The Indian Army on the Western Front George Morton-Jack, 2014-04-07 The Indian army fought on the western front with the British Expeditionary Force BEF from 1914 to 1918 The traditional interpretations of its performance have been dominated by ideas that it was a failure This book offers a radical reconsideration by revealing new answers to the debate s central questions such as whether the Indian army saved the BEF from defeat in 1914 or whether Indian troops were particularly prone to self inflicting wounds and fleeing the trenches It looks at the Indian army from top to bottom from generals at headquarters to snipers in no man s land It takes a global approach exploring the links between the Indian army s 1914 18 campaigning in France and Belgium and its pre 1914 small wars in Asia and Africa and comparing the performance of the Indian regiments on the western front to those in China East Africa Mesopotamia and elsewhere **N.W.
