In *The Me Book* A Journey of Self Discovery author healer and life coach Jane Marin shows us how to use the combined art forms of journaling painting scrapbooking and collage to increase self knowledge and self confidence and improve our lives on physical emotional and spiritual levels. Marin developed the idea of *The Me Book* while researching her family's history and coming to the realisation of how rewarding it was to discover more about her history and record her own life as well. She realised that using creativity in expressing herself was therapeutic and healing bringing forth all her positive energies. Marin unearthed the history of the real her which gave way to life changes both large and small changes that immediately increased her self esteem her health and her perception of her life's purpose. These are changes any of us can make. All we need are the motivation to begin the journey and the desire to create something truly worthwhile something like our own true life **A Paradise Lost in a Merciless Separation** Dr. Marie BA(c)atrice Hyppolite,2022-08-05 This book is about an abrupt separation between an eight year old and her mother. The story took place in Haiti during the time Duvalier was in power. Haiti had known nearly thirty years of oppression under the dictatorship of the Duvaliers father and son Papa Doc created the Tonton Macoute a gestapo like police force to oppress the citizenry and make people do whatever his government wanted. Anyone opposing the regime was a candidate for death. Many people lost their wives husbands children properties and more to the Tonton Macoute. Unfortunately that eight year old's mother was a casualty of this violence. After the child

witnessed her mother get arrested she was left with no help having lived with only her mother her entire life She did not know who her father was at that time One neighbor eventually came outside and took the child with her and from that moment the child's life was altered From her mother's paradise to a whole new system that child experienced hell The girl moved from one place to another even her biological father rejected her It was quite a journey but because of the type of child the girl was she did not allow struggles to bury her alive She learned how to double her strength and be resilient She let God enter her life and with him she embraced life with grace determination focus courage and fidelity No one in this entire world is more resilient than her She faced all the problems in her life with courage dignity and strength Though life was unfair to her she never gave up She let nothing in life break her Instead she used misfortune to be strong and fight all the battles that life brought her way That girl understood that success was not a gift one must work hard for it at the cost of pain discipline and perseverance She took all the opportunities she had and turned them into something positive Despite all the challenges hatred misfortune and triviality she experienced she managed to become a successful respectful and independent woman
