNT 1 26th Inf 1965 1966 was written to explain that not all American GIs were crazy killers who took drugs There is no cussing it s written with a slant on humor Just the straight eye witness account from one GI who was REALLY there Battle of the Bong Trang Thousands of tracer rounds criss crossing the night sky White phosphorous explosions 75mm rockets Claymore Mines Bandalore Torpedoes plenty of grenades Then came the U S air strikes we really had trouble ISBN 0 9632319 0 1 ASDA Publg 904 Forest Lake Dr Lakeland FL 33809 1 813 859 2194 A Recent History of the 1st Battalion, 26th Infantry "Blue Spaders" in Vietnam, 1965-1966 Thomas R. Hagley, Paul W. Sabin, 1966* **Vietnam War Slang** Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang Voices from the Vietnam War Xiaobing Li, 2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our understanding of the war Booklist The Vietnam War s influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete

historiography of the war Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War Stories from American Asian and Russian Veterans* Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty two intimate stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to Western scholars providing fresh perspectives on a long discussed topic Li s achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English Publishers Weekly

Vietnam Studies - Cedar Falls-Junction City: A Turning Point [Illustrated Edition] Lieutenant General Bernard William Rogers, 2014-08-15 Includes 1 charts 17 map 8 diagrams and 33 illustrations Operations CEDAR FALLS and JUNCTION CITY took place during the first five months of 1967 and were the first multidivisional operations in Vietnam to be conducted according to a preconceived plan They were to result in a turning point in the war they confirmed that such operations do have a place in counterinsurgency warfare today they brought an end to the enemy s thinking that his third phase of the war large scale operations throughout the country would be successful they caused the enemy to re evaluate his tactics and revert to smaller scale guerrilla operations they destroyed his camps pillaged his supplies and killed hundreds of his best troops they proved to the enemy that his old sanctuaries were no longer inviolable thus causing him to depend primarily upon those located over the border in Cambodia they helped convince the enemy that the maintenance of large bases and main force units near urban areas was risky business and they enhanced immeasurably the confidence of the allied forces in South Vietnam a confidence which had been growing since the dark days of the first half of 1965 Thus CEDAR FALLS and JUNCTION CITY were to become the most important operations of the war to that time and perhaps since For the military history buff Operation CEDAR FALLS will not be nearly so interesting as JUNCTION CITY because it consisted primarily of small unit contacts and the onerous tasks of finding and destroying base camps storage facilities and tunnels and of clearing jungles CEDAR FALLS was unique however in that one of its missions was to evacuate some 6 000 inhabitants of the Iron Triangle area and destroy their villages JUNCTION CITY on the other hand was more varied in view of its scope and the fact that there were five battles interspersed among the air assaults and the numerous search and destroy activities

Waging Peace in Vietnam Ron Carver, David Cortright, Barbara Doherty, 2019-09-10 How American soldiers opposed and resisted the war in Vietnam While mainstream narratives of the Vietnam War all but marginalize anti war activity of soldiers opposition and resistance from within the three branches of the military made a real difference to the course of America s engagement in Vietnam By 1968 every major peace march in the United States was led by active duty GIs and Vietnam War veterans By 1970 thousands of active duty soldiers and marines were marching in protest in US cities Hundreds of soldiers

and marines in Vietnam were refusing to fight tens of thousands were deserting to Canada France and Sweden Eventually the US Armed Forces were no longer able to sustain large scale offensive operations and ceased to be effective Yet this history is largely unknown and has been glossed over in much of the written and visual remembrances produced in recent years Waging Peace in Vietnam shows how the GI movement unfolded from the numerous anti war coffee houses springing up outside military bases to the hundreds of GI newspapers giving an independent voice to active soldiers to the stockade revolts and the strikes and near mutinies on naval vessels and in the air force The book presents first hand accounts oral histories and a wealth of underground newspapers posters flyers and photographs documenting the actions of GIs and veterans who took part in the resistance In addition the book features fourteen original essays by leading scholars and activists Notable contributors include Vietnam War scholar and author Christian Appy and Mme Nguyen Thi Binh who played a major role in the Paris Peace Accord The book originates from the exhibition Waging Peace which has been shown in Vietnam and the University of Notre Dame and will be touring the eastern United States in conjunction with book launches in Boston Amherst and New York Vietnam Journal #7 Don Lomax,2020-07-16 The classic and critically acclaimed Vietnam Journal comic book series from war veteran Don Lomax Vietnam Journal is a look at the Vietnam War through the eyes of a war journalist Scott Neithammer a freelance reporter the troops have nicknamed Journal As an embedded reporter Neithammer has a single minded focus and obsession to report the controversial war from the grunt s point of view and to hell with the consequences THIS ISSUE Dustoff An injured Journal and a fellow medical patient rush to save some kids in a village that is about to be overrun by Vietcong What they hadn t counted on was some G I s out for revenge against the Vietnamese any Vietnamese Sequential Tart calls the Vietnam Journal series powerful work A Caliber Comics release

