**The Law for Comic Book Creators** Joe Sergi, 2015-02-13

Since the creation of the comic book cases of legal conflict and confusion have often arisen where concepts such as public domain unincorporated entities and moral rights are involved As a result comics creators are frequently concerned about whether they are protecting themselves There are many questions and no single place to find the answers that is until now Entertaining as it instructs this book seeks to provide those answers examining the legal history of comics and presenting information in a way that is understandable to everyone While not seeking to provide legal advice this book presents the legal background in plain English and looks at the stories behind the cases Every lawsuit has a story and every case has lessons to be learned As these lessons are explored the reader will learn the importance of contracts the basics of copyright and trademark the precautions necessary when working with public domain characters and the effects of censorship

Prix at Angoulême as well having been inducted into the Will Eisner Award Hall of Fame      **Comics through Time** M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers      *Censorship* Mark Paxton, 2008-06-30 Ever since the Bill of Rights became the cornerstone on which individual Americans rights and liberties rest the practical realities of honoring the grand principles of the First Amendment have been hotly contested and none more so than freedom of expression From governmental limits on robust even vicious colonial and Federal era newspaper attacks to the USA PATRIOT Act to efforts to rein in the vast and anarchic Internet the First Amendment protection of free expression has been virtually under siege by various forms of censorship some clearly pernicious and others evidently benign This book guides the reader through these many faceted historical controversies always with an eye toward contemporary and future challenges      **DEN Volume 4: Dreams and Alarums** Richard Corben, 2024-10-22 The fourth volume presenting the long out of print masterpiece Den by fantasy legend Richard Corben This special edition collects the fourth volume of the long out of print Den and also features bonus material art pages restored by long time Corben collaborator Jos Villarrubia re lettered by Nate Piekos of Blambot and an introduction by Cullen Bunn all presented in a gorgeous hardcover with a dust jacket Several years after our last adventure Den is battered and broken after Kath abandons him Determined to get her back he transforms to muscular glory and fights his way back to Neverwhere on another bizarre journey Den Volume 4 Dreams and Alarums is the next book in a series of deluxe graphic novels from renowned creator Richard Corben's library to be published by Dark Horse Comics FOR MATURE READERS The artist I most want to aspire to is Richard Corben His style is visual and it tells the story just as you see it my favorite is Corben I love everything he does I love his stuff he's an amazing artist Guillermo del Toro

Richard Corben stands among us like an extraterrestrial peak He has sat in his throne a long time above the moving and multi colored field of world comics like an effigy of the leader a strange monolith a sublime visitor a solitary enigma Moebius Mr Richard Corben a genuine giant of his chosen medium Alan Moore Well known for his legendary fantasy underground masterpieces published by Fantagor Press as well as Heavy Metal Richard Corben s work has been recognized internationally having been awarded one of the most prestigious recognitions in comics literature the Grand Prix at Angoulême as well having been inducted into the Will Eisner Award Hall of Fame

**The Lost Art of Connecting: The Gather, Ask, Do Method for Building Meaningful Business Relationships** Susan McPherson, 2021-03-23 Named a Best Business Book of 2021 by Soundview Magazine Reclaim the power of genuine human connection Networking is often considered a necessary evil for all working professionals With social media platforms like LinkedIn Twitter Instagram and Facebook at our disposal reaching potential investors or employers is much easier Yet these connections often feel transactional agenda driven and dehumanizing leaving professionals feeling burnt out and stressed out Instead we should connect on a human level and build authentic relationships beyond securing a new job or a new investor for your next big idea To build real and meaningful networking contacts we need to go back to basics remembering that technology is a tool and more than just a means to an end We need to tap into our humanity and learn to be more intentional and authentic As a serial connector and communications expert Susan McPherson has a lifetime of experience building genuine connections in and out of work Her methodology is broken down into three simple steps Gather Instead of waiting for the perfect networking opportunity to come to you think outside the box and create your own opportunity Host your own dinner party join a local meet up group or volunteer at your neighborhood food pantry Ask Instead of leading with our own rehearsed elevator pitches asking for help ask to help opening the door to share resources experience contacts and perspectives that add diversity to your own vision Do Turn new connections into meaningful relationships by taking these newly formed relationships deeper Follow through on the promises you made and keep in touch Woven together with helpful tips and useful advice on making the most out of every step this book draws on McPherson s own experience as a renowned serial connector as well as the real life success stories of friends and clients Filled with humor humility and wisdom The Lost Art of Connecting is the handbook we all need to foster personal and professional relationships that blur the lines between work and play and enrich our lives in every way

Encyclopedia of Comic Books and Graphic Novels M. Keith Booker, 2010-05-11 The most comprehensive reference ever compiled about the rich and enduring genre of comic books and graphic novels from their emergence in the 1930s to their late century breakout into the mainstream At a time when graphic novels have expanded beyond their fan cults to become mainstream bestsellers and sources for Hollywood entertainment Encyclopedia of Comic Books and Graphic Novels serves as an exhaustive exploration of the genre s history its landmark creators and creations and its profound influence on American life and culture Encyclopedia of Comic Books and Graphic Novels focuses on English language comics plus a small selection

of influential Japanese and European works available in English with special emphasis on the new graphic novel format that emerged in the 1970s Entries cover influential comic artists and writers such as Will Eisner Alan Moore and Grant Morrison major genres and themes and specific characters comic book imprints and landmark titles including the pulp noir 100 Bullets the post apocalyptic Y The Last Man the revisionist superhero drama Identity Crisis and more Key franchises such as Superman and Batman are the center of a constellation of related entries that include graphic novels and other imprints featuring the same characters or material **Below Critical Radar** Roger Sabin, Teal Triggs, 2000 The move from the underground to the mainstream by many fanzines and underground comics has been largely ignored by the mainstream media These writings consider how and why this has occurred and the relationship between reader and producer