Triumph Regained Mark Moyer,2023-01-10 Triumph Regained The Vietnam War 1965 1968 is the long awaited sequel to the immensely influential Triumph Forsaken The Vietnam War 1954 1965 Like its predecessor this book overturns the conventional wisdom using a treasure trove of new sources many of them from the North Vietnamese side Rejecting the standard depiction of U S military intervention as a hopeless folly it shows America s war to have been a strategic necessity that could have ended victoriously had President Lyndon Johnson heeded the advice of his generals In light of Johnson s refusal to use American ground forces beyond South Vietnam General William Westmoreland employed the best military strategy available Once the White House loosened the restraints on Operation Rolling Thunder American bombing inflicted far greater damage on the North Vietnamese supply system than has been previously understood and it nearly compelled North Vietnam to capitulate The book demonstrates that American military operations enabled the South Vietnamese government to recover from the massive instability that followed the assassination of President Ngo Dinh Diem American culture sustained public support for the war through the end of 1968 giving South Vietnam realistic hopes for long term survival America s defense of South Vietnam averted the imminent fall of key Asian nations to Communism and sowed strife

inside the Communist camp to the long term detriment of America's great power rivals China and the Soviet Union

Vietnam Journal #6 Don Lomax, 2020-07-16 The classic and critically acclaimed Vietnam Journal comic book series from war veteran Don Lomax Vietnam Journal is a look at the Vietnam War through the eyes of a war journalist Scott Neithammer a freelance reporter the troops have nicknamed Journal As an embedded reporter Neithammer has a single minded focus and obsession to report the controversial war from the grunt's point of view and to hell with the consequences THIS ISSUE Tradition Journal finds himself in the infamous Iron Triangle with his troop company and they come across a village hamlet that was supposed to be evacuated but it wasn't As usual supposed air cover that was to be in place never materializes as they ventured deeper in the Vietnam darkness And now Journal finds himself in a desperate spot and there may be no one to help him the best war comic in more than 35 years grade A Don Thompson Comic Buyers Guide A Caliber Comics release

Vietnam War James H. Willbanks, 2017-11-16 This detailed two volume set considers the Vietnam War one of America's longest and bloodiest wars from a topical perspective addressing the main characters and key events of the war and supplying many relevant primary source documents The Vietnam War not only claimed the lives of nearly 60 000 Americans and more than a million Vietnamese but the prolonged conflict also resulted in a firestorm of protest at home that shook the foundations of the country and made U S citizens question the moral principles and motivations behind our foreign policy and military actions Written in a very accessible style by recognized authorities on the war Vietnam War A Topical Exploration and Primary Source Collection provides students and general readers with a complete overview of the conflict in Vietnam a broad topic that remains an important part of the American history and world history curriculum Using a topical approach to cover all aspects of the war the set enables students to see the complete picture of the conflict through its presentation of reference entries and documents arranged in cohesive compelling chapters Examples of the primary documents in the set include Communist Party Evaluation of the Tet Offensive 1968 and President Richard Nixon's Speech on Vietnamization 1969 These primary sources are augmented by oral histories of soldiers who fought in the Tet Offensive Additionally maps and images in each section enhance the aesthetic appeal of the book and heighten students understanding of the material Readers will come away with both a strong comprehension of the Vietnam War as well as an appreciation for how significant this proxy conflict was as a lead up event to the global Cold War

The Blackhorse Regiment in Vietnam, 1966-1972 Peter L. Walter, 1997 Parameters, 2002 The Eyewitness History of the Vietnam War, 1961-1975 George Esper, 1983 A chronological narrative by award winning Associated Press reporter George Esper sets the stage From the first combat death to the fall of Saigon in 1975 the voices of the fighting men are brought to the forefront through personal letters diaries tapes and interviews

Watchman at the Gates George Joulwan, David Chanoff, 2021-05-25 General George Joulwan played a role in many pivotal world events during his long and exceptional career Present at both the rise and fall of the Berlin Wall he served multiple tours in Germany during the Cold War and two

tours in Vietnam By chance he was recruited as Nixon s White House deputy chief of staff and witnessed the last acts of the Watergate drama first hand He went on to lead US Southern Command fighting insurgencies and the drug war in Latin America and was Supreme Allied Commander of NATO forces in Europe SACEUR during the Rwandan genocide and the Bosnian peacekeeping missions of the 1990s Joulwan chronicles his career in the upper echelons of the armed forces He shares his experiences working with major military and political figures including generals William E DePuy Alexander Haig John Vessey and Colin Powell US ambassador Richard Holbrooke and presidents Richard Nixon Ronald Reagan and Bill Clinton Beyond the battlefield Joulwan became an advocate for military and civilian relations during the Vietnam War deescalating several high intensity situations while studying at Loyola University as part of the US Army s Option C program Watchman at the Gates merges memory and lessons in leadership as Joulwan pays tribute to his teachers and colleagues and explains the significance of their influence on his personal approach to command As a leader of combat troops in Vietnam he appealed to his subordinates on an individual basis taking time to build relationships that proved vital to the effectiveness of his commands He also reveals how similar relationships of mutual understanding were crucial in his peaceful and productive dealings with both allies and enemies At its heart this inspiring memoir is a soldier s story written by a warrior who saw defending his country and the democratic values it stands for as his highest calling Featuring a foreword by Tom Brokaw Watchman at the Gates offers incredible insights into world events as well as valuable lessons for a new generation of leaders

No Wider War Sergio Miller,2021-05-13 No Wider War is the second volume of a two part exploration of America s involvement in Indochina from the end of World War II to the Fall of Saigon Following on from the first volume In Good Faith which told the story from the Japanese surrender in 1945 through America s involvement in the French Indochina War and the initial advisory missions that followed it traces the story of America s involvement in the Vietnam War from the first Marines landing at Da Nang in 1965 through the traumatic Tet Offensive of 1968 and the gradual Vietnamisation of the war that followed to the withdrawal of American forces and the final loss of the South in 1975 Drawing on the latest research unavailable to the authors of the classic Vietnam histories including recently declassified top secret National Security Agency material Sergio Miller examines in depth both the events and the key figures of the conflict to present a masterful narrative of America s most divisive war

The Encyclopedia of the Vietnam War Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial

events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO *The Big Red One* James Scott Wheeler, 2017-06-16 No mission too difficult no sacrifice too great Duty First For a century from the Western Front of World War I to the wars of the 21st century this motto has spurred the soldiers who wear the shoulder patch bearing the Big Red One In this comprehensive history of America's 1st Infantry Division James Scott Wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation The Centennial Edition adds new chapters on peacekeeping missions in the Balkans 1995 2004 and the wars in Iraq and Afghanistan 2001 2017 along with a new introduction and conclusion The oldest continuously serving division in the U S Army the Fighting First has consistently played a crucial role in America's foreign wars It was the first American division to see combat and achieve victory in World War I One of the few intact divisions between the wars it was the first army unit to train for amphibious warfare During World War II the First Division spearheaded the invasions of North Africa and Sicily before leading the Normandy invasion at Omaha Beach and fighting on deep into Germany By war's end it had developed successful combined arms regimental combat teams and made advances in night operations Wheeler describes the First Division's critical role in postwar Germany and as the only combat division in Europe during the early Cold War The division fought valiantly in Vietnam for five trying years while pioneering air mobile operations It led the liberation of Kuwait in Desert Storm Along the way Wheeler illuminates the division's organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers Meticulously detailed and engagingly written *The Big Red One* nimbly combines historical narrative with astute analysis of the unit's successes and failures so that its story reflects the larger chronicle of America's military experience over the past century Published in collaboration with the Cantigny First Division Foundation and the Cantigny Military History Series edited by Paul H Herbert

A Patriot from Gransee Klaus Langehans, 2010-04-26 *A Patriot from Gransee* is a brief narrative of Klaus Langehans from his birth in Gransee Germany only a few weeks before the surrender of Germany during World War II to the exodus of the Langehans family to America and of Klaus' experiences during the Vietnam War *Vietnam Studies* Carl Singleton, 1997-05-22 Provides the interested researcher with background on this small but important country A detailed introduction describes the cultural and societal background of native Vietnamese and Vietnamese Americans Chapters provide annotations classified in categories such as history culture and art language and literature business and economics contemporary Vietnam and the war with America *Words of the Vietnam War* Gregory R. Clark, 1990 Cu Chi body bag Shit

hook Chinook helicopter dink Vietnamese slang for a G I slope G I slang for a Vietnamese hose kill boom boom what s done in a tapioca mill or whorehouse Mike Juliet marijuana pogey bait DO 28 C 2A L Zed Aussie for landing zone rat turds oak leaf clusters thousand yard stare Samozaryadnyi karabin Soviet rifle guerre a outrance French war to the end the viewpoint of the North these and the 10 000 others in this dictionary are the words of the Vietnam era They were spoken by ground pounders in the boonies and by peaceniks on U S campuses by hawks doves Victor Charlies and hoi chanhs Chinese advisors and the Muong people of the Central Highlands The period covered is primarily 1963 1975 but there are terms included from as early as 1945 and as late as 1987
